THE LIBRARIAN'S CORNER

We have been swamped around the library. In case you missed it, we now subscribe to [Hoopla](#), which allows you, our patrons, to Digital e-Books, Audiobooks, Movies, and Comic Books. You can sign up for a free account using your email. Select the Victorville City Library and enter your Library Card Number and Pin. If you need to renew your library or register for a library card, please contact our friendly staff at (760) 245-4222. For more information, visit our [Digital Media Page](#).

Between March 8th - April 17th, kids ages 4 - 12 can participate in our "In-N-Out "Cover to Cover" Reading Program. Parents can register their kids via our [Read Square App](#). Children still learning to read may participate if a parent reads with the child. To participate in the program, each child must fill out a reading log. Each child must read five (5) books at his or her reading level and write the titles on the reading log.

After five (5) books have been read, a parent or guardian will sign the reading log. For every five (5) books read, the child will receive a "Cover to Cover" Club Achievement Award good for a free Hamburger or Cheeseburger at their local In-N-Out Burger. Each child may earn up to three (3) award certificates during the program. While supplies last.

Lastly, we want to remind you that you can order books for curbside pick up. Please call **760-245-4222** to place an order for books or place holds online 24/7.

And don't forget our great Zip Books program, where qualifying books can be delivered directly to your home. If there is a book, e-Book, or Audio Book that you would like to read or listen to during this time, please send a request with the book's title and author zip-books@victorvilleca.gov, and we will try to acquire that resource for you. If it's an e-Book or audiobook, we will add it to our digital collection and let you know once it is available for download. For physical copies of books, we will be able to have a book delivered to your house, and you can return it to the library's dropbox when you're done with the item.

We hope to see you soon.

FROM THE FOVL PRESIDENT

Here we are in the month of March and unfortunately the library isn't open. The staff is doing a tremendous job of offering their patrons multiple things to do on line and ways to check out books. The Friends of the Library miss having our book sales and visiting with the many patrons who come to buy our books. We all hope that the library will open soon. Stay safe and hope to see all of you soon.

Missing Us? Don't Worry!

You'll be back, soon you'll see
You'll remember your love for the library
You'll be back, time will tell
You'll remember the bookstore served you well
Vaccines rise, viruses fall

LIBRARY MASTER PLAN UPDATE

On February 17, the library consultants to the City of Victorville, presented a draft of their Library Master Plan to the CSAC (Community Services Advisory Committee) for review and comment. The presentation included a great amount of excellent research, a list of needs and options for increasing our library space. The next step is for the consultants and city staff to collaborate in developing an Implementation Plan so that actual decisions may be made and library advancements can be initiated.

SUPPORT THE FRIENDS

With the unfortunate suspension of the Friends book sales, your continued support of the Friends is crucial. Just a reminder of ways you can help the Friends and support your library:

- Renew your annual membership.**
- Consider increasing your membership level, or renewing for multiple years.**
- Give Friends memberships as gifts to friends and family.**
- Make an additional donation to the Friends.**
- Continue to collect your books for the time when we can again accept donations.**
