The regular meeting of the Oversight Board for the Successor Agency to the Victorville Redevelopment Agency was called to order at 1:30 p.m. by Chairman Metzler in Conference Room "D", Victorville City Hall, at 14343 Civic Drive, Victorville, California.

PRESENT: Board Members Debbie Betts, Karen Hardy, Janice Lindsay, Keith Metzler, Mary O'Toole, Doug Robertson and Anita Tuckerman

ABSENT: None

1. PUBLIC COMMENT

There was no public comment.

DISCUSSION AGENDA

2. APPROVE MINUTES FROM DECEMBER 17, 2015 AND JANUARY 21, 2016 MEETINGS

It was moved by Board Member O'Toole, seconded by Board Member Lindsay to approve; motion carried with Board Member Hardy absent.

3. RESOLUTION NO. OB-VRDA-16-002 OF THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE VICTORVILLE REDEVELOPMENT AGENCY APPROVING AMENDMENT 1 TO PROFESSIONAL SERVICES AGREEMENT WITH VARNER & BRANDT FOR OVERSIGHT BOARD LEGAL SERVICES

Ms. Smith reported that the current agreement with Varner & Brandt was on a month to month basis and that by approving Resolution No. OB-VRDA-16-002, the agreement would be extended through the 2017 ROPS submission.

It was moved by Board Member Robertson, seconded by Board Member Tuckerman to adopt Resolution No. OB-VRDA-16-002; motion carried with Board Member Hardy absent.

4. RESOLUTION NO. OB-VRDA-16-003 OF THE OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE VICTORVILLE REDEVELOPMENT AGENCY APPROVING A PURCHASE AND SALE AGREEMENT BY AND BETWEEN THE SUCCESSOR AGENCY TO THE VICTORVILLE REDEVELOPMENT AGENCY AND THE CITY OF VICTORVILLE FOR THE AUTO PARK SIGN PROPERTIES

Board Member Hardy arrived at 1:35 p.m.

Ms. Smith reported that the Department of Finance approved the Long Range Property Management Plan and thereby approved the distribution of property assets included in the plan. The auto park sign properties are subject to use restrictions that affect the marketability of the property. The properties were appraised at \$8,400.00, the fair market price of the land minus improvements. The Successor Agency is seeking to sell these properties to the City of Victorville who will facilitate the continued use of the property in connection with the advertising needs of the auto park and public service announcements.

Discussion ensued regarding the viability of selling the properties for the appraised price of the land as well as the price of the improvements made to the land (the electronic billboards) in the amount of approximately \$271,000.

It was determined that due to the land use restrictions and CalTrans permitting restrictions, that the City would be the only viable purchaser of the property.

It was moved by Board Member Lindsay, seconded by Board Member Robertson to adopt Resolution No. OB-VRDA-16-003 contingent to the inclusion of the required indemnity language as suggested by counsel; motion carried with Board Members Hardy and Tuckerman voting no.

5. COMMENTS FROM OVERSIGHT BOARD LEGAL COUNSEL AND STAFF

There were no comments.

6. ADJOURNMENT

It was moved by Board Member Tuckerman, seconded by Board Member Hardy to adjourn the meeting at 2:20 p.m.; motion carried unanimously.

CLIENT MEMORANDUM

TO: OVERSIGHT BOARD FOR THE SUCCESSOR AGENCY TO THE VICTORVILLE REDEVELOPMENT AGENCY

FROM: VARNER & BRANDT LLP

SUBJECT: TRANSMITTAL OF JULY 14, 2016 OVERSIGHT BOARD MEETING AGENDA ITEM #3

DATE: JULY 1, 2016

The following memorandum provides the members of the Oversight Board ("Oversight Board") for the Successor Agency to the Victorville Redevelopment Agency ("Successor Agency") with pertinent information in order for each Board Member to make an informed decision on the matters before the Oversight Board.

Agenda Item No.: 3

Subject: *Approval of Agreement to Terminate and Release Owner Participation Agreement.* The Successor Agency seeks the approval of the Oversight Board to approve the execution of an Agreement to Terminate and Release Owner Participation Agreement ("Termination Agreement") concerning that certain Owner Participation Agreement, dated November 18, 2008 ("Original OPA"), as amended by that certain First Amendment to Owner Participation Agreement dated August 18, 2009 ("First Amendment"), as amended by that Second Amendment to Owner Participation Agreement dated September 22, 2010 ("Second Amendment") (collectively, the "OPA").

Legislative Authority of the Oversight Board:

1. *California Health and Safety Code Section 34171(d)(1)(E):* The Successor Agency, with the approval or at the direction of the Oversight Board, or the Oversight Board itself may terminate any existing agreements or contracts and provide any necessary and required compensation or remediation for such termination.
2. *California Health and Safety Code Section 34177(c):* The Successor Agency must perform obligations required pursuant to any enforceable obligation.
3. *California Health and Safety Code Section 34177(h):* The Successor Agency must expeditiously wind down the affairs of the former redevelopment agency in accordance with the direction of the Oversight Board.
4. *California Health and Safety Code Section 34181(e):* The Oversight Board must direct the Successor Agency to determine whether any contracts, agreements, or other arrangements between the dissolved redevelopment agency and any private parties should be terminated or renegotiated to reduce liabilities and increase net revenues to the taxing entities, and present proposed termination or amendment agreements to the Oversight Board for approval. The

Oversight Board may approve any amendments to or early termination of those agreements if it finds that amendments or early termination would be in the best interests of the taxing entities.

Discussion: The Successor Agency staff report, included with your Oversight Board materials, provides a brief background summary regarding the OPA.

The former redevelopment agency agreed to provide monetary assistance (or reimbursement) to the original developer (referred to as the “Participant” in the Original OPA) in an amount not to exceed \$5,500,000.00 for the installation of certain public improvements identified in Exhibit B of the OPA. Section 3 of the OPA identifies the various distribution amounts for the specified public improvements. The obligation of the former redevelopment agency to provide monetary reimbursement is expressly conditioned on the Participant substantially completing each applicable phase of the project within certain specified performance dates. If the Participant (or its successors) fails to substantially complete any phase within the specified time, the Participant (or its successors) must repay a portion of the funds received.

According to Section 5(b) of the OPA:

“...in the event Participant fails to substantially complete any portion of the Project, within the required time-frames set forth below and in the Schedule of Performance, Participant shall repay the Agency a pro rata portion of the Agency Assistance disburse relating to the construction of the Public Improvements; subject to adjustments if not all Agency Assistance is disbursed as provided below. Such pro rata portion shall be determined as follows: (i) to the extent the Participant fails to cause substantial completion of Phase 2A prior to December 31, 2012, Participant shall repay to the Agency thirty-five percent (35%) of the Agency Assistance; (ii) to the extent Participant fails to cause substantial completion of Phase 2B prior to December 31, 2012, Participant shall repay to the Agency twenty-three percent (23%) of the Agency Assistance; (iii) to the extent Participant fails to cause substantial completion of Phase 3A prior to December 31, 2010, Participant shall at such time repay to the Agency two percent (2%) of the Agency Assistance; (iv) to the extent Participant fails to cause substantial completion of Phase 3B prior to December 31, 2011, Participant shall at such time repay to the Agency eighteen percent (18%) of the Agency Assistance; and (v) to the extent Participant fails to cause substantial completion of Phase 4B prior to December 31, 2011, Participant shall at such time repay to the Agency twenty-two percent (22%) of the Agency Assistance.”

Due to difficult economic and market conditions, on January 30, 2012, the parties agreed to extend the planned timeline for the project by an additional four (4) years.

The Successor Agency staff confirmed that approximately \$992,580.00 was paid by the former redevelopment agency to the Participant for completion of certain off-site public improvements. The Participant (or its successor) previously repaid approximately \$19,852.00 to the Successor Agency for failure to substantially complete Phase 3A by December 31, 2014 (based on the extended time). Since substantial completion of Phase 3B and Phase 4B did not occur by December 31, 2015 (based on the extended time), the Successor Agency is entitled to receive repayment from Participant (or its successor) of an additional portion of the financial assistance equal to approximately \$389,091.00.

The Participant contends that the economic downturn has rendered the project no longer economically feasible and completion of the project in accordance with the OPA can no longer be achieved. As a consequence, the Participant is seeking termination of the OPA.

Similarly, the Successor Agency staff evaluated the OPA and also believes that completion of the project pursuant to the OPA is no longer feasible. Although the Successor Agency staff recognizes that the Successor Agency may be eligible for reimbursement of certain sums paid to the Participant, staff has determined that efforts to recoup such reimbursable amounts will require significant time and financial resources, and ultimately likely require protracted litigation. Finally, Successor Agency staff believes that despite the project not reaching full completion, the City of Victorville and the Successor Agency have received the benefit of significant public improvements and increased tax revenues from those portions of the project that have been completed. Therefore, Successor Agency staff recommends termination of the OPA.

The Successor Agency may identify an agreement that otherwise qualifies as an enforceable obligation and seek termination of that agreement. The authority and approval to terminate an identified agreement requires the consent of the Oversight Board. (Health and Safety Code section 34171(d)(1)(E)) It is the responsibility of the Oversight Board to review the agreement, including the circumstances surrounding the agreement, and determine if termination is in the best interest of the taxing entities. With the matter at hand, if the OPA remains effective, the terms of the OPA would likely need to be amended to afford additional time for the development and the Successor Agency's corresponding obligation to reimburse the Participant (or its successor) would remain a continuing liability. Assuming the time for performance under the OPA is extended, the Successor Agency's remaining reimbursement obligation amount owed under the OPA is approximately \$4,000,000.00. The Oversight Board must evaluate and consider whether it is in the best interest of the taxing entities (financially or otherwise) to either terminate the OPA or to not terminate the OPA and pursue repayment from the developer (i.e., current developer) of a portion of the amount previously paid by the former redevelopment agency and pursue such other remedies available under the OPA resulting from the developer's breach.

We have reviewed the proposed Termination Agreement, a copy of which is included with your Oversight Board materials. The Termination Agreement is limited to the termination of the rights, obligations, and liabilities of the parties under the Original OPA. The agreement contains a general release which covers the City of Victorville and the Successor Agency. The Oversight Board may consider broadening the general release to also include the Oversight Board and also broaden the scope of the release to include the more far-reaching language of a Section 1542 waiver.

RECITALS

WHEREAS, the former Victorville Redevelopment Agency ("Former RDA") previously entered into that certain Owner Participation Agreement with WPI Development 1, Inc., a California corporation ("WD1") and WPI Development 2, Inc., a California corporation ("WD2") (collectively, the "Participant"), dated as of November 18, 2008, and recorded as Document No. 2009-0249852 in the Official Records of the County of San Bernardino, California (the "Original OPA") for the purposes of redeveloping certain real property consisting of approximately fifty-six (56) acres in the City of Victorville (the "City"), all as more fully described in the Original OPA and incorporated herein by this reference (the "Property"); and

WHEREAS, the Former RDA, Participant, Civic-Rogers, Amroyciv and In-n-Out Burgers, a California corporation ("INO") previously entered into that certain First Amendment to the Original OPA dated as of August 18, 2009, and recorded as of September 4, 2009 as Document No. 2009-0392026 in the Official Records of the County of San Bernardino, California (the "First Amendment"), wherein: 1) WD1 assigned all of its interest under the Original OPA to Civic-Rogers,

and WD2 assigned all of its interests under the Original OPA to Amroyciv, and Civic-Rogers and Amroyciv, respectively, assumed such interests; and 2) the Former RDA consented to the transfer of a portion of the Property to INO in accordance with the terms and conditions of the First Amendment; and

WHEREAS, Civic-Rogers, Amroyciv and CFT Developments, LLC, a California limited liability company, and the Former RDA entered into that certain Second Amendment to Owner Participation Agreement, dated as of September 22, 2010, and recorded as Document No. 2010-0467124 in the San Bernardino County Recorder's Office (the "Second Amendment"), which Second Amendment amended that certain Original OPA and the First Amendment; and

WHEREAS, pursuant to the Original OPA, First Amendment and Second Amendment, the Former RDA agreed to provide certain assistance (the "Agency Assistance") with respect to the development of a project as more fully described in the Original OPA (the "Project") by reimbursing Participant and its successors in interest for certain costs associated with the installation of certain off-site public improvements required to be installed by Participant and its successors in interest as a condition of the City's approval of the Participant's site plan and parcel map for the Project (the "Public Improvements"); and

WHEREAS, as of February 1, 2012, the Former RDA was dissolved by virtue of Health & Safety Code Section 34172, and all authority, rights, powers, duties, and obligations previously vested with the Former RDA (except for the Former RDA's housing assets and functions), under the Community Redevelopment Law (Health and Safety Code Section 33000 et seq., the "CRL"), including the Former RDA's rights, powers and duties under the OPA, have been vested in the Successor Agency under Health and Safety Code Section 34173; and

WHEREAS, pursuant to Health and Safety Code Section 34171 (d) (1) (E), the Successor Agency, with the approval or at the direction of the Oversight Board for the Successor Agency to the Victorville Redevelopment Agency ("OB"), may terminate any existing agreements or contracts; and

WHEREAS, pursuant to Health & Safety Code Section 34181, the OB has the ability to:

“(e) Determine whether any contracts, agreements, or other arrangements between the dissolved redevelopment agency and any private parties should be terminated or renegotiated to reduce liabilities and increase net revenues to the taxing entities, and present proposed termination or amendment agreements to the oversight board for its approval. The board may approve any amendments to or early termination of those agreements if it finds that amendments or early termination would be in the best interests of the taxing entities.”; and

WHEREAS, due to the legal and financial impacts of Assembly Bill No. 1x26 (Ch 5, filed with the Secretary of State June 28, 2011) ("AB 26") and Assembly Bill No. 1484 (Ch 26, filed

with the Secretary of State June 27, 2012) (“AB 1484”), it is no longer feasible for the Parties to implement the terms of the Original OPA, as amended, and the Parties desire to terminate the Original OPA, as amended, and all the rights and obligations of parties to the Original OPA, as amended, under the terms of this Agreement; and

WHEREAS, the obligations of the Former RDA to provide Agency Assistance has been listed on the Successor Agency’s 2016-2017 Recognized Obligation Payment Schedule (July 1, 2016 through June 30, 2017), approved by the Successor Agency indicates that pursuant to the Original OPA, the outstanding obligation of debt amounted to \$4,507,420.00, which outstanding obligation of debt would otherwise remain in place until all of the obligations under the Original OPA were deemed satisfied in full; and

WHEREAS, the Parties deem it appropriate to enter into this Agreement to Terminate and Release Owner Participation Agreement in order to eliminate such outstanding debt obligation, especially in light of the fact that as a result of the global economic recession, the ability of Participant and its successors in interest to complete the Project in accordance with the terms of the Original OPA are impractical, if not impossible; and

WHEREAS, the Parties further deem it appropriate to enter into this Agreement to Terminate and Release Owner Participation Agreement based on the following facts and circumstances:

- (a) A certain amount of commercial development has been completed to date pursuant to the terms of the Original OPA, which has already provided a significant benefit to the community:
 - i. Through the generation of significant tax increment revenues and sales tax revenues attributable to new projects including Winco Foods, Walgreens/CVS, In-n-Out Burger, Wells Fargo Bank, Krispy Kreme, and Panda Express; and
 - ii. Through the creation of jobs related thereto.
- (b) Substantial Public Improvements have been completed, including pavement, grading and signage along Roy Rogers Drive, Midtown Drive and Civic Drive, including the installation of fire hydrants and sewer laterals, as well as installation of water, electricity, natural gas and telephone infrastructure. As such, the Former RDA has received a benefit greater than, or at least equal to, the amounts contributed by the Former RDA as part of the Agency Assistance.

WHEREAS, pursuant to the terms of the Original OPA, the Participant and its successors in interest would have been obligated to repay a portion of any Agency Assistance received to the extent it had not completed various phases of the Project subject to any extensions of time that would have been granted by the Former RDA’s Director of Economic Development; and

WHEREAS, pursuing any possible remedies that the Successor Agency may otherwise have under the Original OPA, including but not limited to seeking repayment of a portion

of the Agency Assistance, would be extremely complicated and would likely require extensive and expensive litigation based on a very diverse ownership currently controlling the Property, including but not limited to Civic-Rogers, LLC, LA-DF Valley Center, LLC, R.Y. Properties, Inc., WPI-Civic, LLC, WPI-Rogers, LLC, Amroyciv, LLC, WPI-Armagosa, LLC, LA-DF Investment Fund 9, LLC, D-F Pacific No. 2, LP, and WPI-Armagosa, LLC. As such, the costs of pursuing any remedies outweighs any possible benefits that may be realized in taking such a course of action.

NOW, THEREFORE, the Parties do hereby agree as follows:

Section 1. Recitals.

The Recitals set forth above are true and correct and incorporated herein by this reference.

Section 2. Defined Terms.

Except as otherwise provided herein, all terms not otherwise defined in this Agreement shall have the same meanings ascribed to those terms in the Original OPA.

Section 3. Termination of OPA.

As a result of the benefits described in the Recitals hereof, the Parties do hereby acknowledge and agree that the Original OPA, as amended, is hereby terminated by mutual agreement of the Parties as of the Effective Date, and is of no force or effect. The Parties further agree that all redevelopment covenants, except for those pertaining to discrimination, shall also be terminated simultaneously herewith.

Section 4. Effect of Agreement.

This Termination Agreement is binding only as to the rights, obligations and liabilities of the parties to this Agreement and their successors and assigns.

Section 5. Release and Waiver.

Upon the Effective Date of this Agreement, Developer on behalf of itself and its successors and assigns, waive, release and forever discharge the Successor Agency, the City and their respective members, officers, employees, agents, contractors and consultants, from any and all claims, debts, liabilities, obligations, and causes of action, whether known or unknown, suspected or unsuspected, and from all liability for damages, losses, costs, liabilities, fees and expenses (including, without limitation, attorneys' fees) arising out of or in any way connected with the Original OPA, as amended, that Developer may now have against the Successor Agency and/or the City arising out of or relating to the Original OPA, as amended.

Upon the Effective Date of this Agreement, Successor Agency, on behalf of itself and its successors and assigns, waive, release and forever discharge Developer and its respective

members, officers, employees, agents, contractors and consultants, from any and all claims, debts, liabilities, obligations, and causes of action, whether known or unknown, suspected or unsuspected, and from all liability for damages, losses, costs, liabilities, fees and expenses (including, without limitation, attorneys' fees) caused by the Successor Agency arising out of or relating to the Original OPA, as amended.

DISCUSSION:

The former Victorville Redevelopment Agency ("Former RDA") previously entered into a certain Owner Participation Agreement with WPI Development 1 and WPI Development 2 (collectively, "the Participant") dated November 11, 2008 for the purposes of causing the redevelopment of certain property consisting of approximately 56 acres in the City of Victorville on both sides of Civic Drive, south of Roy Rogers Drive (the "Original OPA"). The OPA was subsequently amended in 2009 and the parties thereunder changed to Amroyciv and Civic-Rogers, who assumed all of the interests and obligations of the former Participant.

Under the Original OPA, the Former RDA agreed to provide certain assistance (the "Agency Assistance") with respect to the development of the Project which Project was defined as the development of approximately 596,000 square feet of a commercial retail center. The Agency Assistance was structured as a reimbursement for the costs of certain required public improvements, which reimbursements were to be made at such time as Participant had caused both the development of certain private improvements consisting of commercial buildings and the construction and installation of certain public improvements for which the reimbursements were to be provided.

While a portion of both the public and private improvements were constructed, the overall Project was essentially put on hold as a result of the impacts of the global economic recession. Then, on February 1, 2012, the Former RDA was dissolved pursuant to Assembly Bill 1x 26 (the "Dissolution Law"). At that time, development under the Original OPA was not completed and while certain extensions were previously granted, it became clear that the build out of the Project could not be completed within the time frames contemplated under the Original OPA. As of the effective date of the Dissolution Law, the Participants had received reimbursement in the amount of almost One Million Dollars (\$1,000,000.00) for the public improvements which they had constructed. An additional approximately Four Million Dollars (\$4,000,000.00) in public improvement reimbursements was still contemplated, based on the need for Participant to construct and install additional public improvements.

In addition to the public improvements which were in fact completed, a certain amount of commercial development was also developed pursuant to the Original OPA, including but not limited to Winco Foods, Walgreen's/CVS, In-n-Out Burger, Wells Fargo Bank, Krispy Kreme and Panda Express. Significant public improvements have been made, including pavement, grading and signage along Roy Rogers Drive, Mid-Town Drive and Civic Drive.

Given the effects of the economic recession and the dissolution of redevelopment agencies pursuant to the Dissolution Law which would prevent the Project from being completed under the terms of the Original OPA, the Successor Agency and the Participant now deem it appropriate to cause a termination of the Original OPA, as amended, and to excuse further obligations of both parties thereto.

While the Original OPA had a mechanism that required the Participant to repay a portion of any Agency Assistance it had received in the event that it did not complete the Project, the

Successor Agency has determined that trying to recoup any such amounts would be extremely costly and would likely require expensive and extensive litigation. Moreover, given that the City of Victorville and the Successor Agency have received the benefit of significant public improvements and has received tax revenues from the businesses that have been completed to date, the Successor Agency believes that it has received the benefit of its bargain. As such, the Successor Agency believes that the termination of the Original OPA, as amended, is in the best interests of all parties.

The termination of the Owner Participation Agreement, if approved by the Successor Agency, will still require approval of the Oversight Board and the Department of Finance. Accordingly, any approval of this Termination Agreement by the Successor Agency to the Victorville Redevelopment Agency will be submitted to the Oversight Board and Department of Finance for approval in order to become effective.
