**RESOLUTION NO. 23-101**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE, CALIFORNIA, AMENDING THE MASTER FEE SCHEDULE BY ADJUSTING CERTAIN USER FEES BASED ON THE INCREASE IN THE CONSUMER PRICE INDEX (CPI)**

**WHEREAS**, pursuant to the provisions of the California Constitution and the laws of the State of California, the City is authorized to adopt and impose user and regulatory fees and charges for the municipal services and activities it provides (collectively hereinafter User Fees); and

**WHEREAS**, Article XIIC of the California Constitution generally states that such User Fees may not exceed the reasonable costs of providing the service or performing the activity; and

**WHEREAS**, The City must periodically review User Fees to ensure the revenues produced by said fees are sufficient to defray the cost of providing such services and do not exceed the estimated reasonable cost of providing such services; and

**WHEREAS**, the City Council retained NBS Government Finance Group (NBS) to conduct a comprehensive analysis of user fee services and deliver findings through a User Fee Study; and

**WHEREAS**, the City Council adopted Resolution No. 22-055, which approved and adopted the User Fee Study, the Master Fee Schedule, and implemented an annual review of User Fees and application of the September over September comparison of the Riverside-San Bernardino-Ontario, CA Consumer Price Index (CPI) for implementation on January 1<sup>st</sup> of each year; and

**WHEREAS**, after the review of the CPI application, it is the recommendation to increase fees to ensure financial sustainability to foster fiscal health through cost recovery; and

**WHEREAS**, pursuant to Government Code Sections 66016 and 66018, notice of the proposed adoption of Master User Fee Schedule was provided in the form of a notice mailed to interested parties on fourteen days prior to the hearing, and public hearing notices published on December 8 and December 15, 2023, in the Valley Wide newspaper; and

**WHEREAS**, the proposed Master User Fee Schedule were made available for public review in the City Clerk's office and on the City's website on December 8, 2023; and

**WHEREAS**, the City Council conducted a duly noticed public hearing regarding the proposed adoption of the Master User Fee Schedule at its regularly scheduled meeting on December 19, 2023, during which it heard public testimony and comment; and

**WHEREAS**, adoption of the proposed Master User Fee Schedule is intended to improve the City's recovery of the costs incurred to provide individual services, and represents the costs reasonably borne by the City in providing direct services to particular individuals or groups rather than to the general populace of the City; and

**WHEREAS**, the fees set forth in for adoption in the proposed Master User Fee Schedule represent the reasonable costs incurred by the City in providing the listed services and activities and therefore do not exceed the City’s cost of providing the same.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VICTORVILLE DOES HEREBY RESOLVE, DECLARE, DETERMINE, AND ORDER AS FOLLOWS.**

**Section 1.** The recitals set forth above are true and correct and are incorporated into this Resolution by this reference together with any definitions and findings set forth therein.

**Section 2.** The City Council has reviewed and hereby approves and adopts the Master User Fee Schedule attached hereto as Exhibit A and by this reference incorporated herein, reflecting adjustments to certain user fees based on the September 2023 over September 2022 CPI, as well as other adjustments that serve to eliminate, reduce and/or modify certain user fees.

**Section 3.** The City Council hereby finds and determines that the adjusted user fees established herein do not exceed the estimated reasonable cost of providing the services and activities to which the fees are levied.

**Section 4.** The City Council finds that the setting or revising of fees pursuant to this Resolution is exempt from environmental review under the California Environmental Quality Act (“CEQA”), pursuant to Public Resources Code Section 21080(b)(8) and Section 15272 of the CEQA Guidelines, which provide an exemption for the establishment or modification of charges by public agencies that the public agency finds are for the purpose of meeting operating expenses. Based on the record as a whole, the establishment or modification of fees or other charges pursuant to this Resolution is entirely for the purpose of meeting operating expenses in that none of the recommended fees or fee increase would recover more than one hundred percent of the cost incurred by the City to deliver the service provided

**Section 5.** This Resolution shall take effect immediately upon its adoption. However, the User Fees set forth in the Master User Fee Schedule in the attached Exhibit A shall not be in force or effective until January 1, 2024.

**Section 6.** The City Clerk shall certify to the passage an adoption of this Resolution; shall enter the same in the book of original resolutions; and shall make a minute of passage and adoption thereof in the records of the proceedings, in the minutes of the meeting at which this Resolution is passed and adopted.
