In order to acquire and maintain a permit to conduct a garage sale, patio sale, or other similarly conducted sale, the following shall be met:

Any person or persons or sponsoring organization intending to conduct a "garage" sale, "patio" sale or similar sale of personal property to the general public shall file an application with the Development Department Planning Division for a permit not less than three (3), nor more than fifteen (15) days prior to the date of such sale. The applicant shall state the date, place and hours of the proposed sale and the name of the person who will be conducting such sale. The permit shall be issued by the Development Department Planning Division for a period not to exceed three (3) days, provided that the permit may be revoked by the Development Department Planning Division after notice and an opportunity to be heard is offered the applicant in the event any false information or representation is contained in the application or there is a violation of any provision of this ordinance.
- C. Number and Time of Sales. Not more than four non-consecutive garage sales may be conducted by any person nor upon a lot or parcel of land, excluding any lot or parcel of land occupied by an apartment complex, per calendar year and shall be limited to not more than three (3) consecutive days. Said sale may only be conducted between the hours of 8:00 a.m. and 8:00 p.m. of the given day.
- D. Display. Personal property offered for sale shall not be displayed or stored in adjoining public streets or rights-of-way. All articles shall be removed from the front or side yard before the close of the last day on which the garage sale may be lawfully conducted.
- E. Signs. No signs advertising garage sales may be posted, erected or maintained on other than the premises on which such sale is to be held. Not more than three unlighted signs advertising a garage sale may be posted, erected or maintained on the premises on which such sale is to be held; and no sign may be placed or maintained on the public right-of-way. No sign shall exceed four square feet in area and shall not be maintained for a period of more than five days immediately preceding the lawful commencement of such garage sale. Each sign shall be removed at or before the close of the last day on which the garage sale may lawfully be conducted.
