Exceptions to the 9/80 schedule may be approved by the City Manager if it is determined that it is in the best interest of the City. For all non-exempt, employees, including Safety Shift Personnel, only hours actually worked will be counted when calculating overtime pay. Approved paid leave shall not be considered as time worked for the purpose of computing the total number of hours worked in the work period. Overtime is calculated pursuant to federal law.

Per Resolution No. 22-096, any overtime pay provided to the Battalion Chiefs is a benefit provided pursuant

to this resolution and is not required under the FLSA; and thus, the City will compensate Battalion Chiefs' overtime at a rate which will be one and one-half times the Battalion Chief's base hourly rate.

Regular hours worked each pay period will continue to be paid at a standard 112 hours and not based on the actual shift hours worked.

Extra hours actually worked in a pay period will be computed as overtime based on the standard 112 hours that are paid in each pay period for the Battalion Chief classification. An example is provided in Exhibit A to Resolution No. 22-096 for further illustration.

All overtime work is subject to pre-approval by the Fire Chief; and the Fire Chief may authorize overtime for shift work or emergency incidents beyond the Battalion Chiefs' regularly scheduled assignments.

Time spent in meetings and trainings outside the Battalion Chiefs' regularly scheduled assignments, as preapproved by the Fire Chief, will be compensated at the overtime rate.

The Battalion Chiefs will no longer qualify for Executive Leave under Rule IV, Section 5 of the City's Personnel Rules and Regulations.

The Battalion Chief/Deputy Fire Marshal and the Battalion Chief assigned to the Training Division will continue to be eligible for Executive Leave under Rule IV, Section 5 of the City's Personnel Rules and Regulations for extra hours worked beyond their 9/80 work schedule and directly related to their primary assignments. However, if either position works beyond their primary assignment to cover as Battalion Chief over a suppression shift, or assist on incidents, the City will compensate such hours as overtime at a rate which will be one and one-half times the Battalion Chief's base hourly rate based on a 56-hour workweek.

City of Victorville Fire Department Additional Compensation – Included in Memorandum of Understanding in effect May 17, 2022, through May 16, 2027.
