SCAN ME

2 SORT RIGHT

Put BAGGED food waste & loose garden trimmings into your GREEN organics cart, recyclables into your BLUE recycle cart, and trash into your BLACK trash cart.

CONTEST RULES - The Contest is limited to City of Victorville residents using cart service. Materials found in the wrong cart will disqualify the residence. Only one entry form per residence. Contestants must be 18 years or older to enter. Winners will be notified by phone and/or email. Entries close on September 3, 2024.

SORTING REQUIREMENTS - There must only be bagged food waste & loose yard trimmings in the green organics cart, recyclables in the blue recycle cart, and trash in the black trash cart. No purchase necessary to win.

GREEN ORGANICS CART

Bagged food waste such as eggshells, fruit peelings, vegetable scraps, coffee grounds, meat, poultry, fish, and bones. Loose yard trimmings such as leaves, grass clippings, tree trimmings, dead flowers, plants, twigs & branches.

BLUE RECYCLE CART

Office paper, cardboard, clean paper bags, glass bottles & jars, tin & aluminum cans and foil, plastic jars, bottles, tubs & trays labeled #1-#7.

BLACK TRASH CART

Plastic bags, diapers, pet waste, hoses, gloves, sponges, soiled cardboard & napkins, straws, film, bubble wrap, snack & candy wrappers and chip bags.

Resident's Guide to Sorting Trash, Recycling, Organics, & Hazardous Waste

Good news! You can now help conserve resources and reduce the impacts of the climate change by participating in the **City of Victorville's** new **residential organics program**. CA state law SB 1383 and Victorville Municipal Code Chapter 6.37 require **organics** such as **food scraps** and **yard trimmings** to be diverted from the trash.

Organics - Put in the GREEN cart.

Place any **food waste** into a **plastic bag** and tie it shut. This includes eggshells, food scraps, coffee grounds, and meat & bones. Place any **yard waste** **LOOSELY** into the green organics cart.

bagged food waste/scraps

loose yard trimmings

Recycle - Put in the BLUE cart.

Place all clean, dry, and empty recyclable items in the blue cart. **NO plastic bags.**

office paper, cardboard, & brown paper bags

glass bottles & jars

tin & aluminum cans and foil

plastic jars, bottles, tubs, & trays

Trash - Put in the BLACK cart.

Place all non-recyclable, non-organic items in the black cart to go to the landfill.

plastic bags, film, & bubble wrap

snack and candy wrappers & chip bags

diapers, pet waste, gloves, sponges, & hoses

plastic cutlery, paper plates, pizza boxes, napkins, & straws

Hazardous/Universal Waste

Take all hazardous/universal waste to our free Household Hazardous Waste Collection Center (HHWCC) on Loves Lane (behind the SB County Fairgrounds) open every Wed. & Sun. from 9 a.m. to 4 p.m.

needles/sharps

paint

batteries

medication

used oil & filters

Bulky Items - You Have Options!

Victorville residents on cart service can call Victorville Disposal at (760) 245-8607 to claim two free bulky item pickups (up to 5 items each) and/or use our Victorville Recycling Drop-off Center for bulky items* on 15164 Anacapa Road in Victorville. Open M-F 8 a.m. to 4 p.m. & Sat. 8 a.m. to 12 p.m.

*MUST BE A CITY OF VICTORVILLE RESIDENT & PROVIDE A VALID PHOTO ID & CURRENT UTILITY BILL TO DROP OFF BULKY ITEMS.

Guía Residencial de Separación de Basura, Reciclaje, Orgánico y Residuos Peligrosos

¡Buenas noticias! Ahora tú puedes ayudar a conservar los recursos y reducir los impactos del cambio climático mediante la participación en la Ciudad de Victorville's nuevo programa residencial de residuos orgánicos. CA ley estatal SB 1383 y el Código Municipal de Victorville Capítulo 6.37 requieren que los residuos orgánicos tales como los restos de comida y recortes de jardín, se desvíen de la basura.

Residuos orgánicos - Colóquelos en el carrito VERDE.

Coloque los restos de comida en una bolsa de plástico y ciérrala. Esto incluye cáscaras de huevo, restos de comida, posos de café, carne y huesos. Deposite los residuos de jardinería en el contenedor verde SIN bolsa.

restos de comida **en bolsas**

recortes de jardín **suelos**

Reciclaje - Colóquelos en el carrito AZUL.

Deposite todos los artículos reciclables limpios, secos y vacíos en el carro azul. **NO se permiten las bolsas de plástico.**

papel de oficina, cartón y bolsas de papel

botellas y vasos de vidrio

latas y papel de aluminio

botellas, cubetas, y bandejas de plástico

Basura - Colóquelos en el carrito NEGRO.

Deposite todos los artículos no reciclables ni orgánicos en el carro negro para que vayan al vertedero.

bolsas de plástico, envoltura y plástico de burbujas

envoltorios de botanas y dulces y bolsas de papas

pañales, residuos de mascotas, guantes, esponjas y mangueras

cuchillería de plástico, platos de papel, cajas de pizza, servilletas y pajitas

Residuos Peligrosos/Universales

Lleve todos los residuos peligrosos/universales a nuestro Centro de Recogida de Residuos Peligrosos en Loves Lane (detrás de los Fairgrounds del Condado de SB) abierto todos los miércoles y domingos de 9 a.m. a 4 p.m.

agujas

pintura

pilas

medicamento

aceite de carro y filtros

Artículos Voluminosos - Tiene opciones!

Los residentes de Victorville en casa unifamiliar pueden llamar Victorville Disposal - (760) 245-8607 para reclamar dos recogidas gratis de artículos voluminosos (hasta 5 artículos) y / o utilizar nuestro Centro de Reciclaje para artículos voluminosos* en 15164 Anacapa Road en Victorville. Abierto de lunes a viernes de 8 a.m. a 4 p.m. y sábados de 8 a.m. a 12 p.m.

*DEBE SER RESIDENTE DE LA CIUDAD DE VICTORVILLE Y PRESENTAR UNA IDENTIFICACIÓN VÁLIDA CON FOTO Y RECIBO DE UTILIDADES.

Rev 03-2024

WHAT ARE YOU
POURING
DOWN THE
SINK?

NO GREASE
NO OILS
NO FATS

PROTECT YOUR HOME & THE ENVIRONMENT

FOG (Fats, oils and grease) is a byproduct of cooking. It comes from meat, lard, oil, shortening, butter, margarine, food scraps, baking goods, sauces and dairy products.

When grease washes down the sink, it sticks to the insides of the pipes that connect your home or business to the City's sewer. Eventually, the grease can build up until it completely blocks sewer pipes. That can create difficult and expensive maintenance problems for both the City and homeowners.

Garbage disposals don't keep grease out of sewer pipes. Products that claim to dissolve grease may dislodge a blockage, but is temporary until the grease hardens again!

HOW YOU CAN HELP!

- Don't pour grease down sink drains or toilets.
- Scrape grease and food scraps into the trash.
- Or, pour grease into tin cans, let it harden and throw in the trash.
- Catch food scraps & other solids with a strainer in the sink drain, and empty the strainer into the trash.
- Remember, your garbage disposal is not a trash can. Try to minimize its use.

FOR MORE INFORMATION...

Please visit us at:
www.VictorvilleCA.gov/PublicWorks
Or call us at: **760.241.6365**

Household Hazardous Waste Collection Center is located behind the SB County Fairgrounds. Enter from 7th Street at Desert Knoll Drive and turn right on Love Lane. (Free Drop-offs) Open Wednesdays and Sundays from 9:00 AM to 4 PM.

PLEASE DISPOSE OF WASTE PROPERLY

Only human waste and toilet paper should go down the toilet. When other items are flushed down the toilet, sewer overflows can occur. Sewer overflows can cause health problems, property damage and threaten the environment.

All of these items should be put in the trash except for Sharps & Medicines.

*Sharps and Medicines should not be put in the trash but should be taken to the **Household Hazardous Waste Collection Center**. See address on the back.

NO DRUGS DOWN THE DRAIN!

Once it was common practice to flush expired medications down the toilet. We now know that some of these substances are bad for our environment. They can get into surface waters, soils, and groundwater.

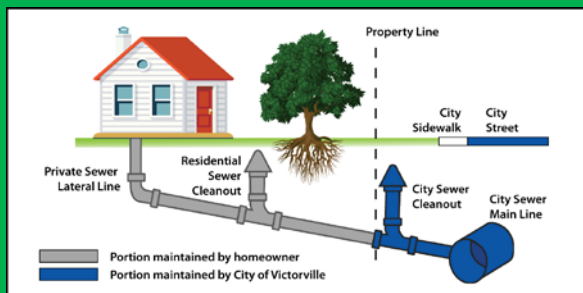

The federal government has released new guidelines for disposal of pills.

HOW TO DISPOSE OF UNUSED PILLS

- Remove all personal information from containers.
- Place the medicine in an empty can or sealable bag.
- Seal the container and **take it to the HHW Center**.
- Always keep medicines away from the drain, children and pets.
- Expired medications can be dropped off at the HHW Collection Center (See address on the back)

PROTECT YOUR SEWER SYSTEM FROM OVERFLOWS

Care & maintenance of the private sewer line is the homeowner's responsibility. Regular cleaning is essential to keep the waste flowing!

IN CASE OF A BLOCK...

If your lateral line is blocked, it's your responsibility to find the cause and remove the blockage. Most licensed plumbers provide services to clear a lateral.

If the licensed plumber determines that the blockage is caused by the City's portion of the line, immediately contact the Public Works Department at (760) 241-6365.

Personnel will be dispatched to investigate.
