RE: Our Community of Interest

To Whom It May Concern:

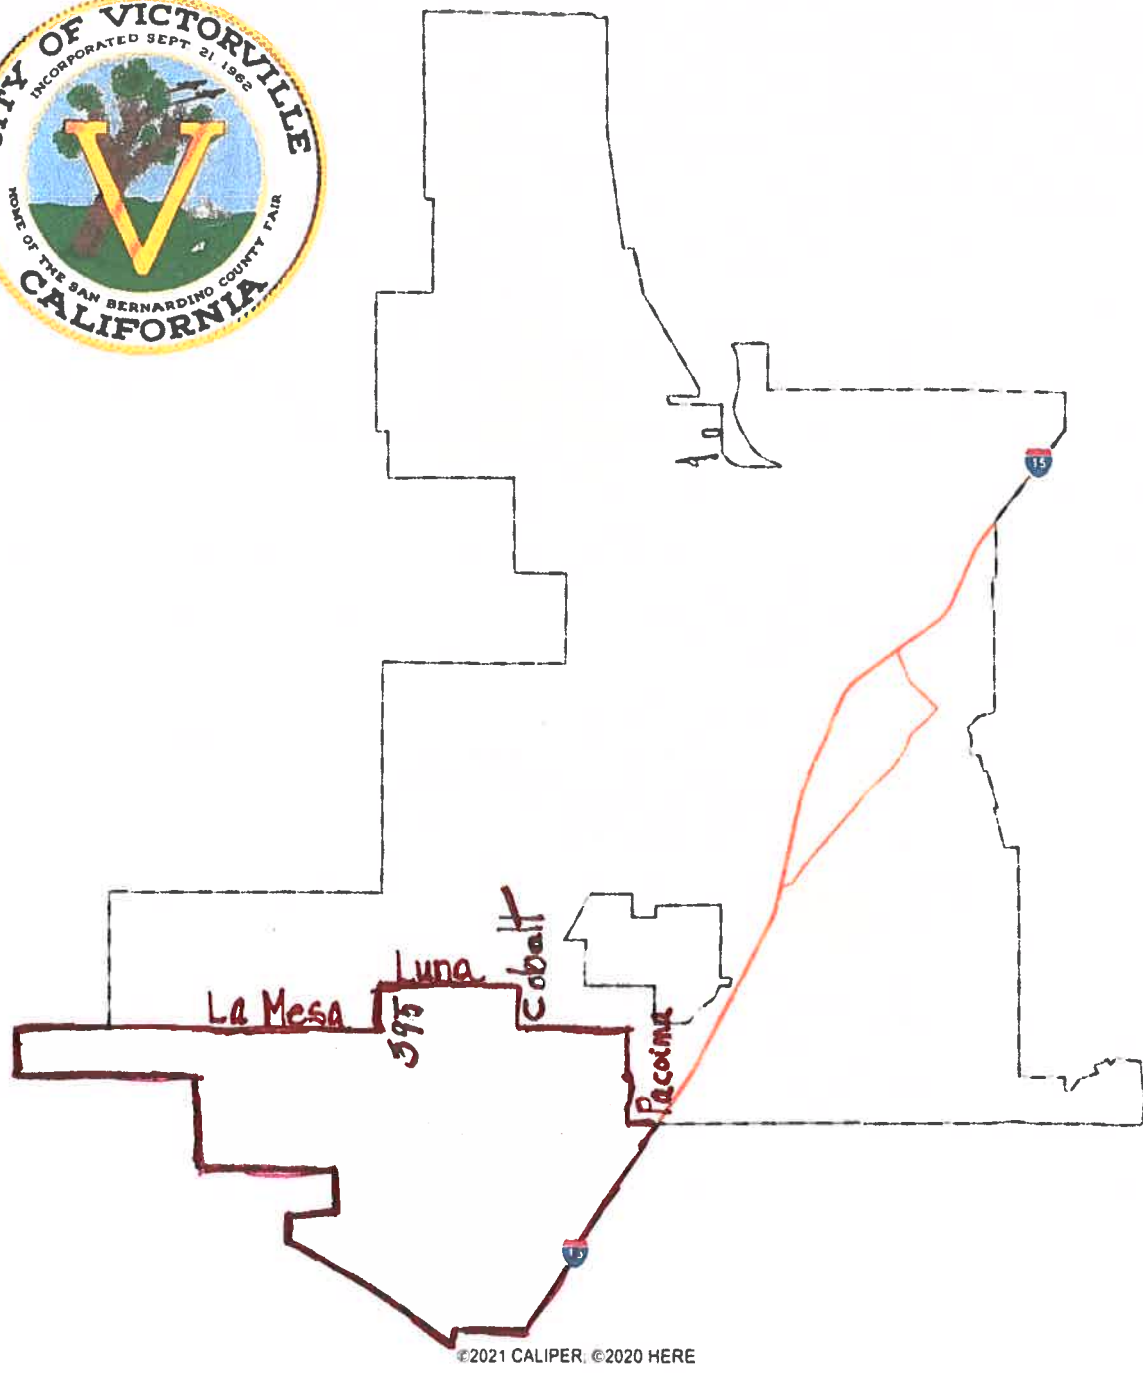

Some of our neighbors have been talking about how Victorville elections are about to change. We don't usually get involved in government affairs, but this time we have to speak up.

Included with this letter is a map that illustrates my family's community interests. We have lived here for many years and have strong ties with our neighbors in Eagle Ranch and businesses nearby. We support educators who want our AESD Trustee Area 1 joined with a part of VVUHSD Trustee Area 3 up to its eastmost cross-streets of Pacoima and Bear Valley Road. We're also excited about the hospital that is coming to our area.

Additionally, Fire Station 315 is very important to my family and others in our local neighborhoods. We waited years for it to open and are firmly connected to it. Our sense of community also comes from our favorite amenities such as dining, retail services and parks. A few of them are: Stater Brothers at Bear Valley Road at Amethyst; Fitness 19 Gym at the same intersection; Sunset Ridge Park; Walmart Supercenter; Lowe's; Restaurant Row at Bear Valley Road and southward on Amargosa; and the new hospital planned for the Golden Triangle.

Sincerely,

The Richmonds

INSTRUCTIONS

Please use this map as a tool to draw your community of interest. It is important to know about communities so that the district lines can amplify the voices of residents.

Examples of communities can include neighborhoods or planning zones, areas where many residents speak the same language, or even areas where the residents use the same city facilities.

To start, please include a title for your community, your name and email address, and a description of your community. Then draw your community on the map.
