Budget Guide

The budget is the City's financial plan for managing revenues and expenditures effectively so as to provide the best services possible for the amount of revenues received. The document plays a crucial role in communication to elected officials, city employees, and the public. The proposed budgets are also developed based upon Council priorities, long-range financial forecasting, prioritized criteria for capital budget and legal mandates for restricted funding sources.

Budgets are complex documents that can be difficult to grasp at first glance. The City hopes that this section provides the reader with some basic understanding of the constituent components of the Annual Budget Document. The Budget Document is comprised of the following main sections:

The following briefly describes the contents of the budget book:

Table of Contents: Lists the major sections of the budget as well as detailed information included in each section.

Budget Guide: Presents a brief description of our budget process and key elements of the budget.

City Organization Chart: Presents the breakdown of where each department falls within the organization.

Financial Summaries: Presents an overview of all the City's funds, including estimated revenue and project expenditures.

Fund Balance Summary: Provides a Citywide summary of beginning projected year-end balances for each of the City's fund.

Departments: Provides department overview, division summaries and organization chart for each major funding source.

General Fund: Presents an overview of the general operating fund of the City. This fund also accounts for all non-department specific revenues. Summaries and forecasts are shown for these accounts.

Enterprise Funds: Provides an overview of the funds accounting for a government's business-type activities. These funds are expected to sustain themselves on revenues collected from the public for services provided. Summaries for these accounts are shown in this section.

Special Funds: Provides an overview of the special funds account for those types of revenues which are restricted and the expenditures which can be used against these special purpose revenues.

Capital Improvement Plan: Presents an overview of major capital projects and funding sources.

Salaries and Benefits: Presents an overview of the Table of Organization and Compensation along with a summary of the Fringe Benefits.

Economic and Community Profile: Provides a snapshot of the City for which the Annual Budget has been developed. This section gives the reader an at-a-glance look at the City's history, location, organizational structure, demographic data, and economic statistical information.

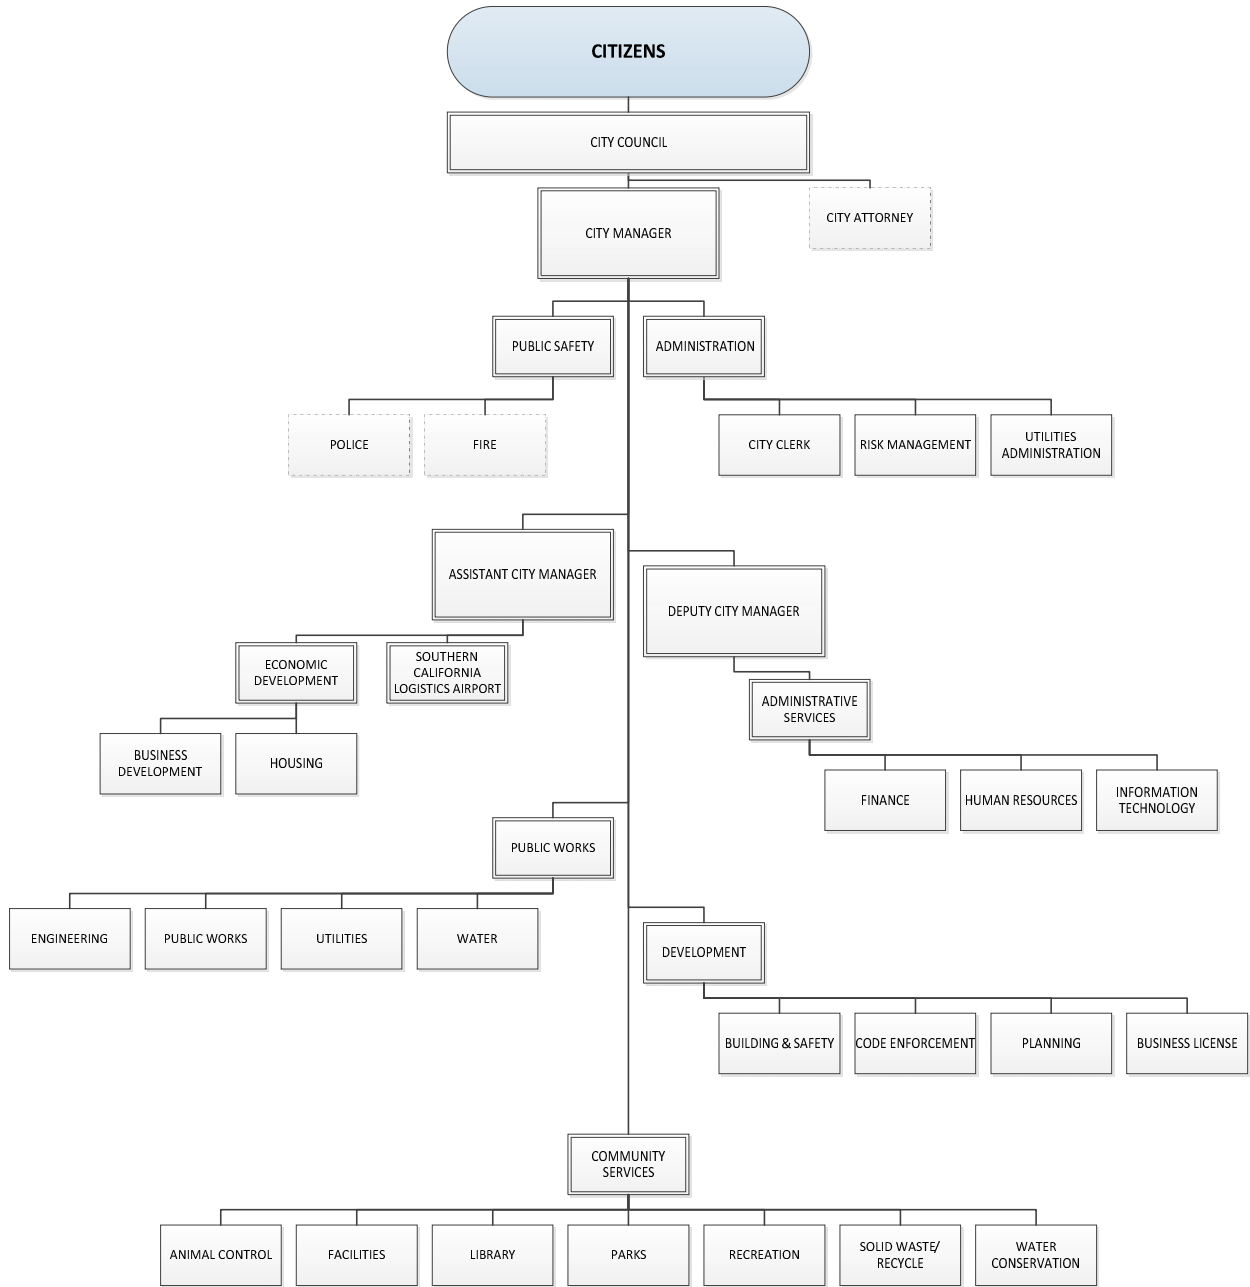

Budget Guide (cont.)

Basis of Budgeting and Accounting: Refers to when revenues and expenditures are recorded in the accounts and reported in the financial statements. It also addresses the compliance with all governmental accounting related requirements.

Budget and Financial Policies: Provides the City's financial objectives and outlines the City's financial management policies that guide the development and administration of the annual operating and capital budgets including a budget calendar, debt limit, investment policy and other information.

Glossary: Provides a list of acronyms and defined technical terms used throughout the budget document.

General Fund Summary

100

Fund Overview:

The General Fund is the primary operating fund of the City of Victorville and is used to account for all financial resources except those required to be accounted for in another fund.

Revenue Assumptions For Major Revenue Sources

General Fund Revenue Assumptions:

FY 2016 revenues are based on a combination of factors including analysis of historical revenue receipts, anticipated changes in the local economic environment, projected City growth development and anticipated changes in revenue receipts.

A total of \$54.2 million is projected in the General Fund for the fiscal year 2016. For FY 2015, revenues are proposed in the amount of \$51.5 million. The assumptions used by the City to budget Fiscal Year 2016 revenues are explained within this section.

Property Tax:

Property Tax is a primary source of funding for general City services and represents 29% of General Fund revenues. Property Tax consists of County allocated property tax, property Tax in lieu of Vehicle License Fees, and Homeowner Property Tax. The major net taxable value of the City's property tax consists of residential property making up 54.5% and commercial property making up 17.1% of the total net tax assessed value.

The City of Victorville anticipates property tax revenue to decrease by 5% or \$880 thousand from the budgeted amount of \$16.7 million in FY 2015. Beyond FY 2016 property taxes are anticipated to remain stable with a modest increase over the next few years.

Sales Tax

Sales Tax and Sales Tax in Lieu represent approximately 40% of General fund revenue and are a major source of revenue for the City of Victorville. The sales tax within the City of Victorville is 8%, however only 1% of the revenue is returned to the City with the remainder being distributed to the State and other public agencies. Sales tax

is levied on activity related to the sale of autos and transportation, general consumer goods, restaurants and hotels, building and construction, business and industry, food and drugs and fueling and service

stations. The largest generators of sales tax in Victorville are Autos & Transportation and General Consumer Goods. They make up approximately 69% of total sales tax receipts. The City has projected a 16% or \$3,055,350 increase in its sales tax revenue for FY 2015-16 when compared to the FY 2014-15 budgets. Most of the increase is primarily due to the recent development at Highway 395 and Palmdale Road.

Franchise Fees

The City collects Franchise Fees for electricity, natural gas, waste disposal, and cable television for the use of the public right-of-ways. The businesses include Southern California Edison, Southwest Gas Corporation, Pacific Gas and Electric, Charter Communication, Verizon, and Victorville Disposal. The current year estimate is based upon historical trend analysis, estimates of new construction,

and rate change analysis for each franchise. The proposed FY 2015-16 fees represent an average increase of 5% from the FY 2014-15 estimated. Franchise Fees represent 6% of General Fund revenues.

Transient Occupancy Tax

Visitors staying at one of the 22 motels or hotels within the City area pay a local tax called Transient Occupancy Tax (TOT). The TOT rate approved by City residents is set at 7% and is paid on the room rate charged by the hotel. The TOT revenue represents approximately 1.7% of the General Fund revenue and is projected to be \$1,150,000 for FY 2015-16.

Revenue Assumptions (cont.) For Major Revenue Sources

Licenses & Permits/Fines and Forfeitures

This category consists of Development, Engineering, Animal Licenses and Hazardous Permits, Fines and Forfeitures. These revenues represent approximately 3% of the General Fund revenue and are projected to be 15% higher than FY 2014-15. The estimated amount for FY 2015-16 is \$1,631,300.

Charges for Services

This category consists of public safety, development, public works, and recreation charges for services provided to the community. Charges for Services represent approximately 3.7% of the General Fund revenue. The City projects receipts to be 6% less than FY 2015 budget. The estimated amount for FY 2015-16 is \$1,978,750.

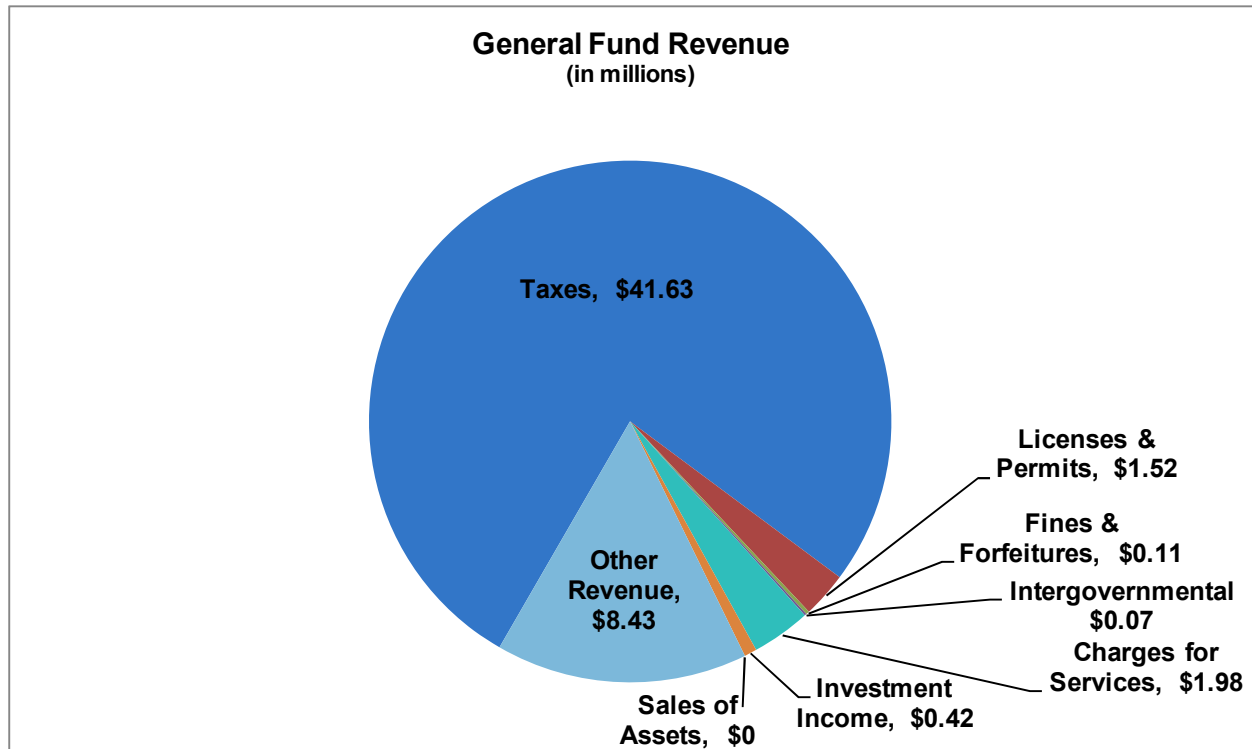

Other Revenues and Financing Sources

These Categories include General Fund cost allocations, transfers, pass-through tax increment revenue, investment income and miscellaneous revenue. These revenues represent approximately 16.3% of the General Fund revenue. The estimated amount for FY 2015-16 is \$8,847,971 which is 3% less than FY2014-15 budget.

Economic Development/Southern California Logistics Airport

Department Summary

Department Overview:

The Economic Development department consists of Economic Development and Southern California Logistics Airport. Economic Development contains the Low Mod Housing Fund and HUD grants. The department oversees the assets and responsibilities of the Housing Fund of the City of Victorville as a successor to the Low and Moderate Income Housing Program of the former Redevelopment Agency. It is also responsible for CDBG, HOME and NSP grant programs of the U.S. Department of Housing and Urban Development (HUD) which are primarily used for the development of viable urban communities by providing decent housing and suitable living environments for persons of low and moderate incomes.

The Airport department is comprised of On and Off Airport Operations. On Airport features aviation and air cargo facilities serving international and domestic needs. Off Airport features 2500 acres of commercial and industrial complex totaling 60 million square feet of development.

Fueling Station Fund 120

Fund Overview:

The CNG fueling stations provide the City and private customer's access to clean alternative fuel, reducing the Victor Valley's emission profile as mandated by the California Air Resources Board.

The CNG Enterprise Fund is revenue generated by the operation of the CNG fueling stations and revenue in excess of operation expenses is utilized to complete unforeseen repairs and capital improvements to the stations.

Gas Tax Fund 220

Fund Overview:

This fund accounts for revenue received from the State of California under Street and Highways Code, Section 2105, 2106, and 2107 and is derived from taxes collected from the purchase of gasoline and remitted to the City. The allocations should be spent for street and highway maintenance and improvements. The current estimate is based upon projections by the League of California Cities LAO.

Funds are allocated by the State Controller's Office.

280

Fund Overview:

This fund accounts for the revenues and expenditures under the guidelines of the Federal Community Development Block Grant and HOME Grant programs of the U.S. Department of Housing and Urban Development. The grants are primarily used for the development of viable urban communities by providing decent housing, suitable livings environments, and expanding economic opportunities for persons of low and moderate incomes.

Local and State Grants Funds
265, 270

Fund Overview:

These funds account for various State agencies monies received from the California Law Enforcement Equipment Program, AB 3229 Grant, Office of Traffic Safety Grant, California Integrated Waste Management, Job-Housing Incentive Grant, Homeland Security Grant, and Alcoholic Beverage Control Grant. The current year estimate is provided by the awarding agency or, where the funds are carried over multiple years, the department responsible for administering the grant.

LMAD / DFAD / MAD Fund
370

Fund Overview:

Landscape Maintenance and Drainage Facilities Assessment District accounts for the revenue and expenditures of Assessment Districts which provide benefit to the property owner served. These improvements include items such as enhanced landscape, block walls, irrigation and drainage system. Since the maintenance of these enhanced facilities directly benefit the individual parcels within the district rather than the City as a whole, the maintenance costs are assessed to the property owners with the Maintenance Assessment District boundaries.

Transportation Tax Funds

230, 231, 232, 233, 234

Fund Overview:

These funds account for revenue received for public transportation projects through the Local Transportation Fund (LTF), which is derived from a ¼ cent of the local general sales tax and given to the county of its origin. The amount received by the county is then distributed to the cities and unincorporated areas in its jurisdiction based on population. Eligible expenses include projects related to maintenance and repair of streets and roads.

Successor Agency Funds

303, 304, 305

Fund Overview:

On January 17, 2012, the City of Victorville confirmed its designation as Successor Agency to the Victorville Redevelopment Agency by adopting Victorville Redevelopment Agency Resolution No. R-12-002 and City Council Resolution No. 12-005. California Redevelopment Agencies were abolished as of February 1, 2012 as a result of legislation enacted on June 29, 2011, and upheld by the California Supreme Court on December 29, 2011.

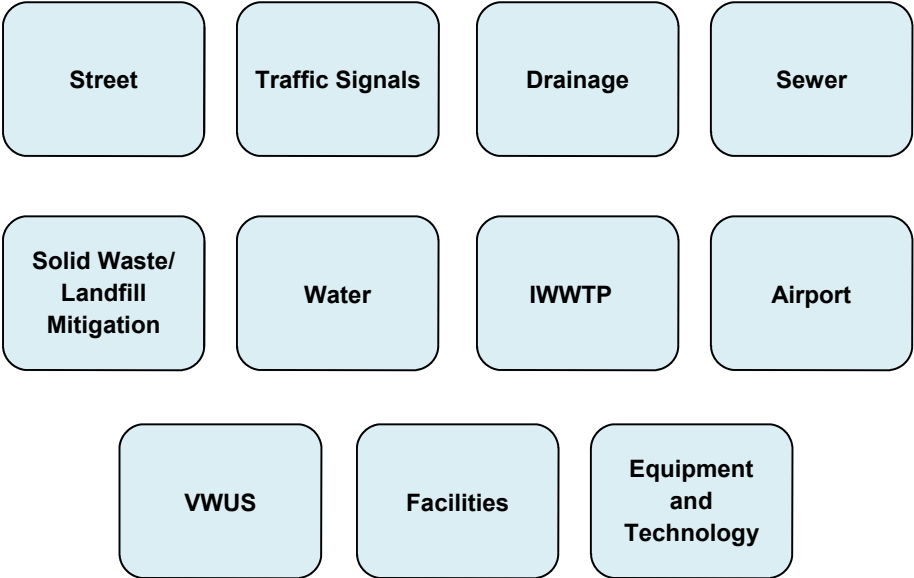

The role of the Successor Agency was to wind down the affairs of the former Redevelopment Agency. Effective February 1, 2012, the assets, properties, contracts, and leases of the former RDA were transferred to the Successor Agency. The Successor Agency is responsible for continuing payments of the Enforceable Obligation Payment Schedule (EOPS), performing contractual obligations, disposing of assets and property, and preparing administrative budgets.

Capital Projects track the purchase or construction of major capital items.

Capital Project Types

Capital Improvement Plan

The Capital Improvement Plan is a long range fiscal forecast, which identifies major public improvements to the City's infrastructure over the next five years. Planning for capital improvements is an ongoing process that continues to be adjusted as the City's priorities change. The plan provides cost estimates for each project and identifies funding sources with consideration given to ongoing resources. Because priorities can change, projects are not guaranteed for funding.

As part of the annual budget process, the CIP is updated. This allows the City's departments to re-evaluate priorities and needs based on the most current revenue and project priorities. CIP projects are requested by the departments, reviewed and evaluated by the City Manager, and ultimately approved by the City Council as part of the budget.

The City places priority on construction, rehabilitation, and maintenance efforts to ensure its infrastructure improvements are built and maintained according to best practices and promote environmental sustainability. Capital improvements of city infrastructure include: streets, traffic signals, bridges, storm drain, sewer, pipelines, parks and public service facilities.

Infrastructure improvements are considered capital improvement projects when the expected life is in excess of two years and expenditures are at least \$50,000. In contrast, scheduled purchases of vehicles, computer hardware and equipment are capitalized when the individual cost is \$5,000 or more with an estimated useful life of greater than two years. These routine purchases are generally accounted for out of special funds or enterprise funds. There are 43 vehicle, equipment, and computer capital purchases budgeted for FY 2015-16.

The FY 2015-16 CIP budget funds 57 projects; 27 of which are part of the City's infrastructure rehabilitation program. The remaining 30 projects are classified as new construction or design.

Chart 1

Capital Improvement Plan

The Capital Improvement Plan outlines planned improvements based on available resources. Funding sources for the current capital projects are displayed on the following table and chart.

Approximately 7% of the FY 2015-2016 CIP budget originates from grants, developer contributions or other one-time revenues sources, while the rest are made up of recurring City revenues. Additionally, certain revenue sources are restricted to specific types of projects, areas, or types of construction (new versus rehabilitation).

Funding sources falling into the restricted category are LMAD/DFAD fund 370, Storm Drain Utility fund 202, Gas Tax fund 220, Transportation Tax funds 230 and 234, Measure I funds 250, 251 and 255. Fund summaries for these funds are located in the Special Funds section of this document. All funds shown in the table below are restricted for specific use with the exception of the General Fund.

Capital Improvement Projects Facilities Summary (cont.)

Project Title: Land for Resale

Project Type: EDD

Project Description: The Neighborhood Stabilization Program enables the City to revitalize and stabilize neighborhoods, previously identified by the Department of Housing and Urban Development (HUD) and the City, as holding a high concentration of foreclosed and abandoned properties as a result of the economic downturn. Through the use of the Program, the City has been able to acquire, rehabilitate, and resell homes to income eligible homebuyers.

Salary and Benefits

SECTION 1. FISCAL YEAR 2015-2016 TABLE OF ORGANIZATION

The Table of Organization for the City of Victorville is hereby revised. A total of 343 positions shown on such Table of Organization are authorized to be filled in accordance with the Personnel Ordinance of the City of Victorville. The salaries and compensation of officers and employees of the City of Victorville shall be established as provided in said Personnel Ordinance for the salary ranges to which each position is assigned by this resolution.

Effective, July 4, 2015, reflected in the Table of Organization are the Salary Study recommendations approved by the City Council on February 17, 2015. Also included is the 2015 Cost of Living Adjustment (COLA) of 0.5% based on the March to March Consumer Price Index (CPI) Los Angeles, Riverside, Orange County. Additionally included is a 1.2% partial salary increase based on COLAs not given to employees in past years for all employees. It increases full-time salary ranges by 5.0% to bring those salaries up to the Classification & Compensation Study average for each position; and applies the same adjustments to executive (contract) employee salaries, including the 1% COLA from last year. It also requires that all classic employees pay their 8% employee share of CalPERS.

Salary and Benefits (cont.)

CITY OF VICTORVILLE
2015-2016 TABLE OF ORGANIZATION
Effective July 4, 2015

Includes Partial Past COLA of 1.2% Plus 2015 COLA of 0.5% and 5.0% Salary Adjustment
 Includes 1.0% past COLA for Executive Contracts

Salary and Benefits (cont.)

SECTION 2. FRINGE BENEFITS - The following is provided as an overview and should not be considered as a complete description of benefits. The fringe benefits for the City of Victorville full-time employees effective July 1, 2015, unless otherwise specified, through June 30, 2016, shall be:

1. Annual Vacation Leave - All full-time employees shall earn annual vacation credits accrued bi-weekly in the beginning of the years listed below and are authorized to accumulate vacation leave credits as follows:

Years of Full-Time Employment	Annual Vacation Hours Earned	Hours Earned Per Pay Period (26 pay periods per year)	Maximum Vacation Accrual Hours
0-5	80	3.08	160
6 -10	120	4.62	240
11-15	160	6.15	280
16+	200	7.69	320

Full-time employees are eligible to use annual leave time as it accrues. Effective January 1, 2012, accruals will be earned every pay period. (See City of Victorville Personnel Rules, Rule X, Sections 1 and 2.)

2. Sick Leave – Accrued at the rate of 3.35 hours per pay period for all probationary and full-time employees, for a total of 87 hours per year. Sick leave yearly payoff continues to be suspended for fiscal year 2015-2016. Effective January 1, 2012, accruals will be earned every pay period. Upon completion of five (5) years of continuous service, sick leave payout upon termination is calculated according to the following formula, pursuant to Resolution 09-103:

Sick Leave Accrued as of Date of Termination	Cash Payment of hours of Accrued Sick Leave
240 hours or less	35%
241 to 320 hours	40%
321 to 400 hours	45%
401 to 480 hours	50%
481 to 560 hours	55%
561 to 640 hours	60%
641 to 720 hours	65%
721 to 800 hours	70%
801 to 880 hours	75%
881 to 960 hours	80%
961 to 1,040 hours	85%
1,041 to 1,120 hours	90%
1,121 to 1,200 hours	95%
1,201 hours and above	100%

Salary and Benefits (cont.)

3. Holidays

HOLIDAY	DAY OF THE WEEK	DATE
Labor Day	Monday	September 7, 2015
Columbus Day	Monday	October 12, 2015
Veterans Day	Wednesday	November 11, 2015
Thanksgiving Day	Thursday	November 26, 2015
Christmas Eve Holiday	Thursday	December 24, 2015
Christmas Holiday	Monday	December 28, 2015
New Year's Eve Holiday	Thursday	December 31, 2015
Martin Luther King, Jr. Day	Monday	January 18, 2016
Presidents' Day	Monday	February 15, 2016
Memorial Day	Monday	May 30, 2016
2 Floating Holidays		

Total of 12 Holidays

Note: Actual holidays vary each year. Two days in December are designated as permanent Cost of Living Adjustment (COLA) reduction days and applied to the December holiday schedule. Actual COLA reduction days taken are based on individual department needs, and must be taken within 30 days. Days off during the December holidays shall not be prorated for any employee hired after January 1, 2015.

Floating Holidays may be taken in conjunction with another holiday, vacation or sick leave day. No partial holiday may be taken. Floating Holidays may be taken after six months of service.

4. Stability Pay – Canceled

5. Executive Leave – Provided to Department Heads, Assistant Department Heads, and other designated staff, based on the City Manager's evaluation of the amount of time worked. Advance written approval by the City Manager is required. (See Administrative Policy D-1.)

6. Retirement – Effective July 1, 2015, the City will cease to pay the 8.0% employee share of contributions to the Public Employees' Retirement System. The City shall cease to report the Employer Paid Member Contributions (EPMC) to PERS as special compensation. The City shall participate in the CalPERS replacement benefit plan or equivalent. The City provides all full-time employees 4th level 1959 Survivor's Benefits. For full-time employees hired on or after January 1, 2013, CalPERS contributions will be implemented according to the Public Employees' Pension Reform Act of 2013 (PEPRA) AB 340 and AB 197.

7. Fringe – The amount of \$750 per month is provided by the City for health, dental, and vision coverage for all full-time employees. Married couples who are both full-time employees with the City may utilize the full fringe of \$750 each for family medical, dental and vision. If eligible family members are enrolled, they must be enrolled in the same coverage as elected by the employee. Employees are not required to have dependents covered, unless ordered by the courts. The maximum cash back benefit for employees waiving medical benefits is \$250 per month. Employees may purchase dental and vision coverage with this amount. Any remaining balance may be deposited into a deferred compensation account, flexible spending account, or included as taxable income on their paychecks. Flexible spending

Salary and Benefits (cont.)

accounts are provided for pre-tax deposits to cover expenses for health care and/or dependent day care. The City is responsible for the monthly administrative fee.

8. Life insurance - Group term life insurance and accidental death and dismemberment insurance is paid by the City at the rate of .162 per thousand dollars of base salary and is rounded to the nearest \$1,000. The benefit is one times annual salary, to a maximum of \$250,000.

9. Safety shoes - All employees who are required to wear safety shoes shall receive \$100 reimbursement per fiscal year for purchase of one pair of shoes. Exceptions are governed by Administrative Policy No.G-7.

10. Workers' Compensation Program – Insurance provided by the City for work-related injuries occurring to the employee during the course of employment. (See City of Victorville Personnel Rules, Rule X, Section 4.)

11. Unemployment Insurance – May provide income for the employee if laid off or involuntarily terminated for reasons other than misconduct.

12. Uniforms - Payment for uniform service shall not exceed \$174 per year per employee for those employees required to wear uniforms. Reimbursement to Victorville Municipal Utilities Service employees who maintain their own uniforms, due to specialized uniforms and handling, shall not exceed \$300 per year.

13. Tuition Reimbursement – All courses taken for reimbursement must be approved by the Department Head and the Personnel Officer prior to the beginning of the course. Courses eligible for reimbursement must be job related and toward a related degree. Tuition reimbursement will include any associated fees including books, permits and other required fees (excluding shipping costs) up to a maximum of \$3,000 per fiscal year based on prior approval by the Department Head and Personnel Officer. The Tuition Reimbursement program may be suspended if allocated funds are exhausted and/or if the Council chooses not to allocate the funds necessary to continue the program in any particular fiscal year due to budget constraints. (See Tuition Reimbursement Administrative Policy No: B-31)

14. Deferred Compensation – As of January 1, 2015, employees shall be eligible to transfer up to \$18,000 of annual salary per year into a City-approved Deferred Compensation Plan; employees 50 years of age and above are allowed a catch up provision of \$6,000. An additional standard provision is available to employees who are planning on retiring within three years. Under this provision funds not utilized may be contributed the year prior to retirement. Deferred Compensation funds may be accessed through a loan program. A 401(a) Defined Contribution Plan is available for new full-time employees who may elect an employee contribution, under Section 401(a) of the Internal Revenue Code. The plan document allows a 60 day period for the individuals to make an election from the initial date of hire. Pursuant to Federal Regulations, effective December 31, 2009, existing full-time employees may not enroll or modify an existing 401(a) plan.

Salary and Benefits (cont.)

15. Short-Term Disability (STD) Insurance – Full-time employees shall contribute .65% per \$100 of monthly salary. Employee premiums are post-tax; therefore, benefits will not be taxed upon receipt of payment. Employees may be eligible to receive disability payments after 7 days of missed work, and benefits shall continue up through 13 weeks for a qualifying illness or injury. STD pays 60% of employees' weekly base pay, with a minimum of \$50 per week, up to a maximum of \$1,600 per week. Part-time employees are not eligible. (See City of Victorville Personnel Rules, Rule X, Section 12.)

16. Medicare - Employees hired after April 1, 1986, shall contribute 1.45% of their base salary as a matching share of contribution to provide Medicare coverage, available upon retirement, based on Social Security Administration guidelines.

17. Employee Assistance Program – The City provides for a confidential counseling program for employees and eligible dependents.

18. Long-Term Disability – The City provides coverage for full-time employees after 90 days of disability. The City's premium is \$.780 per \$100 of monthly salary and covers 66.67% of employees' monthly salary. Minimum of \$50 per month to a maximum of \$5,000 per month.

19. Retirement Medical Coverage - The City shall be responsible for retirees' (beginning with eight years of service) medical insurance premium as follows:

Years of Service	25 +	20-24	15-19	8-14
City Paid	100%	75%	50%	25%

For early retirees under age 65 - Payment is based on the most economical single-party rate of the HMO medical plans available.

For retirees age 65 and over – Payment is based on the Hartford Medicare Supplemental Plan or Kaiser Group Senior Advantage HMO single-party rate.

Retirees age 65 and over must be enrolled with Medicare Part A (Hospital) and Part B (Medical) in order to be eligible for a retiree medical plan offered through the City.

Retirees may continue dental and vision insurance coverage at their own expense.

Retirees must have been previously enrolled, for the prior fiscal year, in the City's medical insurance at time of retirement to be eligible to continue the coverage after retirement.

Effective February 11, 2000, a qualified retired employee may opt for a one-time pay-off in lieu of monthly medical retirement benefits. This shall be paid on a pro-rated basis, contingent upon years of service described in the chart below.

Years of Service	25 +	20-24	15-19	8-14
City Paid	100%	75%	50%	25%
Pay-off Amount	\$15,216.50	\$12,172.96	\$9,129.44	\$6,087.06

These amounts may change annually, based on the CPI applied to the City employees' wages.

Salary and Benefits (cont.)

20. Executive Physicals – Continue to be suspended for Fiscal Year 2015-2016.

21. Compensatory Time – Employees eligible for compensatory time may accrue such time, up to the limit of 36 hours for full-time employees. Compensatory time may not be earned until 40 hours have been worked in a workweek. Compensatory time earned after 40 hours in a workweek are earned at time and one-half rates. Compensatory time must be used within six months from the date of accrual. It is the employees' choice whether to receive compensatory time or overtime. Part-time employees are not eligible for compensatory time.

22. 36-Hour Week – Employees continue to be furloughed 10% of their work time, resulting in a loss of 10% of their compensation.

Economic and Community Profile

History and Location

The City was first named Victor after railroad pioneer Jacob Nash Victor (1835-1907). Jacob Nash's major accomplishment was bringing the second transcontinental railroad to the United States, giving the Santa Fe Route a Pacific coast terminal. His job as a General Manager of the California Southern Railway was to construct 30 miles of washed-out track from Fallbrook to San Diego. In 1883, he cut through the Southern Pacific tracks at Colton, thereby linking San Bernardino to the coast. In 1885 he drove the first engine through the Cajon Pass, signaling the linkage of San Bernardino and Barstow.

The name Victor was short lived, however, because there was another community in West Colorado Springs that had the same name. Mail addressed to individuals living in Victor, California was often sent to Victor, Colorado. In 1901, Nettie Turner, postmistress of Victor, California, petitioned the federal government to change the name of California's Victor to Victorville.

Victorville is situated approximately 97 miles northeast of Los Angeles and 35 miles northeast of San Bernardino in the Victor Valley. Major trucking and rail routes run through the area. Victorville is conveniently located close to Southern California Logistics Airport and within 30-40 minutes drive of the Ontario International Airport. The Victor Valley includes the communities of Adelanto, Apple Valley, Hesperia, Lucerne Valley, Oak Hills, Phelan, Victorville and Wrightwood. Victorville is the business hub of the Victor Valley and draws consumers from well beyond its immediate area. It is the largest commercial center between San Bernardino and Las Vegas, Nevada.

Organizational Structure

The City of Victorville was originally incorporated as a general law city on September 21, 1962 and reorganized as a charter city on July 18, 2008. The City operates under a Council-Manager form of government. The City Manager is responsible for the efficient implementation of Council policy and effective administration of all City government affairs. The elective officers of the City consist of a City Council of five members, one of which serves as mayor. The members of the City Council are elected from the City at large.

The City employs 343 full time employees and is organized into 7 departments, each responsible for managing its own operating budgets together with any assigned special funds or projects. Through these departments, the City provides a full range of services, including public safety, highways and streets, sanitation, parks and recreation, aviation, municipal utilities (water, electric and gas), public improvements, planning and zoning, community development, and general administrative services. In addition to these governmental activities, the City Council has legal authority over the City's Successor Agency to the Redevelopment Agency; Southern California Logistics Airport Authority; the Victorville Water District; and the Victorville Library.

Economic and Community Profile (Cont.)

Economic Profile

The City's location adjacent to Interstate 15, State Highway 18 and State Route 395, together with abundant land available for development, it is one of the most desirable locations in the Victor Valley for businesses and individuals. The economic community is a vital mix of retail shopping, restaurants, service businesses, hotels and public services. The City is home to the only regional mall located in the Victor Valley anchored with over 100 stores and specialty shops. Major retail shops are Macy's, JC Penney, Kohl's, and Dick's Sporting Goods. Dunia Plaza expanded with the construction of Victorville's first Walmart supercenter (193,230 square feet) which includes a supermarket, Tire Lube and Express of Victorville along Highway 395. In September 2012, St Mary broke ground on its Victorville hospital that is expected to add 128 hospital beds and will be the first trauma center in the High Desert. The hospital will be located along Amargosa Road between Bear Valley Road and Main Street. Victorville also offers other retail for consumers such as auto dealerships, the AutoPark at Valley Center is home to Valley-Hi Kia, Valley-Hi Toyota/Scion, Greiner GMC, Buick and Pontiac, Victorville Motors – Chrysler, Jeep, Dodge, Victorville Mitsubishi, Victorville Mazda, Valley-Hi Honda and Victorville Nissan. The revenue received from auto sales ranks second highest in the economic category, their sales tax receipts contributed a total of 32% to the City's sales taxable revenue in 2014.

Basis of Accounting/Budgeting

The City uses fund accounting to ensure and demonstrate compliance with all governmental accounting related requirements. A fund is defined as a separate accounting entity with a self-balancing set of accounts recording cash and other financial resources together with related liabilities. Each fund is established for the purpose of accounting for specific activities in accordance with applicable regulations, restrictions or limitations. The City of Victorville has three types of funds:

- Governmental Funds – Account for the funds through which most governmental functions are typically financed and are often referred to as "source and use" funds. The fund types included in this category are General, Special Revenue, Capital Projects, Debt Service, and Special Assessment funds.
- Proprietary Funds – Account for and record operations similar to those found in a business, such as Enterprise funds and Internal Service funds.
- Fiduciary Funds – Account for resources held by the City but belonging to other entities and may include trusts and agency funds.

The City of Victorville's accounting records are maintained in accordance with Generally Accepted Accounting Principles. Governmental fund types such as General Funds and Special Revenue Funds are maintained on a modified accrual basis of accounting. Proprietary fund types such as Enterprise funds are maintained on an accrual basis.

The Budget for all funds and entities has been prepared on a cash basis. This means that revenues and expenditures are assigned to the period into which the City expects to receive or disburse cash.

As defined by the Governmental Accounting Standards Board, this Budget includes the transactions of the legal entities over which the City Council of the City of Victorville has authority and consist of the City of Victorville (City), Victorville Water District (Water District), City of Victorville as Successor Agency to Redevelopment Agency (SA), Southern California Logistics Airport Authority (SCLAA) and Victorville Library (Library).

Budget and Financial Policies

The City of Victorville's fiscal year runs from July 1 through June 30 each year. A fiscal year represents a budgeting and accounting cycle for measuring the results of operations and the City's financial position. The budget is the most important policy document the City produces on an annual basis. The program and financial decisions it embodies reflect the will of the citizens through the policy direction of the City Council.

The City Manager is responsible for submitting the proposed annual budget and proposed annual salary plan to the City Council (VMC 2.04.150). The Finance Division is responsible for the coordination, development, and preparation of the annual budget. Department Heads are responsible for preparing their department budget requests and revenue estimates in accordance with the guidelines provided by the Administrative Services Director, along with any special budget instructions or direction that may be provided by the City Manager.

The budget is a planning tool that identifies strategic actions for the City for the fiscal year. It matches the financial and human resources available in order to carry out the planned actions. It also includes information about the City organization and identifies the policy direction under which the budget is prepared.

Budget Policies

- 1) Develop and adopt a fiscally sustainable, balanced budget prior to July 1st of each fiscal year
- 2) Keep the City Council informed on the fiscal condition of the City
- 3) Maintain a reserve for economic uncertainties
- 4) Identify resources for Council identified priorities and initiatives
- 5) Maintain annual expenditure levels at a conservative growth rate
- 6) Limit expenditures to anticipated revenues and designated reserves
- 7) Maintain a diversified and stable revenue base
- 8) Use one-time or irregular revenue resources strategically and not in support of operating costs
- 9) Annually update and adopt the Capital Improvement Plan (CIP) budget identifying the specific projects, or portions thereof, that can be completed during the fiscal year with known funding sources

Budgetary Control

The level of appropriated budgetary control is at the departmental level. The City Manager may authorize transfers of appropriations within a department. Expenditures may not legally exceed total departmental appropriations. The City maintains an encumbrance accounting system as another technique of accomplishing budgetary control. Under this system, unexpended or unencumbered appropriations lapse at the end of the fiscal year. Encumbered appropriations are re-appropriated in the ensuing year's budget.

Cost Allocations

The Budget includes cost allocations. Cost allocations in the FY 15-16 budget are based upon a cost allocation study prepared by an outside consultant. The cost allocation plan is designed to reflect the true costs of operating the city's internal service departments.

Summary of Citywide Debt Obligations

No new debt transactions were entered into during fiscal year 2014-2015 and there are no plans to enter into any new debt transactions during fiscal year 2015-2016. During fiscal year 2014-2015, the Baldy Mesa Refunding Improvement Bonds, Series 2006 were completed. In June 2006, the City of Victorville entered into an agreement with Key Government Finance, Inc. for a \$2.2 Million equipment lease purchase agreement for the Golf Irrigation System. The final payment of \$214,115 will be made in July 2015 and will complete this agreement.

The required SCLAA debt service payments for fiscal year 2015-2016 total \$21,509,359. The total pledged revenues are anticipated to be \$20,930,317, resulting in a shortfall. Therefore, it is expected that SCLAA will continue to default on debt service payments for SCLAA Subordinate Tax Allocation Revenue Bonds, Series 2007 and 2008A during fiscal year 2015-2016.

Budget and Financial Policies (cont.)

Legal Debt Margin

Under state law, the City of Victorville has a legal debt limitation not to exceed 15% of the total adjusted assessed valuation of taxable property within City boundaries.* In accordance with California Government Code Section 43605, only the City's general obligation bonds are subject to that legal debt limit. The table below summarizes the calculation of the City's debt limit margin over a three-year period:

Computation of Debt Limit Margin for Years Ended 2013 through 2015	As of June 30, 2013	As of June 30, 2014	As of June 30, 2015
Fiscal Year 2014 Assessed Valuation	6,766,185,227	6,890,742,333	7,268,154,891
Conversion Percentage	25%	25%	25%
Adjusted Assessed Valuation	1,691,546,307	1,722,685,583	1,817,038,723
Debt Limit - 15% of Assessed Valuation	15%	15%	15%
Debt Limit	253,731,946	258,402,837	272,555,808
 Total Debt Applicable to Limit:			
General Obligation Bonds	-	-	-
Legal Debt Margin	253,731,946	258,402,837	272,555,808
 Total debt applicable to the limit as a percentage of debt limit	0.00%	0.00%	0.00%

*The government code of the State of California provides for a legal debt limit of 15% of gross assessed valuation. However, this provision was enacted when assessed valuation was based upon 25% of market value. Effective with the 1981-82 fiscal year, each parcel is now assessed at 100% of market value (as of the most recent change in ownership for that parcel). The computations shown above reflect a conversion of assessed valuation data for each fiscal year from the current full valuation perspective to the 25% level that was in effect at the time that the legal debt margin was enacted by the State of California for local governments located within the State.

Budget and Financial Policies (cont.)

Investment Policies

The following is a brief guideline of the City's investment policies. Additional information related to this section can be found in the City's Investment Policy with the Administrative Services Department's Finance Division.

Purpose

- It is the policy of the City of Victorville to invest public funds in a prudent manner which will provide the maximum security while meeting the daily cash flow needs and conforming to all statutes governing the investment of public funds.
- The investment policy applies to the City's temporarily idle funds, proceeds of bond issues that are held by the City for pending use and proceeds of bond issues held by a third party.

Standard of Care

- Investment shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.
- The City Treasurer is charged with responsibility for the selection of specific investments and the development of procedures to implement this investment policy as approved by the City Council.

Objectives

- The basic objectives of the City's investment programs are the following: safety of invested funds, maintenance of sufficient liquidity to meet cash flow needs, and attainment of the maximum yield.
- The City is governed by the California Government Code, Section 53600 et. Seq. Within the context of these limitations and based on the cost at time of purchase, the following investments are authorized: U.S. Treasuries, LAIF, Collateralized and/or insured demand deposits, certificates of deposit, obligations issued by the government sponsored entities such as: FNMA, GNMA, and FHLMC, and money market mutual funds.

Portfolio Reporting

- On a quarterly basis, the City Treasurer shall prepare a Quarterly Investment Report, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made since the last report.

RESOLUTION NO. 15-037

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF VICTORVILLE ESTABLISHING AND ADOPTING THE ANNUAL BUDGET FOR FISCAL YEAR 2015-2016; AND, ADOPTING THE TABLE OF ORGANIZATION, FIXING THE RATES OF COMPENSATION, AND ESTABLISHING FRINGE BENEFITS FOR EMPLOYEES OF THE CITY OF VICTORVILLE AND SUPERSEDING RESOLUTION NO. 14-043 AND SUBSEQUENT AMENDMENTS

WHEREAS, the City Manager of the City of Victorville did heretofore submit to the City Council an estimate of the expenses and revenues of the City departments and offices, which includes the Street Lighting District subsidiary district, together with a proposed budget for the fiscal year 2015-2016; and

WHEREAS, copies of said budget were prepared and distributed to the City Council and have been available for the inspection by the public in the office of the City Clerk of the City of Victorville; and

WHEREAS, the City incurs central service costs, such as expenses for administrative, financial, and other central services, which are provided to other departments and not directly to the general public; and

WHEREAS, the City has prepared a cost allocation plan pursuant to OMB Circular A-87 in order to recover said costs which are included in the proposed budget for fiscal year 2015-2016; and

WHEREAS, said budget includes the Table of Organization, the Rates of Compensation, and Fringe Benefits for Employees of the City of Victorville; and

WHEREAS, the City Council did fix July 2, 2015, at the hour of 6:00 p.m., in the Council Chambers of City Hall, 14343 Civic Drive, Victorville, California, as the time and place for holding a Public Hearing upon said budget; and

WHEREAS, the City Council did hold such Public Hearing at said place upon said budget and all persons desiring to be heard by the City Council at said Public Hearing on the budget were heard and the City Council, after due consideration, has determined that said budget should be approved.

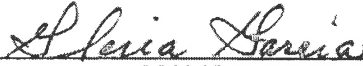

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF VICTORVILLE DOES HEREBY RESOLVE AS FOLLOWS:

SECTION 1. That the annual budget for the fiscal year 2015-2016 now in the hands of the City Clerk, is hereby adopted in the amount of \$199,780,854; and, includes adoption of the Table of Organization, the Rates of Compensation, and Fringe Benefits for Employees of the City of Victorville.

SECTION 2. That copies of such annual budget, certified by the City Clerk, shall be filed with the auditors of the City of Victorville and in the office of the City Clerk for public inspection and certified copies thereof shall be made available for use by City departments, offices and subsidiary districts of the City.

Resolution No. 15-037

PASSED, APPROVED AND ADOPTED this 9th day of JUNE 2015.

MAYOR OF THE CITY OF VICTORVILLE

CITY CLERK

APPROVED AS TO FORM:

CITY ATTORNEY

I, CAROLEE BATES, City Clerk of the City of Victorville and ex-officio Clerk to the City Council of said City, DO HEREBY CERTIFY that the foregoing is a true and correct copy of Resolution No. 15-037 which was adopted at a meeting held on the 9th day of June 2015, by the following roll call vote, to wit:

AYES: Councilmembers Garcia, Cox, Kennedy and McEachron

NOES: Councilmember Negrete

ABSENT: NONE

ABSTAIN: NONE

CITY CLERK

Glossary

Account: A subdivision within a fund for the purpose of classifying transactions.

Accrual Basis or Accrual Method: Accounting method whereby income and expense items are recognized as they are earned or incurred, even though they may not yet have been received or actually paid in cash. The alternative is the Cash Basis. The City uses the widely recognized method of “Modified Accrual.”

Adopted Budget: A budget which typically has been reviewed by the public and “Adopted” (approved) by the City Council prior to the start of the fiscal year. The legal authority to expend money for specified purposes in the fiscal year time period.

Allocation: A distribution of funds or an expenditure limit established for an organizational unit.

Appropriation: An authorization by the City Council to make expenditures and to incur obligations for specified amounts and purpose.

Assessed Valuation: An official value established for real estate or other property as a basis for levying property taxes.

Assessments: Charges made to parties for actual services or benefits received.

Audit: A review of the accounting system and financial information to determine how government funds were spent and whether expenditures were in compliance with the legislative body’s appropriations.

Authorized Positions: Positions which are approved in the final budget adopted by the City Council.

Bonds: A written promise from a local government to repay a sum of money on a specified date at a designated interest rate. Bonds are most frequently used to finance capital improvement projects.

Budget: A plan of financial operation, for a set time period, which identifies specific types of levels of services to be provided, proposed appropriations or expenses, and the recommended means of financing them.

Budget Calendar: The schedule of key dates which City departments follow in the preparation, revision, adoption, and administration of the budget.

Budget Message: The opening section of the budget which provides the City Council and the public with a general summary of the most important aspects of the budget, changes from previous fiscal years, and presents recommendations made by the City Manager.

Capital Improvement Plan (CIP): A comprehensive plan for capital expenditures, to be incurred each year over a fixed period of years, to meet capital needs arising from the long-term work program or other capital needs. It sets forth each project or other contemplated expenditure in which the government is to have a part, and specifies the resources estimated to be available to finance the project expenditures.

Glossary (cont.)

Certificate of Participation (COP): Obligations of a public entity based on a lease or installment sale agreement.

Debt Service: Debt service is the amount of money necessary to pay interest and principle on outstanding debt.

Department: A combination of divisions of the City lead by a Department Head with a specific and unique set of goals and objectives.

Encumbrance: A commitment related to an unperformed contract for goods or services. Used in budgeting, encumbrances represent the estimated amount of expenditures ultimately to result if unperformed contracts in process are completed. Encumbrances include, but are not limited to, purchase orders and contracts.

Enterprise Fund: An enterprise fund is established to account for operations financed and operated in a manner similar to private business where the intent of the legislative body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. The rate schedules for these services are established to ensure that revenues are adequate to meet all necessary expenditures.

Expenditures: The outflow of funds paid or to be paid for an asset, obtained of goods and/or services. This term applies to governmental funds. The term expense is used for enterprise funds.

Fund: A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financing sources together with all related liabilities and residual equities or balances and changes therein which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

Fund Balance: An excess of assets over liabilities and reserve. This term applies to governmental funds only.

General Fund: A governmental fund used to account for all financial resources except those required to be accounted for in another fund.

Generally Accepted Accounting Principles (GAAP): The uniform standards and guidelines to financial accounting and reporting. GAAP encompass the conventions, rules and procedures necessary to define the accepted accounting practices at a particular time. They include both broad guidelines of general application and detailed practices and procedures.

General Obligation Bond: Bonds that are limited by State law as to the amount as well as the length of indebtedness that a government can have. These "Full Faith and Credit" bonds are secured by all of the financial assets of the local government, including property taxes.

Infrastructure: The physical assets of the City, i.e., streets, water, sewer, public buildings, and parks, and the support structures within a development.

Jurisdiction: Geographic or political entity governed by a particular legal system or body of laws.

Glossary (cont.)

Landscape and Lighting Maintenance District Funds: Funds to account for revenues derived from annual assessments which are used to pay the costs incurred by the City for landscape maintenance and street lighting maintenance.

Operating Budget: A plan for current expenditures and the proposed means of financing them. The annual operating budget is the primary means by which most of the financing, acquisition, spending, and service delivery activities of government are controlled. The use of annual operating budgets is required by law in California.

Other Charges: Presents an overview of the expenditures in the operations budget such as transfers out, cost allocations and debt service payments.

Program: An accounting and reporting level related to a specific activity or function to be tracked.

Proprietary funds: Funds that account for and record operations similar to those found in a business, such as Enterprise funds and internal service funds.

Refunding: A procedure whereby an issuer refinances an outstanding bond issue by issuing new bonds. There are generally two major reasons for refunding; to reduce the issuer's interest costs, or to remove a burdensome or restrictive covenant imposed by the terms of the bonds being refinanced. The proceeds of the new bonds are either deposited into escrow to pay debt service on the outstanding obligations when due, or they are used to immediately retire the outstanding obligations. The new obligations are referred to as the refunding bonds and the outstanding obligations being refinanced are referred to as the refunded bonds or the prior issue.

Resolution: A special or temporary order of a legislative body; an order of a legislative body requiring less legal formality than an ordinance or statute.

Special Assessment: A compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

Special Revenue Fund: A governmental fund type used to account for specific revenues that are legally restricted to expenditures for particular purpose.

Subventions: That portion of revenues collected by other government agencies on the City's behalf.

Tax Increment: The portion of the ad valorem property taxes resulting from increase in the assessed valuation within the redevelopment project area over the base year assessed valuation. As required by California Health and Safety Code Sections 33334.2 and 3334.3, 20% of the gross tax increment is set aside in a Low and Moderate Income Housing Fund to be used to increase, improve, or preserve the supply of low and moderate income housing.

Transient Occupancy Tax: This tax is collected from the operators of hotels and motels located within the City. A percentage of this tax is then remitted to the City as part of the revenue.

Glossary (cont.)

Transfers: Transfers are the authorized exchanges of cash or other sources between funds.

Trust and Agency Fund: Also known as Fiduciary Fund Types, these funds are used to account for assets held by the City in a trustee capacity or as an agent for private individuals, organizations, or other governmental agencies.
