**Victorville City Hall  
14343 Civic Dr.  
Victorville, CA 92392**

The Community Revitalization Investment Authority (CRIA) Board of Directors holds its business meetings in public in accordance with the requirements of the Ralph M. Brown Act, its established policies and procedures, and its adopted parliamentary authority. The CRIA Board strives to carry out its meetings in an atmosphere of professionalism with full participation by members of the body and the public. As such, the Presiding Officer is empowered to govern meetings to foster the efficient and fair administration of City business.

The Community Revitalization Investment Authority (CRIA) Board of Directors welcomes and encourages public participation and invites the community to attend in person.

**Public Comments:** Public comments will be no longer than three (3) minutes per community member. Should a speaker conclude their comments prior to the expiration of three (3) minutes, the speaker waives the right to speak for any remaining amount of time. If you cannot attend in person but would like your comments to be read during the meeting, members of the public may submit comments electronically. Please email your comments to [cityclerk@victorvilleca.gov](mailto:cityclerk@victorvilleca.gov) before 3:00 p.m. the day of the meeting. If your comment does not apply to a specific Agenda Item, please write General Public Comment in the subject line.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the office of the City Clerk at (760) 955-5188 no later than 72 hours prior to the meeting.

**Fiscal Impact:**

There is no fiscal impact associated with this item.

**Background:**

The State's dissolution of redevelopment agencies in 2011 redirected a vital source of funding that the Redevelopment Agency of the City of Victorville (Redevelopment Agency) previously had available to support economic development and affordable housing. This funding source was the growth in property tax revenues above a base year level (i.e., "property tax increment") within a specific redevelopment project area.

In 2015, the State legislature approved Assembly Bill 2, which authorized local government agencies to form a Community Revitalization and Investment Area (CRIA). A CRIA can finance the revitalization of disadvantaged communities through planning and financing infrastructure improvements, economic development activities, and affordable housing using property tax increment contributed by eligible, consenting taxing entities. All actions required in the process of forming a CRIA are outlined in Government Code (GOV) Sections 62000 through 62208.

In 2021, Senate Bill ("SB") 780 was enacted to improve the utilization of tax increment financing tools, such as the CRIA. While CRIAs provided jurisdictions with a means to generate additional funding for housing development, improvements to the CRIA

legislation were needed to help spur the development of affordable housing and community public infrastructure projects. Prior to SB 780, a CRIA could only include parcels that were in an area characterized by several factors, including high unemployment and crime rates, inadequate infrastructure, and deteriorated structures, among others. SB 780 allows local jurisdictions to include sites deemed suitable for housing development as identified in its certified housing element, and parcels zoned to allow transit priority projects as part of their CRIA area. With this additional flexibility, CRIAs across California can collect more revenue to help finance the development of affordable housing and support economic development efforts.

**Discussion:**

Over the past few years, the City has been exploring the creation of a CRIA to help finance housing and economic development. This exploration of a CRIA is being funded by the SB2 Planning Grant Program awarded by the California Department of Housing and Community Development. Once established, the CRIA would have the ability to use property tax increment revenues generated within the Plan Area to fund activities, including:

- Infrastructure improvements
- Low- and moderate-income housing development
- Acquisition of real property
- Loans or grants to owners or tenants to improve, rehabilitate, or retrofit buildings or structures
- Assistance to businesses

The City retained Harris & Associates to assist with the formation of the Victorville CRIA in the Old Town Victorville Area (“Old Town”). In September 2020, Harris determined that Old Town meets the eligibility criteria for CRIA adoption. Following this determination, the City Council adopted Resolution No. 21-017 forming the CRIA and establishing procedures for the selection of members of the public to serve as members of the CRIA Board at its August 17, 2021, meeting. State law requires the Victorville CRIA Board to consist of a total of five (5) members - three (3) members of the City Council and two (2) members of the public who live or work within the CRIA Plan Area. Pursuant to this requirement, the City Council appointed three City Council members at its August 17, 2021 meeting and two members of the public at its November 2, 2021 meeting to serve on the CRIA Board. Furthermore, the CRIA Board approved its bylaws, received a CRIA Draft Plan, and approved an original set of required public hearing dates.

The CRIA Board subsequently held a meeting on November 14, 2022 to receive an updated draft CRIA Plan and establish three public hearing dates (February 6, March 30, and May 15 of 2023). In addition, the CRIA Board held a public meeting on December 5, 2022 to present the CRIA Draft Plan to the public for the first time and give the public an opportunity to ask questions and provide feedback.

On February 6, 2023, the CRIA Board held its first CRIA public hearing to receive written and oral comments from the public. Following this public hearing, the CRIA Board voted

to modify the boundaries of the Victorville CRIA to include not only Old Town, but also the certified 6<sup>th</sup> Cycle Housing Element sites (“CRIA Area”), as allowed by SB 780. However, this decision required the CRIA Board to re-start the public meeting/public hearing process and adopt a new public meeting/public hearing schedule.

At a duly noticed public meeting held on May 15, 2023, the CRIA Board approved a revised set of Bylaws, received a draft of the CRIA Plan, and adopted Resolution No. CRIA-23-002 which set forth the following required new public meeting/public hearing schedule:

- Public Meeting: June 5, 2023
- First Public Hearing: August 7, 2023
- Second Public Hearing: September 11, 2023
- Third Public Hearing: November 6, 2023

The CRIA Board is now commencing the public review of the updated CRIA Draft Plan, which now includes the certified 6<sup>th</sup> Cycle Housing Element sites. In an abundance of caution and to avoid any perceived conflicts of interest, City staff has removed from the CRIA Plan Area any 6<sup>th</sup> Cycle Housing Element site that falls within a 1,000 foot radius of real property interests and/or residences of the sitting City Council members that are appointed to the CRIA Board.

**June 5, 2023 Public Meeting:**

The CRIA Draft Plan being presented tonight for review and public comment is Attachment A to this report. Said CRIA Draft Plan includes a complete list of all properties included within the CRIA Plan Area, which are listed by parcel number in Appendix E and by address in Appendix F. This CRIA Draft Plan contains all items required by State law, which includes:

- a. A statement of the principal goals and objectives of the Plan, including a description of the Plan Area.
- b. A description of the deteriorated or inadequate infrastructure within the Plan Area and a program for constructing adequate infrastructure or repairing or upgrading existing infrastructure.
- c. A housing program.
- d. A program to provide funding for or otherwise facilitate the economic revitalization of the Plan Area.
- e. A fiscal analysis setting forth the projected receipt of revenue and projected expenses over a five-year planning horizon.
- f. Time limits on the establishment of loans, advances, and indebtedness, as well as on repayment of all of the CRIA’s debts and obligations and fulfilling of the CRIA’s housing obligations.

Staff will provide an overview of the updated CRIA Draft Plan for the public at tonight’s Public Meeting and will remain available to answer questions from the public.

**Next Steps:**

Following this June 5, 2023 public meeting, the CRIA Board must hold three public hearings on the dates adopted by Resolution No. CRIA-23-002 (noted above) before final approval of the updated CRIA Draft Plan.

**Public Participation Process:**

State law requires that prior to the adoption of the CRIA Plan, the CRIA Board must complete the following:

- Hold a public meeting (June 5, 2023) to allow members of the public to ask questions and learn about the CRIA.
- At least 40 days following the public meeting, consider adoption of the updated CRIA Plan at three (3) public hearings at least 30 days apart (August 7, 2023, September 11, 2023, and November 6, 2023). Notice of the first public hearing shall be posted and mailed at least 30 days after the public meeting and 10 days before the first public hearing.
  - At the first public hearing, the CRIA Board shall hear all written and oral comments but take no action.
  - At the second public hearing, the Board shall consider any additional written and oral comments and take action to modify or reject the Plan.
  - If the Plan is not rejected at the second public hearing, then the Board shall conduct a protest proceeding at the third public hearing to consider whether the property owners and residents within the Plan Area wish to present oral or written protests against the adoption of the Plan.

**Public Notice:**

Ten days prior to this June 5, 2023 public meeting, notice was mailed to all residents and property owners within the updated CRIA Plan Area boundary to make them aware of the updated CRIA Draft Plan and the public meeting date. The updated CRIA Draft Plan was also posted on the City's website for the CRIA and notice was published in the Valleywide newspaper. This public notice process will be repeated for the three forthcoming public hearings, including recurring newspaper notices that occur weekly before the first public hearing (August 7, 2023) for four consecutive weeks.

## **Section 1 Introduction**

---

### **1.1 Background**

The City of Victorville (“City” or “Victorville”) retained Harris & Associates (“Harris”) to assist with the formation of a Community Revitalization and Investment Authority (“CRIA”) in the Old Town Victorville Area (“Old Town”). In September of 2020, Harris analyzed the eligibility of the Old Town area, which was the proposed CRIA project area at the time. Pursuant to California Government Code (“GOV”) Sections 62001(d) and 62001(e), Harris found the Old Town area to meet the eligibility criteria for the adoption of a CRIA in the City.

In 2021, new legislation approved by the California State Legislature modified CRIA statute to permit the inclusion of housing element sites without an eligibility analysis requirement.

#### **1.1.1 Senate Bill 780**

In 2021, Senate Bill (“SB”) 780 was enacted to improve the utilization of tax increment financing tools, such as the CRIA. While CRIAs provided jurisdictions with a means to generate additional funding for the housing development, improvements to the CRIA legislation were needed to help spur the development of affordable housing and community public infrastructure projects. Prior to SB 780, a CRIA could only include parcels that were in an area characterized by several factors, including high unemployment and crime rates, inadequate infrastructure, and deteriorated structures, among others. SB 780 allows local jurisdictions to include sites deemed suitable for housing development as identified in its certified housing element, and parcels zoned to allow transit priority projects as part of their CRIA area. With this additional flexibility, CRIAs across California can collect more revenue to help finance the development of affordable housing and support economic development efforts.

The CRIA’s legislative body announced in a February 2023 public hearing its decision to modify the CRIA project area to include the certified Victorville 6<sup>th</sup> Cycle Housing Element sites. The decision was made following the enactment of SB 780 and provides additional flexibility for the CRIA to collect more revenue.

### **1.2 Legal Provisions**

CRIAs are an economic development tool enacted into law by Assembly Bill (“AB”) 2 in 2015. AB 2 authorized local government agencies to finance the revitalization of disadvantaged communities through planning and financing infrastructure improvements, economic development activities, and affordable housing using tax increment contributed by eligible, consenting taxing entities. All actions required in the process of forming a CRIA are outlined in GOV Sections 62000 through 62208.

Once established, a CRIA has the ability to accomplish the following:

1. Provide funding for the rehabilitation, repair, upgrading, or construction of infrastructure.

2. Provide low- and moderate-income housing.
3. Remedy or remove a release of hazardous substances.
4. Provide funding for seismic retrofits of existing buildings.
5. Acquire and transfer real property.
6. Issue bonds.
7. Borrow money, receive grants, or accept financial or other assistance or investment from the state or the federal government or any other public agency or private lending institution for projects.
8. Make loans or grants for owners or tenants to improve, rehabilitate, or retrofit buildings or structures.
9. Construct foundations, platforms, and other like structural forms necessary for the provision or utilization of air rights sites for buildings to be used for residential, commercial industrial, or other uses contemplated by the revitalization plan.
10. Provide direct assistance to businesses for new or existing facilities for industrial or manufacturing uses.

Pursuant to GOV Section 62001, a city, county, or city and county may form a CRIA by adopting a resolution. The legislative body of the city, county, or city and county shall then appoint the governing board of the CRIA and shall include three members of the legislative body and two public members (“CRIA Board”). On August 17, 2021, the Successor Agency of the Victorville Redevelopment Agency (“Successor Agency”) adopted SA Resolution No. R-SA 21-002 and the City Council adopted Resolution No. 21-017, forming the Victorville CRIA Board. On August 26, 2021, three council members were appointed to serve on the CRIA Board, followed by two Victorville residents who live and work within the CRIA area. Both residents were appointed to the CRIA Board on December 21, 2021.

Furthermore, GOV Section 62003 requires for the CRIA Board to adopt a community revitalization and investment plan (“CRIA Plan”) that may include project areas and a provision for the receipt of tax increment funds generated within such project areas. This CRIA Plan seeks to assist in the implementation of the Victorville Old Town Specific Plan and, consequently, facilitate economic revitalization and the provision of affordable housing in the CRIA area.

## 1.3 CRIA Area

### 1.3.1 Qualifying Conditions

Pursuant to GOV Sections 62001(d) and 62001(e), a CRIA may carry a community revitalization plan within an area that meets one of the following:

1. The census tracts or census block groups, as defined by the United States Census Bureau, within the CRIA area are situated within a disadvantaged community as described in Section 39711 of the Health and Safety Code (“HSC”).
2. The area is established within a former military base that is principally characterized by deteriorated or inadequate infrastructure and structures.
3. *Is comprised of sites identified in a Housing Element Sites Inventory that are suitable for residential development.*
4. At least 70% of the land (calculated by census tracts and/or census block groups) in the CRIA area is characterized by both of the following conditions:
  - a. Area Median Income (“AMI”) that is less than 80% of either the statewide, countywide, or citywide AMI.
  - b. Three (3) of the following four (4) conditions:
    - i. An unemployment rate that is at least three (3) percentage points higher than the statewide average.
    - ii. Crime rates in the CRIA Area are at least 5% higher than the statewide average for violent or property crime offenses or any offense within these categories.
    - iii. Deteriorated or inadequate infrastructure, including streets, sidewalks, water supply, sewer treatment or processing, and parks.
    - iv. Deteriorated commercial or residential structures.

### 1.3.2 Boundary

As discussed earlier in this CRIA Plan, the CRIA area initially consisted of the Old Town Victorville portion of the City. During the public hearing process of the establishment of the Victorville CRIA, the CRIA Board voted to modify the CRIA project area to include the certified Victorville 6<sup>th</sup> Cycle Housing Element sites. The decision was made following the enactment of SB 780 and pursuant to GOV Sections 62001(d) and 62001(e).

The CRIA Area corresponds to the Old Town Victorville Area, as well as the 133 sites (401 parcels) included in the City’s 6<sup>th</sup> Cycle Housing Element (“CRIA Area”). The Old Town portion of the CRIA

Area is comprised of approximately 400 acres and is located between Interstate 15 and the eastern boundary of the City. The Housing Element portion of the CRIA Area is comprised of approximately 1500 acres and is dispersed throughout the City. Furthermore, the CRIA Area includes the historic Old Town core, the area north of the railroad tracks, and the 7<sup>th</sup> Street corridor gateway leading into Old Town. A map of the CRIA Area is provided in both Appendix A and Appendix C of this Report.

The Old Town portion of the CRIA Area is made up of portions of Census Tracts 98 and 121.01, with Census Tract 98 encompassing the majority of the CRIA Area. Specifically, the following areas are in the Old Town portion of the CRIA Area:

- Census Tract 98
  - Block Group 1 (most thereof)
  - Block Group 2 (all)
  - Block Group 3 (all or parts of Blocks 3002, 3003, 3006, 3007, and 3018)
  - Block Group 4 (parts of Blocks 4000 and 4003)
- Census Tract 121.01
  - Block Group 3 (all or parts of Blocks 3067, 3074, 3078, and 3086)

A marginal portion of the Old Town portion of the CRIA Area is within the large Census Tract 121.01. As such, the required eligibility analysis for Old Town portion of the CRIA Area examined the socioeconomic data for Census Block Group 3, rather than the entire Census Tract.

### 1.3.3 Eligibility Memo

In September of 2020, Harris analyzed the eligibility of the Old Town portion of the CRIA Area pursuant to GOV Sections 62001(d) and 62001(e). The results of this analysis indicate that Old Town **does meet the eligibility criteria for CRIA adoption**. More specifically, Old Town qualifies based on the following characteristics:

1. The AMI is less than 80% of the statewide, countywide, and citywide AMIs.
  - a. *The AMIs for Census Tract 98 and for Block Group 3 of Census Tract 121.01 are each less than 80% of the statewide, countywide, and citywide AMIs.*
2. The unemployment rate is more than three percentage points higher than the statewide average.
  - a. *The unemployment rates for Census Tract 98 and for Block Group 3 of Census Tract 121.01 are more than three percentage points higher than the statewide average.*
3. Crime rates for violent crime, as well as for two property crime offenses (i.e., burglary and motor vehicle theft) are more than 5% higher than the statewide rate for the same crime categories.

- a. Crime rates for violent crime, as well as for two property crime offenses (i.e., burglary and motor vehicle theft) for the City are more than 5% higher than the statewide rate for the same crime categories. Crime rates are not measured on the census tract level.*
4. More than 70% of Old Town’s land is characterized by deteriorated structures.
- a. Block Groups 1 and 2 of Census Tract 98 constitute more than 70% of the Project Area’s land and are characterized by deteriorated structures, based on the prevalence of parcels with a deteriorated structure.*

The findings of this analysis are memorialized in the CRIA Eligibility Memo (Appendix C).

### **1.3.4 Local Context**

The City is located in southwestern San Bernardino County (“County”) in the geographic sub-region of the southwestern Mojave Desert known as the Victor Valley and commonly referred to as the “High Desert” due to its approximate elevation of 2,900 feet above sea level. Surrounding urbanized areas include the City of Adelanto to the northwest, Town of Apple Valley to the east, City of Hesperia to the south, and the unincorporated community of Phelan to the west.

According to the Department of Finance (“DOF”), the City experienced tremendous population growth between 2000 and 2010, during which the population grew by 81% (from 64,029 to 115,903). In the following ten years, growth was more modest with a 10% increase between 2010 and 2020 (from 115,903 in 2010 to 127,518 in 2020). The City’s growth can be attributed to the availability of relatively low-cost housing (relative to Orange County, Los Angeles County, and other parts of the Inland Empire), particularly for single-family homes.

### **1.3.5 Conditions**

Old Town Victorville is characterized by its small lots, compact form, and pedestrian scale. A number of historic buildings, including the Old Victor School, and cultural sites, such as the Route 66 Museum, contribute to the character of Old Town. At the intersection of D and 6th streets is the Victor Valley Transit Center, with a train stop along the Southwest Chief route connecting Los Angeles and Chicago.

The 7th Street corridor leading into the historic Old Town core is characterized by larger blocks, larger parcels, and buildings set back from the street with large surface parking lots adjacent to the sidewalk. It is an environment that prioritizes the car and is not as pleasant for walking as within the old Town core.

The area to the north of the railroad tracks is characterized by a lack of structure. Single-family homes and community uses are scattered amidst a large number of vacant lots. The lack of sidewalks and the numerous empty lots create an inconsistent pedestrian environment.

The Housing Element portion of the CRIA Area includes parcels dispersed throughout the City. Overall, the CRIA Area is experiencing many socioeconomic and physical challenges. According to the Old Town Specific Plan, homelessness issues are significant in this portion of the City, with reports of widespread

drug and alcohol use, loitering, and even prostitution causing clear safety concerns in the CRIA Area. Additionally, as businesses have left the area, vacant buildings have been a gathering place for individuals experiencing homelessness, and a string of fires over the last several years has caused the City to demolish abandoned buildings proactively to prevent potential fires and minimize health and safety risks to the community. Because of these actions, former deteriorated and dilapidated structures have been removed, leaving a large number of vacant lots in the area.

## Section 2 Analysis

---

### 2.1 Requirements

Pursuant to GOV Section 62003, the CRIA Board shall adopt a CRIA Plan that may include project areas and a provision for the receipt of tax increment funds generated within such project areas. The requirements for the CRIA Plan include the following:

1. Statement of the goals and objectives of the plan, including the territory that will be covered by the plan.
2. Description of the deteriorated or inadequate infrastructure within the area and a program for construction of inadequate infrastructure or repair or upgrading of existing infrastructure.
3. Housing program that describes how the CRIA will comply with Part 2 (commencing with GOV Section 62100) and includes the following:
  - a. Amount available in the Low- and Moderate-Income Housing Fund (“LMIHF”) and the estimated amounts that will be deposited in the fund during each of the next five years.
  - b. Estimates of the number of new, rehabilitated, or price restricted residential units to be assisted during each of the five years and estimates of the expenditures of moneys from the LMIHF during each of the five years.
  - c. Description of how the program will implement the requirements for expenditures of funds in the LMIHF over a 10-year period for various groups as required by Chapter 2 (Commencing with Section 62115) of Part 2.
  - d. Estimates of the number of units, if any, developed by the authority for very low, low-, and moderate-income households during the next five years.
4. Program to remedy or remove a release of hazardous substances, if applicable.
5. Program to provide funding for or otherwise facilitate the economic revitalization of the area.
6. Fiscal analysis setting forth the projected receipt of revenue and projected expenses over a five-year planning horizon, including the potential issuance of bonds backed by tax increment during the term of the CRIA.
7. Time limits that may not exceed the following:
  - a. 30 years for establishing loans, advances, and indebtedness.
  - b. Either of the following:

- i. 45 years for the repayment of all of the CRIA’s debts and obligations, as well as fulfilling all of the CRIA’s housing obligations.
  - ii. If the CRIA divides the CRIA Plan into multiple project areas, a date on which the plan will cease to be in effect and all tax allocations to the CRIA will end.
8. A determination that the CRIA Area complies with the conditions described in GOV Section 62001.

## 2.2 Principal Goals and Objectives

The CRIA Plan will serve as a tool to implement the Old Town Specific Plan, which is focused on the revitalization of the CRIA Area. The Old Town Specific Plan and the CRIA Plan present an opportunity to transform the CRIA Area into a unique, vibrant, mixed-use focal point for the region. The Old Town Specific Plan promotes higher-density housing to accommodate some of the past and upcoming population growth and will encourage new businesses and jobs to locate in the CRIA Area. Furthermore, improvements encouraged by the CRIA will promote an attractive and pedestrian-oriented Old Town.

GOV Section 62003(a) establishes that the CRIA Plan shall include a statement of the principal goals and objectives of the plan including territory to be covered by the plan. In this CRIA Plan, goals will represent *broad and long-term achievable outcomes*, while objectives will represent *specific actions used to meet a larger goal*. The CRIA will work to address the socioeconomic and physical challenges that the CRIA Area is experiencing through the following goals and objectives:

- **Goals:**

1. Assist in implementing the established Old Town Specific Plan.
2. Facilitate economic revitalization and the provision of affordable housing in the CRIA Area.

- **Objectives:**

1. Transform Old Town into a unique, vibrant, mixed-use focal point for the region.
2. Bring new housing opportunities to Old Town that will accommodate population growth.
3. Encourage new businesses and jobs to locate in Old Town.
4. Promote an attractive and pedestrian-oriented Old Town that reflects its historic character.

## 2.3 Deteriorated or Inadequate Infrastructure Within the Area

### 2.3.1 Description

GOV Section 62003(b) establishes that the CRIA Plan shall include a description of the deteriorated or inadequate infrastructure within the CRIA Area.

It is important to note that GOV Section 62001(d)(2) establishes the following four conditions, and requires that at least three of these four conditions must be present in the CRIA Area:

- i. An unemployment rate that is at least 3 percentage points higher than the statewide average.
- ii. Crime rates in the CRIA Area are at least 5% higher than the statewide average for violent or property crime offenses or any offense within these categories.
- iii. Deteriorated or inadequate infrastructure, including streets, sidewalks, water supply, sewer treatment or processing, and parks.
- iv. Deteriorated commercial or residential structures.

As presented in Sections 1.3.1 through 1.3.3 of this CRIA Plan, the Old Town portion of the CRIA Area meets these legal requirements (See Section 1.3.1). More specifically, the results contained in the Eligibility Memo (Appendix C) indicate that *the CRIA Area is characterized by all conditions except deteriorated or inadequate infrastructure*. Specifically, the Old Town Specific Plan deemed the CRIA Area's infrastructure to be sufficient to serve existing conditions. Furthermore, natural gas and electricity infrastructure is sufficient to serve buildout conditions, and new development will be used to fund improvements to the water supply, sewer/wastewater, storm drainage, and solid waste collection, disposal, and recycling infrastructure to serve buildout conditions sufficiently. Based on the Old Town Specific Plan, the CRIA Area does not have deteriorated or inadequate infrastructure.

### 2.3.2 Program

GOV Section 62003(b) establishes that the CRIA Plan shall include a program for construction of adequate infrastructure or repair/upgrading of existing infrastructure. *Given that the CRIA Area is not characterized by deteriorated or inadequate infrastructure, no program is needed for construction or repair of the infrastructure in the CRIA Area.*

## 2.4 Housing Program

GC Section 62003(c) requires for the CRIA Plan to include a housing program that describes how the CRIA will comply with GOV Section 62100. It is important to note that due to the nature of tax increment, secured property value growth has to occur over a number of years in order to generate significant revenues for programs. Therefore, over the first five years of the CRIA, revenues will be somewhat limited and will be focused on assisting existing residential units, rather than construction or other larger-scale efforts.

### 2.4.1 Amount Available in the LMIHF

GOV Section 62003(c)(1) requires that the CRIA Plan present the amount available in the LMIHF and the estimated amounts that will be deposited in the fund during each of the next five years. GOV Section 62100 stipulates that not less than 25% of all taxes that are allocated to the CRIA from any participating entity shall be deposited into the LMIHF.

As shown in Table 1, *the total amount deposited into the LMIHF during the first five years ranges from \$25,555 to \$2,272,835, increasing as the County participation level increases.* The County participation level represents the percentage of incremental tax revenues the County is willing to allocate to the CRIA. The ultimate County participation level is yet to be determined and will be based on the County’s decision.

**Table 1. Projected Annual Deposits to LMIHF (First Five Years)**

### 2.4.2 Estimated Number of Residential Units Assisted

GOV Section 62003(c)(2) requires that the CRIA Plan have an estimate of the number of new, rehabilitated, or price restricted residential units to be assisted during each of the five years and estimates of the expenditures of moneys from the LMIHF during each of the five years. As shown in Table 1, the revenues deposited into the LMIHF over five years for the use of housing assistance would range from \$25,555 to \$2,272,835, depending on the level of County participation. As previously mentioned, due to the nature of tax increment, secured property value growth must occur over a number of years in order to generate significant revenues for programs, especially to assist in the development of units. While the estimated revenue is projected to surpass \$2 million with full County support, the CRIA has not obtained a commitment of participation from the County. As such, \$2 million in available funds for the development of affordable housing is improbable under the current circumstances. As a result, the revenues for the first five years will be focused on providing owners with rehabilitation assistance.

In order to assist owners in the CRIA Area with their property rehabilitation efforts (consistent with Objective #4 in Section 2.2 of this CRIA Plan), the CRIA Board will establish a CRIA Residential Rehabilitation Program (separate from the existing Residential Rehabilitation Program) that provides grants and loans for residential property owners and renters in the CRIA Area. As documented in Chapter 4 of the 2021-2029 Victorville 6<sup>th</sup> Cycle Housing Element, the City provides loans and grants for eligible home repairs that range from \$1,000 to \$15,000. However, the CRIA Residential Rehabilitation Program aims to increase the maximum amount. *Assuming that the average loan is \$20,000, the CRIA can provide up to 113 residential rehabilitation loans in the first five years, depending on the level of County participation.*

Table 2 illustrates the number of CRIA Residential Rehabilitation Loans that could be made available to residents in the CRIA Area each year, and the total amount spent in the five-year period. The number of loans available each year is subject to the availability of funds for loans in the amount of \$20,000. Table 1 specifies the projected funds available each year.

However, it should be noted that the CRIA can apply for available funding such as State grants to supplement tax increment revenues. The CRIA Board will regularly evaluate grant eligibility and pursue funding applications where appropriate.

GOV Section 62100(b) states that when spending LMIHF monies, the CRIA may exercise any or all of its powers for the construction, rehabilitation, or preservation of affordable housing for extremely low-, very low-, low-, and moderate-income persons or families. To comply with this requirement, the proposed CRIA Residential Rehabilitation Program will primarily focus on providing residential rehabilitation loans to very low, low-, and moderate-income households.

Moreover, to further comply with GOV Section 62100(b) (and consistent with Objective #2 of this CRIA Plan), the CRIA Board will look to assist in the development of affordable housing for extremely low-, very low-, and low-income households, as enough revenue becomes available after the five-year period. In order to generate enough revenue to assist affordable housing developments, the CRIA Area will have to see significant secured property value growth over a number of years, as well as opportunities for proposed affordable housing projects. The specific opportunities are unknown at this time and will be dependent on the affordable housing community and proposed projects brought on by that community.

As stated in the previous section, the CRIA can apply for available funding such as State grants to supplement tax increment revenues. The CRIA Board will regularly evaluate grant eligibility and pursue funding applications where appropriate.

### **2.4.3 LMIHF Expenditure Requirements (Displacement)**

GOV Section 62003(c)(3) states that a CRIA Plan must include a description of how the program will implement the requirements for expenditures of funds in the LMIHF over a 10-year period for various groups as required by Chapter 2 (commencing with GOV Section 62115) of Part 2. GOV Section 62115 requires that the CRIA prepare a feasible method or plan for the relocation of families, persons, and nonprofit local community institutions that are temporarily or permanently displaced.

Appendix B provides tax increment projections for a 45-year period, for all County participation levels. As shown in these projections, the total revenues for the 45-year period could range from \$88 million to \$916 million, based on County participation. During the first 10-year period, the CRIA could generate between \$487,112 and \$13 million, contingent on County participation. Furthermore, according to the Victorville 6<sup>th</sup> Cycle Housing Element, the construction cost for a lower-income affordable multifamily unit is over \$500,000, as of January 2021 (Victorville 6<sup>th</sup> Cycle Housing Element, pages 3-8). Given the significant demand for residential rehabilitation loans, the CRIA will focus on issuing residential rehabilitation loans for the first several years and the City. *As such, the funds available will focus on assisting families with their efforts to mitigate Building Code violations and make improvements that will provide for safer homes. As such, the CRIA does not anticipate housing acquisition and/or development that would result in the displacement of any residents or organizations.* Instead, the CRIA Board will focus on providing financial assistance for rehabilitation, development, and economic development activities in the CRIA Area.

#### **Assistance in Finding Other Locations**

While it is not anticipated that any residents or organizations will be displaced, the CRIA Board will ensure that if any person or organization is displaced by the CRIA, that they are assisted, compliant to Chapter 2 (commencing with GOV Section 62115) of Part 2 as well as other state and federal laws regarding relocation. The CRIA Board will assist all persons, organizations, and others displaced by the CRIA (“displacees”) in finding other locations and facilities. To conduct any projects with minimum impact to displacees, the CRIA Board shall assist them in finding new locations that are decent, safe,

sanitary, within their respective financial means, in reasonably convenient locations, and otherwise suitable to their respective needs. The CRIA Board will make a good faith effort to relocate displacees within the CRIA Area unless they choose to relocate elsewhere, and shall provide a priority for occupancy in housing, which the CRIA Board has facilitated.

### **Relocation Payments**

The CRIA Board shall make all relocation payments required by law to displacees. Such relocation payments shall be made pursuant to the California Relocation Assistance Law (GOV Section 7260).

#### **2.4.4 Estimated Number of Units Built for Lower Income Households**

GOV Section 62003(c)(4) requires that the CRIA Plan provide an estimate of the number of units, if any, developed by the CRIA for very low, low-, and moderate-income households during the next five years. As mentioned in Section 2.4.3 of this CRIA Plan, the funds available for housing will focus on assisting families with their efforts to mitigate Building Code violations and make improvements that provide for safer homes. *As a result, the CRIA does not anticipate to use funds for the development of housing units during the first five years.*

## **2.5 Hazardous Substances**

### **2.5.1 Description**

GOV Section 62003(d) establishes that the CRIA Plan shall include a program to remedy or remove a release of hazardous substances, if applicable. According to the United States Environmental Protection Agency (“EPA”), there are two Non-National Priority List Superfund sites in the CRIA Area:

1. **Site 1 (APN 047821406)** – Lot on the corner of 8<sup>th</sup> Street and C Street. The City’s Economic Development Department facilitated the installation of soil vapor extraction equipment and groundwater monitoring wells. Fencing was installed to protect the equipment.
2. **Site 2 (APN 047822405)** – Lot on the corner of 7<sup>th</sup> Street and B Street. The Site currently includes a commercial building. There are currently no cleanup activities taking place on this parcel.

According to the EPA, Superfund sites are those polluted with toxic substances that have been left out in the open, dumped, or otherwise improperly managed. The release of toxic substances in these sites can present a serious threat to public health and lead to harmful health outcomes. The cleanup of Superfund sites on the National Priority List is overseen by the EPA. Sites #1 and #2 are not listed on the National Priority List; therefore, site cleanup must be managed by a local, regional, or state agency.

### **2.5.2 Program**

Pursuant to GOV Section 62003(d), the CRIA Plan shall include a program to remedy or remove the release of hazardous substances. The Implementation Plan of the Old Town Specific Plan includes a list of potential funding mechanisms, which include:

- **Brownfields Economic Development Initiative** – The United States Department of Housing and Urban Development designed this competitive grant program for the redevelopment of abandoned, idled, and underused industrial and commercial facilities burdened by environmental contamination.
- **Targeted Brownfields Assessment Grant** – EPA provides funding for sites for contamination and cleanup assessment of brownfield sites. This grant is available for properties eligible for EPA Brownfields funding.
- **Brownfields Cleanup Grant** – EPA provides funding to conduct cleanup activities at brownfield sites. Eligible entities may apply for up to \$200,000 per site.
- **Targeted Site Investigation Program** – The California Department of Toxic Substances Control provides funds to assess and clean up brownfield sites and to enhance state and tribal response programs.

**To address both Superfund sites in the CRIA Area, the CRIA Board will reach out and coordinate with the owners of both sites to address any threats residents in the CRIA Area may be exposed to as a result of these sites. The CRIA Board will also provide owners with support in researching and applying for grants, such as those listed in this Section.**

## **2.6 Economic Revitalization**

GOV Section 62003(e) establishes that the CRIA Plan shall include a program to provide funding for or otherwise facilitate the economic revitalization of the area. The CRIA is part of a broader effort by the City to help implement the Old Town Specific Plan and revitalize the CRIA Area. The development of the CRIA Area is expected to help the City transform it into a unique, vibrant, mixed-use focal point for the region. The revitalization of the CRIA Area will also encourage new businesses and jobs to locate in Old Town, which will open the doors for further economic revitalization.

Tourism presents an important long-term opportunity for the CRIA Area. However, before tourism can play a significant part in the economic growth of Old Town, there needs to be some reinvestment into the existing buildings. Additionally, entertainment, retail, and cultural destinations in Old Town must be established and effectively marketed to visitors. Improvements and new development in the CRIA Area will foster a sense of place and instill pride in the community. According to the Old Town Specific Plan, with the implementation of the Specific Plan, the CRIA Area will be an economically vibrant, walkable destination that is inviting to pedestrians, with a mix of different housing types and uses that serve residents and attract visitors.

The Implementation Plan of the Old Town Specific Plan includes multiple implementation actions related to economic development. Goal #1 of this CRIA Plan is to “assist in implementing the established Old Town Specific Plan”. To comply with CRIA Plan Goal #1 and to facilitate the economic revitalization of

the area, *the CRIA will help implement the following implementation Economic Development (ED) and Funding (F) actions from the Old Town Specific Plan:*

- **ED-4** - Identify key commercial realtors that will help locate new businesses in vacant and underutilized buildings and undeveloped land parcels, especially at key intersections and highly visible locations.
- **ED-5** – Create a “Clean and Safe Old Town” pilot project to enforce and maintain clean streets. The pilot project will:
  - Crack down on and clean up illegal dumping on public streets.
  - Eliminate/address substandard building conditions.
  - Immediately warn and if necessary, fine culpable owners/residents that illegally dump on streets or are responsible for unsafe, substandard buildings.
  - Increase police patrol of the streets by biking and walking to enhance the real and perceived sense of security and safety for existing residents and businesses.
  - Ensure that sidewalks and roads are well swept regularly.
- **F-1** - Establish a Developer Assistance Program to fund non-residential rehabilitation projects.

### **2.6.1 Economic Revitalization Programs**

The above-mentioned Old Town Specific Plan implementation actions focus on a variety of properties. To assist in the implementation of the Old Town Specific Plan, the CRIA Plan (CP) aims to execute the following programs:

- CP-1. Residential Rehabilitation:** *As mentioned in Section 2.2.4 of this CRIA Plan, the CRIA includes a housing program that will assist homeowners with a loan of up to \$20,000 for the rehabilitation of their properties. Please note that this program is not part of the Economic Rehabilitation Programs but is included for numbering presentation purposes.*
- CP-2. Business Attraction:** Through this program, the CRIA will engage in outreach and meet with a number of identified commercial realtors on a quarterly basis. These meeting will serve as a platform to provide updates on available spaces, showcase potential opportunities for businesses, and receive feedback from the realtors on how to improve the city's business attraction efforts.
- CP-3. Marketing Campaign:** This program shall establish a marketing campaign to promote the availability of commercial spaces and engage with business owners to assess their needs and preferences.

In order to help implement Old Town Specific Plan action ED-4, and F-1, the CRIA will establish two small business assistance programs to incentivize and attract new businesses into Old Town Victorville. The following programs will offer assistance and incentives for new or existing small businesses interested in expanding, relocating, or establishing a storefront within the CRIA Area, including Old Town:

- CP-4. Relocation Assistance:** This program shall assist small businesses looking to relocate to or expand into the CRIA Area. The reimbursable grants will range between \$15,000 to \$30,000 and shall be used for relocation or rehabilitation expenses generated during the relocation or expansion process. This grant will be open to any small business, including those outside of the City of Victorville that are establishing a new location or relocating their existing business into the CRIA Area. Reimbursements shall be issued after business opening.
  
- CP-5. Forgivable Acquisition Loan:** This program shall assist small business owners who own or would like to purchase the property where their business is located. Applicants can qualify for a loan ranging between \$25,000 to \$100,000. To secure the loan, business owners will be required to place an encumbrance on the property title. The loan shall then be forgivable if the business remains in operation for a 10-year period. Furthermore, eligible businesses must demonstrate one full-time job for every \$25,000 loaned for the duration of the loan.

Finally, to help implement action ED-5 of the Old Town Specific Plan, the CRIA will partner with the Victorville Police Department to increase safety in Old Town:

- CP-6. Old Town Safety:** This program shall support a partnership between the CRIA and the Victorville Police Department to ensure a safe and clean environment for residents and visitors by increasing police presence in Old Town. As funding is identified in future years, this program will include more frequent patrols by officers on foot, bike, and vehicle to deter criminal activity and create a sense of safety and security for residents and visitors. Based on CRIA funding limitations in the first five years of the CRIA Plan, this program is envisioned to start after the first five-year planning horizon.

## 2.7 Fiscal Analysis

Pursuant to GOV Section 62003(f), the CRIA Plan shall include a fiscal analysis setting for the projected receipt of revenue and projected expenses over a five-year planning horizon, including the potential issuance of bonds backed by tax increment during the term of the plan.

### 2.7.1 Projected Receipt of Revenues

Table 3 presents the projected annual revenues for the first five years of the CRIA. As mentioned in Section 2.4.1 of this CRIA Plan, 25% of these revenues shall be deposited into the LMIHF. Table 3 shows a breakdown of total revenues, including non-LMIHF funds and those deposited into the LMIHF.

**Table 3. Projected Annual Revenues (5 Years)**

### 2.7.2 Projected Expenses

As discussed in Section 2.4.2 of this CRIA Plan, due to the nature of tax increment, secured property value growth has to occur over a number of years in order to generate significant revenues for programs. Therefore, over the first five years of the CRIA, revenues will be somewhat limited and will be focused on assisting existing residential units and businesses, rather than construction or other larger-scale efforts.

In order to assist owners in the CRIA Area with their property rehabilitation efforts, the CRIA Board will establish a CRIA Residential Rehabilitation program, a Commercial Relocation Assistance program, and a forgivable Commercial Acquisition Loan program. All programs will provide residential and commercial owners with small loans for property rehabilitation and acquisition assistance. For estimation purposes, this CRIA Plan made the following assumptions:

1. Residential rehabilitation loans are assumed to be for \$20,000 each.
2. Commercial relocation assistance loans are assumed to be for \$30,000 each.
3. Commercial acquisition loans are assumed to be for 100,000 each.
4. Economic development revenues are assumed to be equally split between the relocation assistance and acquisition loans.

Table 4 provides the estimated CRIA Residential Rehabilitation Program, Commercial Relocation Assistance, and Commercial Forgivable Acquisition Loan programs. expenses for the first five years of the CRIA.

<sup>1</sup> The CRIA expenses over the first five years will consist of CRIA Residential Rehabilitation Loans and two economic revitalization programs. This is due to the fact that CRIA revenues are limited in the first five years and are not sufficient for larger-scale efforts.

<sup>2</sup> The "Break-Even" County participation level represents the percentage of incremental tax revenues the County can allocate to the CRIA, while keeping its net revenue equal to its net revenue if there were no CRIA.

<sup>3</sup> The CRIA Plan includes two economic revitalization programs: (1) CP-3: Relocation Assistance and (2) CP-4: Forgivable Acquisition Loan. This CRIA Plan assumes the economic development portion of the revenues will be equally split between both.

<sup>4</sup> Includes expenditures the CRIA Residential Revitalization Loans. The CRIA Residential Rehabilitation Program is assumed to provide \$15,000 loans to homeowners for rehabilitation.

### **2.7.3 Bonds**

Considering the funding limitations of the first five years, it is not anticipated that bonds will be issued during that time period. Annual revenues will be monitored and if additional revenue beyond what is estimated in this document is realized, the CRIA Board may consider a potential bond issuance under the advice of a licensed municipal advisor. Appendix B provides tax increment projections for a 45-year period, for all County participation levels.

### **2.8 Time Limits Under the CRIA Plan**

GOV Section 62003(g) requires that a CRIA Plan include time limits. To comply with GOV Code Section 62003(g), the time and financial limits for the CRIA will include the following:

- 30 years for establishing loans, advances, and indebtedness.
- 45 years to dissolve the CRIA as a legal entity. During this time, all debts and obligations shall be paid and fulfilled, and no further taxes shall be allocated to the authority pursuant to Section 62005.

Appendix B provides tax increment projections for the CRIA with the above time limits, for all County participation levels.

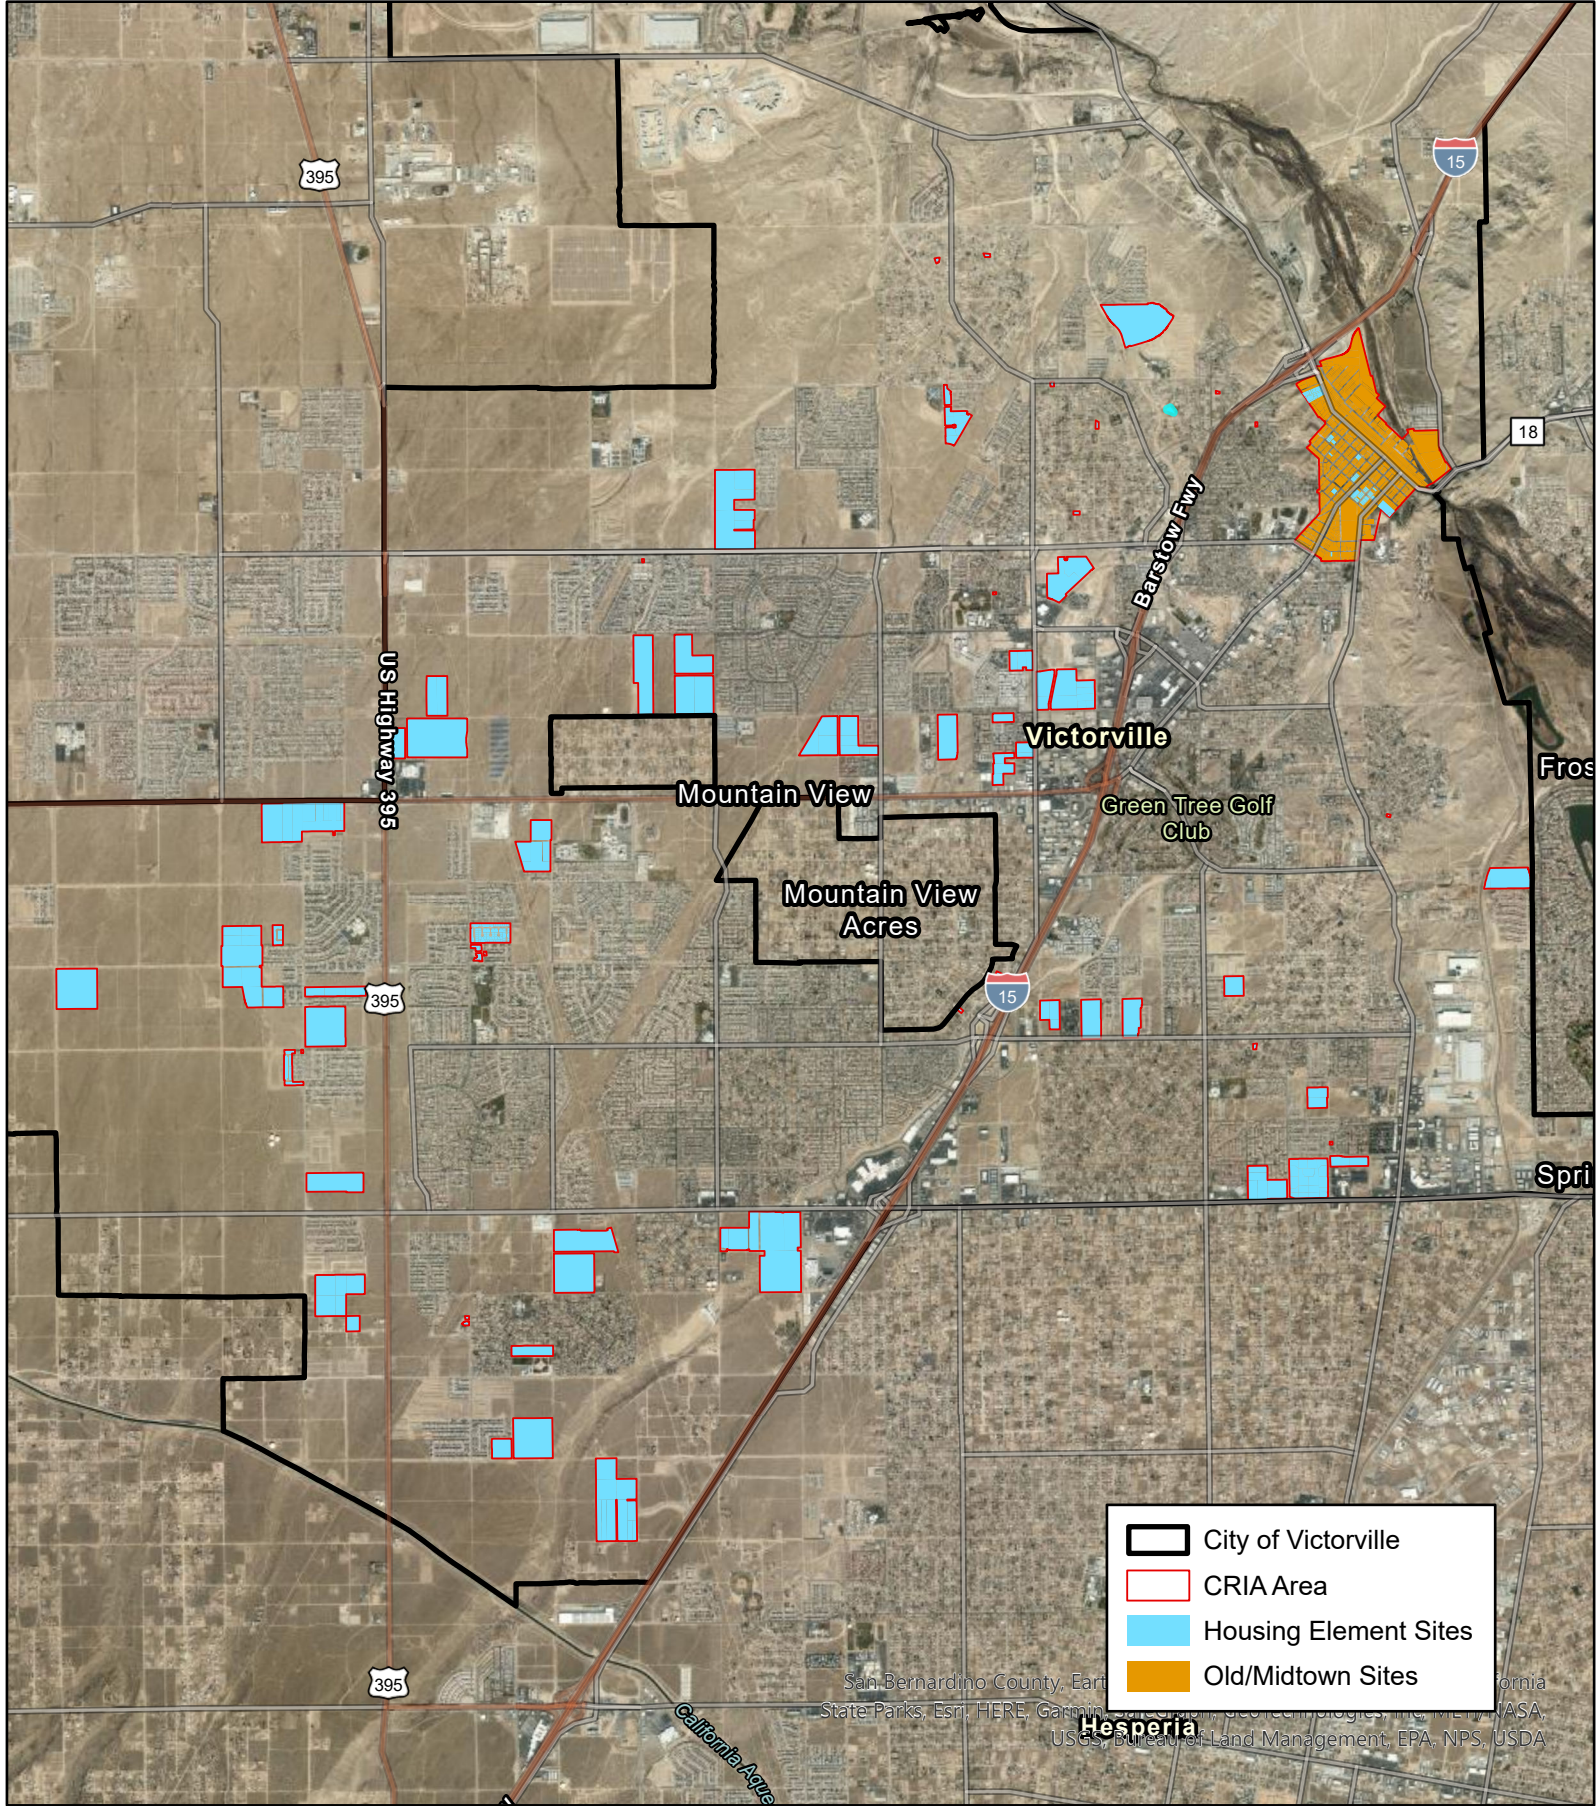

### **2.9 Determination of CRIA Compliance**

Pursuant to Government Code Section 62003(h), the CRIA Plan shall include a determination that the CRIA complies with the conditions described in subdivision (d) or (e) of GOV Section 62001. ***The CRIA complies with the conditions described in GOV Section 62001(d).*** More details on the CRIA's compliance are provided in Section 1.3.3 of this CRIA Plan and Appendix C, the CRIA Eligibility Memo.

### 1.1 Executive Summary

Harris & Associates (“Harris”) was retained by the City of Victorville (“City” or “Victorville”) to assist with the formation of a Community Revitalization and Investment Area (“CRIA”) in the Old Town Victorville Area (“Project Area”). Harris has analyzed the eligibility of the proposed Project Area pursuant to Government Code (“GC”) Sections 62000 through 62208, which outlines all requirements for the formation of a CRIA, including the requirement for the CRIA to be established within a community characterized by multiple socioeconomic and physical conditions.

In order for the Project Area to qualify for CRIA adoption, it must either be located in an area identified by the California Environmental Protection Agency as a disadvantaged community or satisfy a set of socioeconomic and physical conditions. One of the Project Area’s two census tracts is not identified as a disadvantaged community; thus, CRIA formation eligibility is contingent on satisfying the socioeconomic and physical conditions.

The results of this analysis indicate that the Project Area **does meet the eligibility criteria for CRIA adoption**. More specifically, the Project Area qualifies based on the following characteristics:

1. The Annual Median Household Income (“AMI”) is less than 80% of the statewide, countywide, and citywide AMIs.
2. The unemployment rate is more than three percentage points higher than the statewide average.
3. Crime rates for violent crime, as well as for two property crime offenses (i.e., burglary and motor vehicle theft) are more than 5% higher than the statewide rate for the same crime categories.
4. More than 80% of the Project Area’s land is characterized by deteriorated structures.

### 1.2 Background

CRIAs are an economic development tool enacted into law by Assembly Bill (“AB”) 2 in 2015. AB 2 authorized local government agencies to finance the revitalization of disadvantaged communities through planning and financing infrastructure improvements, economic development activities, and affordable housing using tax increment contributed by eligible, consenting taxing entities. All actions required in the process of forming a CRIA are outlined in GC Sections 62000 through 62208.

Once established, a CRIA has the ability to accomplish the following:

- Provide funding for the rehabilitation, repair, upgrading, or construction of infrastructure.
- Provide low- and moderate-income housing.
- Remedy or remove a release of hazardous substances.

- Provide funding for seismic retrofits of existing buildings.
- Acquire and transfer real property.
- Issue bonds.
- Borrow money, receive grants, or accept financial or other assistance or investment from the state or the federal government or any other public agency or private lending institution for projects.
- Make loans or grants for owners or tenants to improve, rehabilitate, or retrofit buildings or structures.
- Construct foundations, platforms, and other like structural forms necessary for the provision or utilization of air rights sites for buildings to be used for residential, commercial industrial, or other uses contemplated by the revitalization plan.
- Provide direct assistance to businesses for new or existing facilities for industrial or manufacturing uses.

### 1.3 Qualifying Conditions

Pursuant to GC Sections 62001(d) and 62001(e), the Project Area must meet one of the following for a CRIA to be established:

1. The census tracts or census block groups, as defined by the United States Census Bureau, within the Project Area are situated within a disadvantaged community as described in Section 39711 of the Health and Safety Code (“HSC”).
2. At least 80% of the land (calculated by census tracts and/or census block groups) in the Project Area is characterized by both of the following conditions:
  - a. AMI that is less than 80% of either the statewide, countywide, or citywide AMI; and
  - b. Three (3) of the following four (4) conditions:
    - i. An unemployment rate that is at least 3 percentage points higher than the statewide average.
    - ii. Crime rates in the Project Area are at least 5% higher than the statewide average for violent or property crime offenses or any offense within these categories.
    - iii. Deteriorated or inadequate infrastructure, including streets, sidewalks, water supply, sewer treatment or processing, and parks.
    - iv. Deteriorated commercial or residential structures.

Harris staff analyzed whether the Project Area meets these requirements and presents the findings in this report (“Report”).

## **1.4 Project Area**

### **1.4.1 Boundary**

The Project Area, which corresponds to the Old Town Victorville area with slight modifications, is comprised of approximately 400 acres and is located between Interstate 15 and the eastern boundary of the City. The Project Area includes the historic Old Town core, the area north of the railroad tracks, and the 7<sup>th</sup> Street corridor gateway leading into Old Town. A map of the Project Area is provided in both Appendix A and Appendix B of this Report.

As illustrated in Appendix B of this Report, the Project Area is made up of portions of Census Tracts 98 and 121.01, with Census Tract 98 encompassing most of the Project Area. Specifically, the following areas are in the Project Area:

- Census Tract 98
  - Block Group 1 (most thereof)
  - Block Group 2 (all)
  - Block Group 3 (all or parts of Blocks 3002, 3003, 3006, 3007, and 3018)
  - Block Group 4 (parts of Blocks 4000 and 4003)
- Census Tract 121.01
  - Block Group 3 (all or parts of Blocks 3067, 3074, 3078, and 3086)

Because only a small portion of the Project Area is within the large Census Tract 121.01, Harris analyzed socioeconomic data for Census Block Group 3, rather than the entire Census Tract.

### **1.4.2 Conditions**

Overall, the Project Area is experiencing many socioeconomic and physical challenges. According to the Old Town Specific Plan, homelessness issues are significant in this portion of the City, with reports of widespread drug and alcohol use, loitering, and even prostitution causing clear safety concerns in the Project Area. Additionally, as businesses have left the area, vacant buildings have been a gathering place for homeless individuals, and a string of fires over the last several years has caused the City to demolish abandoned buildings proactively to prevent potential fires and minimize health and safety risks to the community. Because of these actions, former deteriorated and dilapidated structures have been removed, leaving a large number of vacant lots in the area.

## Section 2 Analysis

---

### 2.1 Requirements

As mentioned previously, GC Sections 62001(d) and 62001(e) contain the requirements that proposed CRIAs must meet in order to be established. Harris conducted an analysis of each condition in the proposed Project Area.

The data used to evaluate these conditions comes from CalEnviroScreen, the US Census Bureau, the California Employment Development Department, the California Department of Justice, the San Bernardino County Sherriff's Department, and visual inspection of the area conducted by Harris Staff. The data used is always the most recently available from each source that covers all relevant geographies.

### 2.2 Disadvantaged Community

GC Section 62001(e)(2) establishes that a CRIA can be formed if the census tracts, or census block groups (as defined by the United States Census Bureau) within the area are situated within a disadvantaged community as described in Section 39711 of the HSC.

HSC Section 39711 states that the California Environmental Protection Agency ("CalEPA") shall identify disadvantaged communities for investment opportunities, and defines disadvantaged communities as those having one of the following:

1. Areas disproportionately affected by environmental pollution and other hazards that can lead to negative public health effects, exposure, or environmental degradation; or
2. Areas with concentrations of people that are of low income, high unemployment, low levels of homeownership, high rent burden, sensitive populations, or low levels of educational attainment.

To determine if the Project Area is a disadvantaged community, Harris examined CalEnviroScreen data. According to the California Office of Environmental Health Hazard Assessment ("OEHHA"), disadvantaged communities are defined as the top 25% scoring areas from the CalEnviroScreen.

The CalEnviroScreen places Census Tracts 98 and 121.01 on their 80-85% and 65-70% CalEnviroScreen percentiles, respectively, making Census Tract 98 a disadvantaged community. ***While Census Tract 98 makes up the majority of the Project Area and is identified as a disadvantaged community pursuant to HSC Section 39711, Census Tract 121.01, which includes a small portion of the Project Area, does not meet the requirements of a disadvantaged community.***

### 2.3 Annual Median Household Income

GC Section 62001(d)(1) establishes one of the criteria for CRIA eligibility that at least 80% of the land in a proposed project area (calculated by census tracts, census block groups, or any combination of both) is characterized by an AMI less than 80% of the statewide, countywide, or citywide AMI.

As shown in Table 1, the Project Area AMI is well below 80% of the statewide, countywide, and citywide AMIs and **fulfills this requirement**. In order to more accurately represent the small portion of Census Tract 121.01 in the Project Area, Harris Staff looked at Block Group 3 within Census Tract 121.01. This allows for a more accurate representation of the community in that portion of the Project Area. The AMIs for Census Tract 98 and Block Group 3 of Census Tract 121.01 are \$27,169 and \$20,714, respectively. The AMIs for the City, County, and State are all above \$50,000, making the local AMIs 54% or less of their regional and state counterparts.

### 2.4 Unemployment Rates

GC Section 62001(d)(2) lists four conditions, three of which are needed for CRIA eligibility. The first of the four conditions, established in GC Section 62001(d)(2)(A), is for at least 80% of the land in the Project Area (calculated by census tracts, census block groups, or any combination of both) to be characterized by an unemployment rate at least 3 percentage points higher than the statewide average. The applicable legal section identifies different sources to use for different geographies.

Table 2 below illustrates that the Project Area meets the unemployment requirement. Specifically, the unemployment rate in Census Tract 98 and Block Group 3 of Census Tract 121.01 are 24.8% and 17.7%, respectively. Both are more than 13 percentage points higher than the statewide unemployment rate.

**Table 2 - Unemployment**

**2.5 Crime Rates**

GC Section 62001(d)(2)(B) states that the second of the four conditions for CRIA eligibility is that not less than 80% of the land in the Project Area (calculated by census tracts, census block groups, or any combination of both) is characterized by crime rates in the Project Area that are at least 5% higher than the statewide average crime rate for violent or property crime offenses, or any offense within these categories<sup>1</sup>.

As shown in Table 3, the City (which includes the Project Area) experiences crime rates that are 239% higher for violent crime, 25% higher for burglary, and 48% higher for motor vehicle theft than the State of California. **The Project Area meets the crime rate criterion for violent crime offenses, as well as for burglary and motor vehicle theft, offenses within the property crime category.**

## 2.6 Inadequate Infrastructure

GC Section 62001(d)(2)(C) establishes the third of the four conditions, that not less than 80% of the Project Area land calculated by census tracts, census block groups, or any combination of both within the area is characterized by deteriorated or inadequate infrastructure, including streets, sidewalks, water supply, sewer treatment or processing, and parks.

The Old Town Specific Plan states that the Project Area's infrastructure is sufficient to serve existing conditions. Furthermore, natural gas and electricity infrastructure is sufficient to serve buildout conditions, and new development will be used to fund improvements to the water supply, sewer/wastewater, storm drainage, and solid waste collection, disposal, and recycling infrastructure to serve buildout conditions sufficiently. Based on the Old Town Specific Plan, the **Project Area does not satisfy the criterion of inadequate infrastructure.**

## 2.7 Deteriorated Structures

The fourth of the four conditions for CRIA eligibility is described in GC Section 62001(d)(2)(D), which requires that at least 80% of the Project Area land (calculated by census tracts, census block groups, or any combination of both) is characterized by deteriorated commercial or residential structures.

Harris Staff conducted a field survey of Project Area properties in July 2020 to identify and evaluate the prevalence of deteriorated structures. The criteria and field survey methodology are described in this section.

**2.7.1 Definitions**

Prior to performing a field survey of the Project Area, Harris staff developed a set of standards to determine if a structure is deteriorated. In order to keep its evaluation as compliant with the law as possible, Harris utilized HSC Section 17920.3, which outlines rules and regulations for buildings used for human inhabitation.

HSC Section 17920.3 outlines an array of conditions that can take place inside or outside of a structure and qualify it as a deteriorated structure. However, due to the nature of the field study, which consists of visually evaluating the exterior and does not include entering the structures, Harris condensed the list of qualifying conditions to those visible from the outside each structure. These conditions include:

- 1. Structural hazards:
  - a. Deteriorated or inadequate foundations.
  - b. Members of walls, partitions, or other vertical supports that split, lean, list, or buckle due to defective material or deterioration.
  - c. Members of ceilings, roofs, ceiling and roof supports, or other horizontal members, which sag, split, or buckle due to defective material or deterioration.
  - d. Fireplaces or chimneys, which list, bulge, or settle due to defective material or deterioration.
  
- 2. Faulty weather protection:
  - a. Deteriorated, crumbling, or loose plaster.
  - b. Deteriorated or ineffective waterproofing of exterior walls, roofs, foundations, or floors, including broken windows or doors.
  - c. Defective or lack of weather protection for exterior wall coverings, including lack of paint, or weathering due to lack of paint or other approved protective covering.
  - d. Broken, rotted, split, or buckled exterior wall coverings or roof coverings.

Appendix A illustrates the results of this deteriorated structure field survey.

**2.7.2 Methodology and Findings**

Harris Staff used ArcGIS Collector, a mobile data collection app, to document deteriorated structures, finding them on 322 parcels in the Project Area. Appendix A presents a map of the field survey results. Appendix C presents photos taken during the field survey to illustrate the type and levels of deterioration.

Table 4 summarizes the field survey findings. As shown in the table, Block Groups 1 and 2 of Census Tract 98 constitute more than 80% of the Project Area’s total land area. These two Block Groups are characterized by deteriorated commercial and residential structures. Specifically, 156 parcels in Block Group 1 and 137 parcels in Block Group 2 contain a deteriorated structure, equal to 37% and 34% of the total parcels within the portions of each Block Group in the Project Area. Therefore, the Project Area satisfies the deteriorated structures condition.

**Section 3 Conclusion**

---

Harris conducted a study of the Old Town Victorville Area to determine that the Project Area meets the legal requirements to form a CRIA and to adopt a community revitalization plan therein.

The results of this analysis indicate that the Project Area **does meet the eligibility criteria for CRIA adoption**. More specifically, the Project Area qualifies based on the following characteristics:

1. The AMIs for Census Tract 98 and for Block Group 3 of Census Tract 121.01 are each less than 80% of the statewide, countywide, and citywide AMIs.
2. The unemployment rates for Census Tract 98 and for Block Group 3 of Census Tract 121.01 are more than three percentage points higher than the statewide average.

3. Crime rates for violent crime, as well as for two property crime offenses (i.e., burglary and motor vehicle theft) for the City are more than 5% higher than the statewide rate for the same crime categories. Crime rates are not measured on the census tract level.
4. Block Groups 1 and 2 of Census Tract 98 constitute more than 80% of the Project Area's land and are characterized by deteriorated structures, based on the prevalence of parcels with a deteriorated structure.

With these qualifying conditions met, the City may establish a CRIA for the Project Area, adopt a community revitalization plan, and fund the projects and activities allowed to CRIAs. The City's goals in doing so will be to improve the area's socioeconomic and physical conditions identified in this Report.

General Provisions [62000 - 62008]** ( Part 1 added by Stats. 2015, Ch. 319, Sec. 2. )

**62001.** (a) A community revitalization and investment authority is a public body, corporate and politic, with jurisdiction to carry out a community revitalization plan within a community revitalization and investment area. The authority shall be deemed to be the "agency" described in subdivision (b) of Section 16 of Article XVI of the California Constitution for purposes of receiving tax increment revenues. The authority shall have only those powers and duties specifically set forth in Section 62002.

(b) (1) An authority may be created in any one of the following ways:

(A) A city, county, or city and county may adopt a resolution creating an authority. The composition of the governing board shall be comprised as set forth in subdivision (c).

(B) A city, county, city and county, and special district, as special district is defined in subdivision (m) of Section 95 of the Revenue and Taxation Code, or any combination thereof, may create an authority by entering into a joint powers agreement pursuant to Chapter 5 (commencing with Section 6500) of Division 7 of Title 1.

(2) (A) A school entity, as defined in subdivision (f) of Section 95 of the Revenue and Taxation Code, may not participate in an authority created pursuant to this part.

(B) A successor agency, as defined in subdivision (j) of Section 34171 of the Health and Safety Code, may not participate in an authority created pursuant to this part, and an entity created pursuant to this part shall not receive any portion of the property tax revenues or other moneys distributed pursuant to Section 34188 of the Health and Safety Code.

(3) An authority formed by a city or county that created a redevelopment agency that was dissolved pursuant to Part 1.85 (commencing with Section 34170) of Division 24 of the Health and Safety Code shall not become effective until the successor agency or designated local authority for the former redevelopment agency has adopted findings of fact stating all of the following:

(A) The agency has received a finding of completion from the Department of Finance pursuant to Section 34179.7 of the Health and Safety Code.

(B) Former redevelopment agency assets that are the subject of litigation against the state, where the city or county or its successor agency or designated local authority are a named plaintiff, have not been or will not be used to benefit any efforts of an authority formed under this part unless the litigation has been resolved by entry of a final judgment by any court of competent jurisdiction and any appeals have been exhausted.

(C) The agency has complied with all orders of the Controller pursuant to Section 34167.5 of the Health and Safety Code.

(c) (1) The governing board of an authority created pursuant to subparagraph (A) of paragraph (1) of subdivision (b) shall be appointed by the legislative body of the city, county, or city and county that created the authority and shall include three members of the legislative body of the city, county, or city and county that created the authority and two public members. The legislative body may appoint one of its members to be an alternate member of the legislative body who may serve and vote in place of a member who is absent or disqualifies themselves from

participating in a meeting of the authority. The appointment of the two public members shall be subject to Sections 54970 and 54972. The two public members shall live or work within the community revitalization and investment area.

(2) The governing body of the authority created pursuant to subparagraph (B) of paragraph (1) of subdivision (b) shall be comprised of a majority of members from the legislative bodies of the public agencies that created the authority, and a minimum of two public members who live or work within the community revitalization and investment area. A legislative body of a participating affected taxing entity may appoint one of its members to be an alternate member of the legislative body who may serve and vote in place of a member who is absent or disqualifies themselves from participating in a meeting of the authority. The majority of the board shall appoint the public members to the governing body. The appointment of the public members shall be subject to Sections 54970 and 54972.

(3) If an authority has more than three participating affected taxing entities, the legislative bodies of the taxing entities may, upon agreement by all participating affected taxing entities appoint only one member of their respective legislative bodies, and one alternate member, to the authority, and a minimum of two members of the public chosen by the legislative bodies of the participating entities. The appointment of the public members shall be subject to Sections 54970 and 54972.

(4) For purposes of this subdivision, "legislative body" may include a directly elected mayor of a charter city who is not a member of the city's legislative body under the city's adopted charter.

(d) An authority may carry out a community revitalization plan within a community revitalization and investment area. Not less than 70 percent of the land calculated by census tracts, census block groups, as defined by the United States Census Bureau, or any combination of both within the area shall be characterized by both of the following conditions:

(1) An annual median household income that is less than, at the option of the authority, 80 percent of the statewide, countywide, or citywide annual median income.

(2) Three of the following four conditions:

(A) An unemployment rate that is at least 3 percentage points higher than the statewide average annual unemployment rate, as defined by the report on labor market information published by the Employment Development Department in March of the year in which the community revitalization plan is prepared. In determining the unemployment rate within the community revitalization and investment area, an authority may use unemployment data from the periodic American Community Survey published by the United States Census Bureau.

(B) Crime rates, as documented by records maintained by the law enforcement agency that has jurisdiction in the proposed plan area for violent or property crime offenses, that are at least 5 percent higher than the statewide average crime rate for violent or property crime offenses, as defined by the most recent annual report of the Criminal Justice Statistics Center within the Department of Justice, when data is available on the Attorney General's internet website. The crime rate shall be calculated by taking the local crime incidents for violent or property crimes, or any offense within those categories, for the most recent calendar year for which the Department of Justice maintains data, divided by the total population of the proposed plan area, multiplied by 100,000. If the local crime rate for the proposed plan area exceeds the statewide average rate for either violent or property crime, or any offense within these categories, by more than 5 percent, then the condition described in this subparagraph shall be met.

(C) Deteriorated or inadequate infrastructure, including streets, sidewalks, water supply, sewer treatment or processing, and parks.

(D) Deteriorated commercial or residential structures.

(e) As an alternative to subdivision (d), an authority may also carry out a community revitalization plan within a community revitalization and investment area if it meets any of the following conditions:

(1) The area is established within a former military base that is principally characterized by deteriorated or inadequate infrastructure and structures. Notwithstanding subdivision (c), the governing board of an authority established within a former military base shall include a member of the military base closure commission as a public member.

(2) The census tracts or census block groups, as defined by the United States Census Bureau, within the area are situated within a disadvantaged community as described in Section 39711 of the Health and Safety Code.

(3) Sites identified in the inventory of land in a city or county's housing element that are suitable for residential development pursuant to paragraph (3) or (4) of subdivision (a) of Section 65583.2, including parcels that are zoned to allow transit priority projects, as defined under Chapter 4.2 (commencing with Section 21155) of Division 13 of the Public Resources Code, consistent with the general use designation, density, building intensity, and applicable policies specified for the project area in either a sustainable communities strategy or an alternative planning strategy, for which the State Air Resources Board, pursuant to subparagraph (H) of paragraph (2) of subdivision (b) of Section 65080, has accepted a metropolitan planning organization's determination of the sustainable communities strategy or the alternative planning strategy.

(f) An authority created pursuant to this part shall be a local public agency subject to the Ralph M. Brown Act (Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5), the California Public Records Act (Division 10 (commencing with Section 7920.000) of Title 1), and the Political Reform Act of 1974 (Title 9 (commencing with Section 81000)).

(g) (1) At any time after the authority is authorized to transact business and exercise its powers, the legislative body or bodies of the local government or governments that created the authority may appropriate the amounts the legislative body or bodies deem necessary for the administrative expenses and overhead of the authority.

(2) The money appropriated may be paid to the authority as a grant to defray the expenses and overhead, or as a loan to be repaid upon the terms and conditions as the legislative body may provide. If appropriated as a loan, the property owners and residents within the plan area shall be made third-party beneficiaries of the repayment of the loan. In addition to the common understanding and usual interpretation of the term, "administrative expense" includes, but is not limited to, expenses of planning and dissemination of information.

**TITLE 6. DISTRICTS [58000 - 62312]** ( Title 6 added by Stats. 1951, Ch. 331. )

**DIVISION 4. Community Revitalization and Investment Authorities [62000 - 62208]** ( Division 4 added by Stats. 2015, Ch. 319, Sec. 2. )

**PART 1. General Provisions [62000 - 62008]** ( Part 1 added by Stats. 2015, Ch. 319, Sec. 2. )

**62003.** An authority shall adopt a community revitalization and investment plan that may include project areas and a provision for the receipt of tax increment funds generated within the area according to Section 62005, provided the plan includes each of the following elements:

- (a) A statement of the principal goals and objectives of the plan including territory to be covered by the plan.
- (b) A description of the deteriorated or inadequate infrastructure within the area and a program for construction of adequate infrastructure or repair or upgrading of existing infrastructure.
- (c) A housing program that describes how the authority will comply with Part 2 (commencing with Section 62100). The program shall include the following information:
  - (1) The amount available in the Low and Moderate Income Housing Fund and the estimated amounts that will be deposited in the fund during each of the next five years.
  - (2) Estimates of the number of new, rehabilitated, or price restricted residential units to be assisted during each of the five years and estimates of the expenditures of moneys from the Low and Moderate Income Housing Fund during each of the five years.
  - (3) A description of how the program will implement the requirements for expenditures of funds in the Low and Moderate Income Housing Fund over a 10-year period for various groups as required by Chapter 2 (commencing with Section 62115) of Part 2.
  - (4) Estimates of the number of units, if any, developed by the authority for very low, low-, and moderate-income households during the next five years.
- (d) A program to remedy or remove a release of hazardous substances, if applicable.
- (e) A program to provide funding for or otherwise facilitate the economic revitalization of the area.
- (f) A fiscal analysis setting forth the projected receipt of revenue and projected expenses over a five-year planning horizon, including the potential issuance of bonds backed by tax increment during the term of the plan. Bonds shall be issued in conformity with Article 4.5 (commencing with Section 53506) and Article 5 (commencing with Section 53510) of Chapter 3 of Part 1 of Division 2 of Title 5. An authority shall not spend revenue for any purpose that is not identified as part of a program described in subdivisions (b), (c), (d), and (e).
- (g) Time limits that may not exceed the following:
  - (1) Thirty years for establishing loans, advances and indebtedness.
  - (2) Either of the following:
    - (A) Forty-five years for the repayment of all of the authority's debts and obligations, and fulfilling all of the authority's housing obligations. The plan shall specify that an authority shall dissolve as a legal entity in no more than 45 years from the date upon which the issuance of debt is approved for a plan, or approved for a project area designated by the authority within a plan subject to subparagraph (B), as applicable, and no

further taxes shall be allocated to the authority pursuant to Section 62005. Nothing in this paragraph shall be interpreted to prohibit an authority from refinancing outstanding debt solely to reduce interest costs.

(B) If the authority divides the community revitalization and investment plan into multiple project areas, a date on which the plan will cease to be in effect and all tax allocations to the authority will end and a date on which the repayment of indebtedness with incremental tax revenues received under this chapter will end, not to exceed 45 years from the date the authority or the applicable project area has received one hundred thousand dollars (\$100,000) in annual incremental tax revenues under this chapter. After the time limits established under this subparagraph, an authority or project area shall not receive incremental tax revenues under this chapter. If the authority divides the community revitalization and investment plan into project areas, a separate and unique time limit shall be applicable to each project area that does not exceed 45 years from the date the authority has received one hundred thousand dollars (\$100,000) in incremental tax revenues under this chapter from that project area.

(h) A determination that the community revitalization investment area complies with the conditions described in subdivision (d) or (e) of Section 62001.

*(Amended by Stats. 2021, Ch. 391, Sec. 9. (SB 780) Effective January 1, 2022.)*
