Dear City Clerk Thompson:

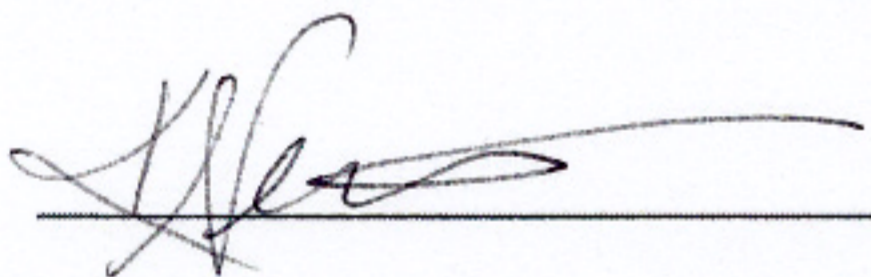

Attached please find my map submission for consideration in the changeover to by-district elections in Victorville. The area with proposed boundaries for my community are highlighted for your convenience.

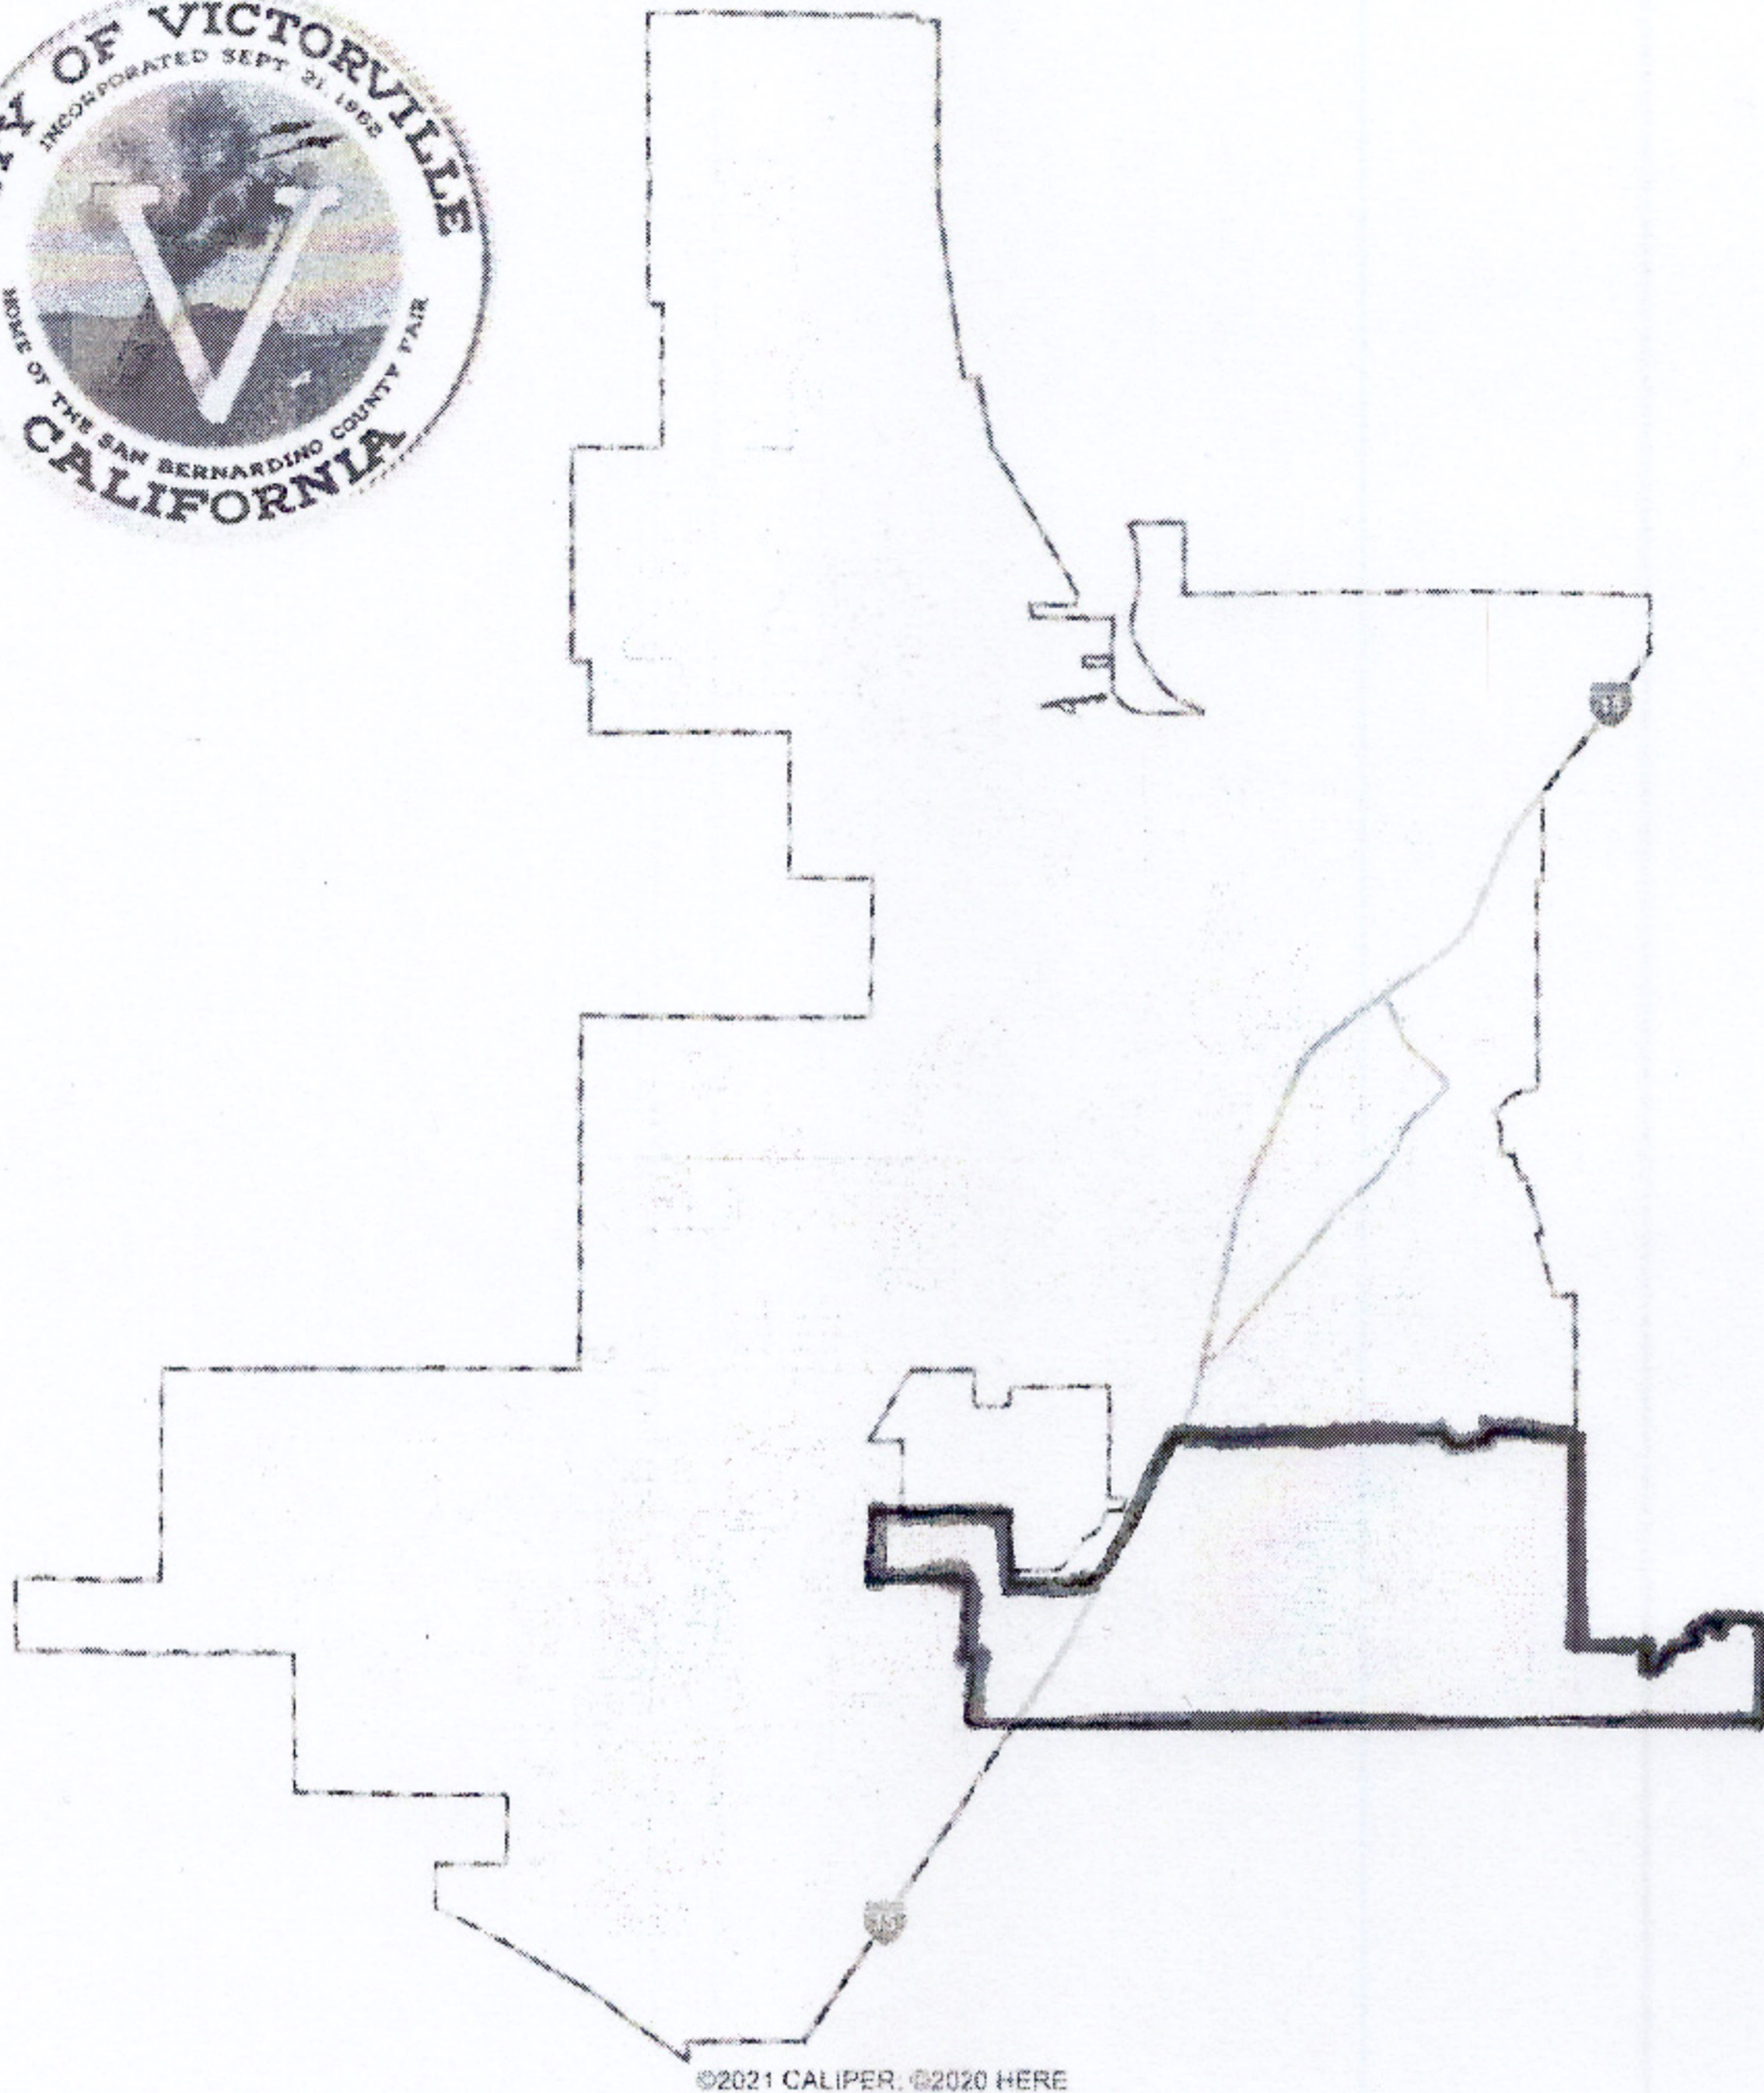

My family lives at the southeastern end of our city off of Ridgecrest. We have lived in Victorville for many years and are closely connected to certain features in our community. They are:

1. Church: First Assembly of God on La Mesa/Nisqualli – Our Christian faith is paramount in our lives. We are active members in our church.
2. Extended Family and Friends: We have close family members and friends who live next to the mall. We value these relationships and visit often.
3. Shopping: The Mall of Victor Valley – We do almost all of our shopping here.
4. Dining: Restaurants on Amargosa – My wife and I are professionals with very busy schedules. We dine out frequently at restaurants like Olive Garden.

I care a lot about my city and hope those responsible for creating district boundaries give careful attention to what community means to my family.

Thank you,

CITY OF VICTORVILLE

COMMUNITY OF INTEREST MAPPING TOOL

INSTRUCTIONS

Please use this map as a tool to draw your community of interest. It is important to know about communities so that the district lines can amplify the voices of residents.

Examples of communities can include neighborhoods or planning zones, areas where many residents speak the same language, or even areas where the residents use the same city facilities.

To start, please include a title for your community, your name and email address, and a description of your community. Then draw your community on the map.
