**TO:** OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE VICTORVILLE REDEVELOPMENT AGENCY

**FROM:** VARNER & BRANDT LLP

**SUBJECT:** TRANSMITTAL OF JANUARY 21, 2016 OVERSIGHT BOARD MEETING AGENDA ITEM #2

**DATE:** JANUARY 18, 2016

---

The following memorandum provides the seven board members (“Board Members”) of the Oversight Board (“Oversight Board”) for the Successor Agency to the Victorville Redevelopment Agency (“Successor Agency”) with pertinent information in order for each Board Member to make an informed decision on the matters before the Oversight Board.

**Agenda Item No.: 2**

**Subject: Approval of Recognized Obligation Payment Schedule (ROPS) 16-17.** The Successor Agency seeks the approval of the Oversight Board of the Recognized Obligation Payment Schedule (“ROPS”) and Administrative Budget of the Successor Agency for the period of July 1, 2016, through June 30, 2017 (“ROPS 16-17”).

**Legislative Authority of the Oversight Board:**

1. *California Health and Safety Code Section 34177(h):* The Successor Agency must expeditiously wind down the affairs of the former redevelopment agency in accordance with the direction of the Oversight Board.
2. *California Health and Safety Code Sections 34177(o)(1) and 34180(g):* The Successor Agency must prepare and obtain Oversight Board approval of ROPS for each fiscal year.
3. *California Health and Safety Code Section 34177(l)(2):* ROPS are only deemed valid if the Successor Agency: (i) prepares the ROPS for the enforceable obligations of the former redevelopment agency; (ii) submits the ROPS to the Oversight Board and the Oversight Board approves the ROPS; (iii) simultaneously submits ROPS to (a) the county administrative officer, (b) the county auditor-controller, and (c) the Department of Finance (“DOF”); (iv) submits a copy of the Oversight Board-approved ROPS to (a) the county auditor-controller, (b) the State Controller’s office, and (c) the DOF; and (v) posts the approved ROPS on the Successor Agency’s website.
4. *California Health and Safety Code Section 34177(o):* The Successor Agency must electronically submit the ROPS approved by the Oversight Board for the period of July 1, 2016, through June 30, 2017, to the DOF and to the county auditor-controller no later than February 1, 2016.

5. *California Health and Safety Code Section 34177(j)*: The Successor Agency must prepare a proposed administrative budget approved by the Oversight Board for the upcoming fiscal year, which budget identifies administrative costs, sources of payment, and proposed arrangements for administrative and operations services provided by the city, county or other entities.

***Discussion:*** SB 107 amended the Dissolution Legislation to require the Successor Agency to prepare a ROPS that identifies enforceable obligations and the amounts and funding sources of the enforceable obligations on a 12-month, rather than the previous 6-month, forward-looking basis. SB 107 also specifies a process for amending the ROPS, whereby no later than October 1 and with the approval of the Oversight Board, the Successor Agency may submit one (1) amendment to the ROPS to make necessary changes to the payment amount of approved enforceable obligations. This amendment process may only be made to payments due during the second half of the ROPS period (i.e., January 1 through June 30).

The Successor Agency requests the Oversight Board approve the ROPS for the period of July 1, 2016, through June 30, 2017 and approve the Successor Agency's Administrative Budget for the same period. Both approval requests are properly before the Oversight Board. The Oversight Board holds approval authority over the ROPS and Administrative Budget for the period of July 1, 2016, through June 30, 2017.

The Oversight Board should review enforceable obligations not included in previous ROPS or not otherwise previously approved by the Oversight Board. The Oversight Board should examine new enforceable obligations to ensure compliance with the California Health and Safety Code. As a threshold inquiry, the DOF will want to ensure that each obligation arose on or prior to June 27, 2011, or constitutes an allowable enforceable obligation necessary for the winding down of the former redevelopment agency. Items that either do not have effective dates or have effective dates that are after June 27, 2011, may require further inquiry or discussion with Successor Agency staff, including enforceable obligations entered into by the Successor Agency.

We note the following new or revised items on the ROPS:

1. ROPS Item #49 – Contract Services; This entry reflects costs related to various appraisals of properties reflected under the approved Long-Range Property Management Plan.
2. ROPS Item #50 – The prior audit firm has been replaced by a new firm and the estimated audit costs associated with services provided to the Successor Agency are reflected in this new entry.
3. ROPS Items #51 – This is a new entry for costs associated with an evaluation and report concerning the unfunded CalPERS pension liabilities for the former RDA employees. The evaluation and report will be used to determine outstanding obligations/liabilities to be included on future ROPS.

END OF MEMO

DISCUSSION:

On January 17, 2012, the City of Victorville confirmed its designation as Successor Agency to the Victorville Redevelopment Agency. As you know, the role of the Successor Agency is to wind down the affairs of the former redevelopment agency. Among other things, the Successor Agency is responsible for performing contractual obligations of the former RDA, and continuing payments required by the former RDA.

The Successor Agency must prepare a Recognized Obligation Payment Schedule (ROPS) per Health & Safety Code 34177(l). The purpose of each ROPS is that it will be the basis by which the State Department of Finance (DOF) determines the amount of funds necessary to be passed through to the Successor Agency from the County Auditor-Controller to satisfy the former RDA's obligations.

Attached for your approval is the ROPS 16-17 which includes the proposed Successor Agency obligations for the timeframe covering July 1, 2016 through June 30, 2017. The DOF has created a new ROPS template for 16-17, which represents the first annual ROPS (as opposed to 6-months). In the new template, the Prior Period Adjustment form has been eliminated to allow for the transition to an annual ROPS. The attached report has been prepared using the approved format. The draft was uploaded to the DOF's ROPS website and "passed" validation, which simply means there are no formatting or formula errors.

Pursuant to HSC Section 34177(o) (1) (E), the Successor Agency may submit one amendment to the ROPS as approved by the Oversight Board no later than October 1 of each year. Such Amendment must deal with the second half (January 1 through June 30) of each annual ROPS period and may amend dollar amounts requested for an approved enforceable obligation.

The total RPTTF funding requested for the period is \$8,663,403 which includes an Administrative Budget of \$491,046. Many of the items listed have appeared in previous ROPS submittals; however, one new item was added to ROPS 16-17 as listed below:

Item #51: This item has been added to the ROPS to fund a report to evaluate the unfunded CalPERS pension liabilities of the former RDA employees. These liabilities have not been addressed on any previous ROPS which could place an undue burden upon the City of Victorville's various funding sources that have or will make the payments on the accrued liabilities. The report will be used as a basis to add such outstanding liabilities to future ROPS as payments from the Redevelopment Property Tax Trust Fund, which is held by the County Auditor Controller and represents the tax increment of the former Agency.

Additionally, several items have been "retired" as outstanding obligations of the RDA on ROPS 16-17, representing an item that no longer has an outstanding balance and will be eliminated from future ROPS requests. Such items include:

- #7 and 8, Foxborough Rail – The DOF has previously denied funding for this item, indicating the ongoing contract between the RDA and BNSF that

necessitates such maintenance runs contrary to the dissolution law; accordingly, the item has been retired.

- Item #9, Audit - Because the City's auditing firm has changed from Mayer Hoffman McCann to Davis Farr, LLP, Item #9 has been retired and the estimated audit costs for the Successor Agency have been moved to new line Item #50.
- Items #10, 11, 12, 13, and 14, Auto Park Association and Auto Park Sign – During the last ROPS review cycle, the DOF analyst assigned to Victorville indicated this item should be retired because the SA's Long Range Property Management Plan (LRPMP) has now been approved, and the disposition of the Auto Park Sign should occur soon; accordingly, the items have been retired.
- Items #37, 38, 39, 43, Pass Through Payments for Bear Valley Cooperation Agreements - Staff believes all payments required pursuant to these agreements have been made; accordingly, the items have been retired.
- Item # 48, Unfunded sick and vacation leave liabilities of former RDA employees – This item was fully funded in the ROPS 15-16B period; accordingly the item has been retired.

Staff is requesting your approval of ROPS 16-17 for submission to the Oversight Board, and then to the DOF. The ROPS is due February 1, 2016, with anticipated determination from DOF by April 15, 2016 and anticipated funding on June 1, 2016 and January 2, 2017.

Staff remains available for any questions or comments you might have.
