## INTRODUCTION

---

The dissolution of California redevelopment agencies in 2012 resulted in a dramatic change to property tax finance. It eliminated the major source of local publicly generated dollars earmarked for affordable housing. Housing authorities have been left in a challenging position – the need for affordable housing is greater than ever, yet a key funding source no longer exists.

On November 10, 2012, the City of Victorville (“City”) elected to become the Victorville Housing Trust (“Successor”) to the former Victorville Redevelopment Agency (“RDA”) and assumed its housing functions. The Successor’s assets were transferred from the former RDA, when it dissolved pursuant to the Dissolution Act (enacted by Assembly Bills x1 26 and 1484). All “rights, powers, assets, liabilities, duties, and obligations associated with the housing activities of the agency, excluding any amounts in the Low- and Moderate-Income Housing Fund” were transferred from the former RDA to the Successor. Although, the Successor inherited the RDA’s housing assets and functions, it does not have an ongoing financing mechanism to maintain them. The former RDA primarily funded projects with redevelopment tax increment, which was abolished with the dissolution of redevelopment.

The Successor prepared a Housing Asset Transfer Form, which provided an inventory of all assets received in the mandatory transfers of assets following the dissolution of redevelopment. All items on the Housing Asset Transfer Form were approved by the California Department of Finance (“DOF”) on August 23, 2014. On the Housing Asset Transfer Form 46 real properties were originally listed; however, only 36 properties were transferred to the Housing Asset Fund. The properties that were not transferred were acquired using federal funds, more specifically Neighborhood Stabilization Program (“NSP”) funds.

In addition, the Successor is the beneficiary of two loans made to the former Victor Valley Economic Development Authority Redevelopment Agency (“VVEDA RDA”). The VVEDA RDA was formed with Joint Powers Authority Agreements between the City and several other jurisdictions. More detail on these loans is provided later in this report.

On June 21, 2016, the City Council, performing the housing functions of the former RDA, adopted Resolution No. R-HF-16-001 repealing Resolution R-HF-12-002 to abolish the Victorville Housing Trust, amending all subsequent resolutions of the Victorville Housing Trust, and confirming that the “City of Victorville” (“CHAS”) is the lawfully-designated housing successor entity and authorized the taking of certain actions thereof.

## REPORTING REQUIREMENTS OF SENATE BILL 341

Senate Bill (“SB”) 341, Assembly Bill (“AB”) 1793, SB 107, and AB 346 amended certain sections of the Health & Safety Code (“HSC”) in 2014, 2015, and 2017 pertaining largely to entities that accepted the housing assets and liabilities of former redevelopment agencies. SB

341 clarified that all former redevelopment agency housing assets, regardless of their originating redevelopment agency, must be maintained in a separate fund called the Low- and Moderate-Income Housing Asset Fund (“Housing Asset Fund”). SB 341 outlined a series of reporting requirements that must be adhered to in annual reports. This annual report is due to the California State Department of Housing and Community Development (“HCD”) by April 1<sup>st</sup> of each year. The report must be accompanied by an independent financial audit, which is due by December 31<sup>st</sup> every year.

In accordance with HSC Section 34176.1(f), certain data must now be reported annually for the Housing Asset Fund. These requirements are presented in Figure 1.

**Figure 1. Reporting Requirements of HSC Section 34176.1(f)**

Revenues & Expenditures	Assets and Active Projects	Obligations & Proportionality
Total amount deposited in the Housing Asset Fund for the fiscal year	Description of any project(s) still funded through the Recognized Obligation Payment Schedule (“ROPS”)	Description of any outstanding production obligations of the former RDA that are inherited by the Housing Successor
Statement of balance at the close of the fiscal year	Update on property disposition for any property owned more than five years or plans for property owned less than five years	Compliance with proportionality requirements (income group targets), which must be upheld on a five-year cycle
Description of expenditures for the fiscal year, broken out as follows: <ul style="list-style-type: none"> <li>• Rapid rehousing for homelessness prevention (up to \$250,000 per year);</li> <li>• Administrative expenses (\$200,000 or 5% of “portfolio” per year);</li> <li>• Monitoring expenses (included as an administrative expense);</li> <li>• All other expenditures must be reported as spent for each income group (extremely low-, very low-, and low-income)</li> </ul>	Other “portfolio” balances, including: <ul style="list-style-type: none"> <li>• Statutory value of any real property either transferred from the former RDA or purchased by the Housing Asset Fund (note that the Successor may only hold property for five years);</li> <li>• Value of loans and grants receivable</li> </ul>	Percentage of deed-restricted rental housing restricted to seniors and assisted by the entity assuming housing functions, the former RDA, or the County within the past ten years compared to the total number of units assisted by any of those three agencies
Description of any transfers to another housing successor for a joint project	Inventory of homeownership units assisted by the former Agency or the Successor that are subject to covenants or restrictions or to an adopted program that protects the former RDA’s investment of monies from the Low- and Moderate-Income Housing Fund	Amount of any excess surplus, and, if any, the plan for eliminating it

## ASSETS TRANSFERRED TO THE HOUSING SUCCESSOR

According to HSC Section 34176(e), housing assets may include the following:

- Real property;
- Restrictions on the use of property;
- Personal property in a residence;
- Housing-related files;
- Office supplies and software programs acquired for low-and moderate-income purposes;
- Funds encumbered by an enforceable obligation;
- Loan or grant receivables funded from the former Low- and Moderate-Income Housing Fund (“LMIHF”);
- Funds derived from rents or operation of properties acquired for low-and moderate-income housing purposes;
- Rents or payments from housing tenants or operators of low-and moderate-income housing; and
- Repayment of Supplemental Educational Revenue Augmentation Fund (“SERAF”) loans.

The assets transferred from the RDA to the Successor included real properties, loan receivables, repayment of SERAF loan, and residual receipt payments.

## EXPENDITURE REQUIREMENTS OF SENATE BILL 341

In the months following redevelopment dissolution, the California legislature passed several legislative bills, including SB 341, to clarify issues concerning the activities and assets of former redevelopment agencies. SB 341 reinstated several affordable housing requirements formerly completed by redevelopment agencies. Specifically, SB 341 directs expenditures from the Successor’s Housing Asset Fund as follows:

- **Administrative Expenditures:** Administrative expenditures, which include housing monitoring, are capped at either \$200,000 or 5% of the Housing Asset Fund’s annual portfolio, whichever is greater. The portfolio includes outstanding loans or other receivables and the statutory value of any real property owned by the Successor.
- **Homelessness Prevention:** A housing successor is authorized to spend up to \$250,000 each year on rapid rehousing solutions for homelessness prevention if all obligations pursuant to HSC Sections 33413 and 33418 have been fulfilled.

- **Income Proportionality Limits:** Remaining allowable expenditures must be spent to expand housing options for low-income households, defined as households earning 80% or less of the area median income (“AMI”). At least 30% of expenditures must be allocated to extremely-low rental households, or those households earning 30% or less of the AMI. A maximum of 20% may go towards households earning between 60% and 80% of the AMI. No funding may be spent on moderate-income households, defined as households earning 81 to 120% of the AMI.

Housing successors must report expenditures by category each year and report income proportionality limits compliance at the end of each five-year compliance period. The first five-year compliance period began in Fiscal Year 2013-2014 and ended in Fiscal Year 2018-2019. For example, a housing successor could spend any amount of its funds during Fiscal Year 2013-2014 on households earning between 60% and 80% AMI, as long as this amount is 20% or less of the total expenditures by the end of Fiscal Year 2018-2019.

The SB 341 allowable administrative expenses limit has increased substantially when compared to the FY 2013-14 limitation due to the passing of SB 107. This bill had a provision that raised the allowable administrative expenses limit from 2% of the Housing Asset Fund’s Portfolio or \$200,000 – whichever is greater – to 5% or \$200,000. The Successor’s Portfolio was \$28,990,571 in FY 20-21, resulting in an allowable administrative expense of \$1,449,529.

## LOW- AND MODERATE-INCOME HOUSING ASSET FUND

The Housing Asset Fund replaced the former Agency’s LMIHF. The Housing Asset Fund contains all the assets that were transferred from the RDA to the Successor via the Housing Asset Transfer (“HAT”) Form. The HAT included:

- 46 real properties;
- 166 First Time Homebuyer loans;
- Three residual receipt payments;
- SERAF; and
- Three loans to non-housing funds.

The HAT included housing assets funded by Neighborhood Stabilization Program (“NSP”) grant funds pursuant to a then existing contract between the City of Victorville and the former RDA. As such, those NSP funded assets did not transfer to the Housing Asset Fund. Of the 46 real properties originally listed on the HAT, 36 real properties were transferred to the Housing Asset Fund. Appendix B lists the Successor’s real property assets as of the end of June 30, 2021 in the amount of \$2,479,641.

Additionally, of the 166 First Time Homebuyer loans listed on the HAT only 9 loans remain open and outstanding with a total loan value of \$156,591. The other First Time Homebuyer loan terms

have been satisfied, paid off, or have defaulted by the borrower. Appendix C lists the Successor’s First Time Homebuyer loans as of the end of June 30, 2021.

## HOUSING ASSET FUND DEPOSITS

SB 341 requires housing successors to annually report the funds that were deposited into the Housing Asset Fund during the fiscal year, distinguishing any amounts held for items listed on the Recognized Obligation Payment Schedule (“ROPS”). The Successor only receives ROPS property tax for Northgate Village. Pursuant to a contractual arrangement established before the dissolution of redevelopment agencies, the Housing Successor may provide up to \$250,000 in annual subsidy payments towards the project if the project can demonstrate a negative operational shortfall. During Fiscal Year 2020-21, only a \$125,000 was provided with the remaining subsidy payable in the upcoming year. These payments are made directly from ROPS proceeds, and funds do not come into the Housing Asset Fund. Therefore, it is not reported in Table 1.

As shown in Table 1, The Successor deposited \$12,429 during Fiscal Year 2020-2021.

**Table 1. Fiscal Year 2020-2021 Housing Asset Fund Deposits as of June 30, 2021**

<b>City as Housing Assets Successor</b>	
<b>Description</b>	<b>Amount</b>
Interest Income	\$ 6,960
Other Interest Income (Adjustments)	\$ 394
MAP Payoffs - Principal	\$ 5,075
SERAF	\$ -
Settlement Proceeds	\$ -
<b>Total</b>	<b>\$ 12,429</b>

*Source: City of Victorville Trial Balance*

## HOUSING ASSET FUND ENDING BALANCE

SB 341 requires housing successors to submit a statement showing the Housing Asset Fund’s ending balance at the close of the fiscal year, distinguishing any amounts held for items listed on the ROPS.

As shown in Table 2, the Housing Asset Fund balance as of June 30, 2021 was \$28,990,571.

**Table 2. Fiscal Year 2020-2021 Housing Asset Fund  
Balance as of June 30, 2021**

<b>City as Housing Assets Successor</b>	
Description	Amount
Cash	\$ 100,391
Land Held For Resale	\$ 2,479,641
Mortgage Assistance	\$ 156,591
Residual Receipts Loans Receivable	\$ 11,874,277
SERAF	\$ 6,636,336
Loans Receivable from Non-Housing	\$ 7,743,335
<b>Total Fund Balance</b>	<b>\$ 28,990,571</b>

Source: City of Victorville, Trial Balance

## **OTHER ASSET BALANCES**

SB 341 requires housing successors to report on the statutory value of real properties formerly owned by the former redevelopment agency, and loans and grant receivables listed on the Housing Asset Transfer Form. The statutory values of real property, loans and grants receivable belonging to the Housing Successor as of June 30, 2021 are shown in Table 3.

The Housing Successor listed 46 real properties that had a total statutory value of \$15,445,636. Out of these assets, 36 real properties were transferred to the Housing Successor. Of the properties transferred, four are categorized as low moderate housing with commercial space while the remaining 32 are designated specifically for low moderate housing. Pursuant to Governmental Accounting Standards Board (GASB), at the end of FY 20-21, the Housing Successor updated the valuation of each real property asset as required by law. The valuation for prior reporting years was \$8,470,041 but is now valued at \$2,479,641. The reduction of \$5,990,400 is a result to current market values. The current balance of land held for resale is \$2,479,641.

The Successor has three Residual receipts Loans totaling \$11,874,277. These loans were issued to support the development of various multi-family affordable housing projects more specifically known as Impressions at Valley Center, Northgate Village Apartments and Rodeo Drive Meadows. As of today, no residual receipts have been made and the outstanding balances for these loans are \$1,104,965, \$5,659,131, and \$5,110,180, respectively. As a part of the dissolution act, the Housing Successor continues to conduct annual monitoring visits to ensure the apartments remain affordable.

To make the required SERAF payment for fiscal year 2009-10, the Victorville Redevelopment Agency (“RDA”) borrowed \$5,000,000 from its Low- and Moderate-Income Housing Fund (“LMIHF”) as allowed by the Health and Safety Code (“HSC”) section 33690(c)(1). The RDA did not make a payment before the dissolution of Redevelopment with ABx1 26 in legislative year 2010-2011. Per HSC section 34191.4(3) of the Health and Safety Code, all loans stemming from redevelopment agencies are to be charged a simple interest rate of 3% on a quarterly basis beginning at the date of origination of the loan by the redevelopment agency. These calculations resulted in an increase of the SERAF to \$6,636,336.

The Housing Successor’s loans receivable from non-housing currently hold a balance of \$7,743,335. These loans were necessary to fund redevelopment efforts within the RDA’s project area. Loan proceeds were used for land acquisition and construction project development. Because loan payments have not been made, the balances for these loans have increased to \$5,380,402 and \$1,864,932, respectively. Additionally, a loan was made between the RDA’s LMIHF to the Old Town/Midtown Project Area in the amount of \$300,000 to undertake redevelopment activities because the Old Town/Midtown Project Area suffered from blighting conditions but was not generating tax increment. Due to the economic downturn and the Old Town/Midtown Project Area lack of generating sufficient tax increment within the project area, repayment of the loan has been delayed and the principal and interest has increased to \$498,000.

The Housing Successor also listed 166 First Time Homebuyer loans on the HAT which had an outstanding loan balance of \$2,251,159. Since the compilation of the HAT, many First Time Homebuyer notes have been satisfied, repaid or defaulted. The current balance of the First Time Homebuyer loans is \$156,591 as of June 30, 2021, as depicted on Table 3.

**Table 3. Fiscal Year 2020-2021 Real Properties and Loan / Grant Receivables as of June 30, 2021**

<b>City as Housing Assets Successor</b>	
<b>Real Properties</b>	<b>Statutory Value</b>

## HOUSING ASSET EXPENDITURES

SB 341 requires housing successors to provide a description of expenditures from the Housing Asset Fund by category, including expenditures for (A) monitoring and preserving the long-term affordability of units' subject to affordability restrictions or covenants entered into by the redevelopment agency or the housing successor, (B) administering such activities, (C) homeless prevention and rapid rehousing services and (D) the development of affordable housing units for various income groups. Table 4 presents expenditures for the Housing Asset Fund.

**Table 4. Fiscal Year 2020-2021 Housing Asset Fund Expenditures as of June 30, 2021**

<b>City as Housing Assets Successor</b>	
Description	Amount
Monitoring and Preserving Affordability Covenants	\$ 4,390
Administrative Costs	\$ 83,521
Affordable Housing Development	\$ 49,153
<b>Total</b>	<b>\$ 137,063</b>

*Source: City of Victorville*

Senate Bill 341 states a Housing Successor may expend, on administrative costs, the greater of 5% of the statutory value of real property and loans and the administrative limit of \$200,000. The Successor's statutory value for FY 2020-2021 is \$28,990,571, resulting in an allowable administrative expense of \$1,449,529. With a total expense of \$4,390 in monitoring and preserving affordability covenants and administrative costs, the Successor agency has complied with administrative costs maximum expenditure requirements.

The City of Victorville owns various vacant parcels within its Old Town/Mid Town Project Area. These properties were purchased by the former Victorville Redevelopment Agency as the first phase of a redevelopment project in the City's Old Town/Mid Town Project Area. The land assembly phase involved the acquisition and demolition of properties that were dilapidated and unsafe. The properties were acquired for the purposes of developing affordable housing and eliminate economic blight by raising depreciated and stagnant properties, fill business vacancies, and increase the Old Town/Mid Town Project Area's affordable housing supply.

In April 2021, the City of Victorville as Housing Successor issued a Request for Proposal to obtain proposals from qualified affordable housing developers for the development of the 36 sites mentioned earlier in this report. Although no proposals have been accepted, the Housing Successor anticipates that an affordable housing project will be forthcoming in the upcoming

fiscal years. The \$49,153 in Affordable Housing Development expenditures reported in Table 4 is related to the maintenance of the 36 properties.

In an effort to help the chronically homeless population throughout the County of San Bernardino, the Housing Authority of the County of San Bernardino (“HACSB”) and the City of Victorville identified the Queens Motel as a site that could be renovated and used for permanent housing for the chronically homeless. The motel is a 61-unit complex which is undergoing modification and rehabilitation to transform the complex into a 31-unit one-bedroom apartment complex. The complex, known as Desert Haven will be permanent housing for individuals and families without preconditions and barriers to entry, such as sobriety, treatment, or service participation.

On June 1, 2020, the City provided \$1,509,505 of its Neighborhood Stabilization Program funds as reimbursement for acquisition costs and related escrow fees. The Term of note is for fifty-five (55) years, which terminates October 1, 2074. The City recorded a Regulatory Agreement for the life of the loan which enforces the maximum allowable rent that may be charged by Desert Haven as well as establishes who may occupy the 31-units based on income eligibility. Desert Haven will also give priority preference in rental of units to eligible households displaced who are residents or are employed in the City of Victorville. All 31-units will be used to reduce and prevent homelessness by housing extremely low-income households and increase the City’s affordable housing units. The project is slated to open fall of 2021.

## **MONEY TRANSFERS BETWEEN HOUSING SUCCESSORS**

SB 341 requires that when two or more contiguous housing successors enter into a joint venture to provide (A) a description of any transfers made in the previous fiscal year and in earlier fiscal years and (B) a description of and status update on any project for which transferred funds have been or will be expended.

The Successor has not entered into a joint venture with another housing successor. Therefore, the Successor is in compliance with this legal requirement.

## PROPERTY AND PROJECT DESCRIPTIONS

---

### **PROPERTY TAX REVENUE RECEIVED**

SB 341 requires housing successors to provide a description of any project for which the housing successor receives or holds property tax revenue pursuant to the ROPS and the status of that project.

Each year, National CORE receives \$250,000 through the ROPS process for the Northgate Village Apartments (Item #4 on the ROPS). The Development Agreement between the former RDA and National CORE provides for a fixed annual agency subsidy payment to be paid to National CORE to help subsidize the Project's negative operating cash flow. The \$250,000 listed as a Recognized Obligation Payment of the former RDA and was listed as ROPS Item #4, Northgate Village Apartments, during Fiscal Year 2020-2021. This payment is made directly from the ROPS and funds do not come into the Housing Asset Fund.

### **STATUS UPDATES ON DISPOSITIONS AND DEVELOPMENTS**

SB 341 requires that all real properties acquired by the RDA prior to February 1, 2012 and transferred to the Successor developed pursuant to the requirements detailed in HSC Section 33334.16. Thus, all property that falls within in these parameters must be developed for affordable housing purposes within five years from the date DOF approved the Housing Asset Transfer Form. If the Successor is unable to develop or dispose of these properties within the five-year period, the law allows for a five-year extension via adoption of a resolution. In addition, housing successors are to provide a status update on any projects for real property acquired on or after February 1, 2012.

The Successor adopted a resolution for a five-year extension, August 27, 2022, due to the difficulty of initiating development on the remaining properties, caused by the financial market conditions and the loss of funds resulting from the dissolution of redevelopment agencies in California.

At the time of dissolution, the RDA listed 46 real estate properties on the Housing Asset Transfer Form, but only transferred 36 properties to the Successor. These properties and their disposition status are listed as Appendix B. Although the Successor is working with an affordable housing developer for the development of multiple properties, no properties were sold or developed in the Fiscal Year of 2020-2021.

In addition to the above properties, five affordability covenants were also assumed by the Successor. A description of the projects is subsequently listed.

### **Northgate Village Apartments**

On July 15, 2005, the RDA entered into an affordable housing agreement with National CORE, formerly known as The Southern California Housing Development Corporation, a California nonprofit public benefit corporation, regarding the Northgate Village Apartment community. The housing community has 140 units, and is 100% affordable, serving residents who are 50% AMI and 80% AMI for San Bernardino County established and adjusted by the U.S. Department of Housing and Urban Development.

The residential units are subject to a regulatory agreement that will restrict rents and limit occupancy to income-eligible tenants for a period of at least 55 years.

### **Impressions**

On September 2, 2002, the RDA entered into an affordable housing agreement with the Victorville Housing Partnership, L.P., a California limited partnership, to develop the Impressions Project. The Impressions Project includes 100 units, of which there are 46 2-bedroom units restricted to households earning 45% AMI and 53 3-bedroom units restricted to households earning 50% AMI. One unit is reserved as a manager unit and is not income restricted.

The residential units are subject to a regulatory agreement that will restrict rents and limit occupancy to income-eligible tenants for a period of at least 90 years.

### **Hillcrest Apartments**

Hillcrest Court Apartments is a 67-unit multifamily complex acquired by the former Victorville Redevelopment using Neighborhood Stabilization Program (“NSP”) funds. Upon assessing the needed rehabilitation improvements, staff determined there would not be sufficient NSP funds to fully address the rehabilitation phase of the project. Therefore, staff pursued additional funding for the rehabilitation and was successful in obtaining a San Bernardino County NSP loan for the project. Acceptance of the County loan in the amount of \$6.05 million for the project was approved by the former Victorville Redevelopment Agency on June 29, 2010.

Subsequently, on November 16, 2010, the former Victorville Redevelopment Agency approved an Affordable Housing Agreement (“AHA”) with AMCAL Hillcrest Court Funds, L.P. for the rehabilitation of the apartment complex. The physical rehab work was completed in December 2011, and pursuant to the AHA, title to the property was transferred to AMCAL within 60 days of completion of the rehabilitation of the complex. In exchange for the property, AMCAL agreed to assume all debt associated with the property, including the County loan in the amount of \$6.05 million and an RDA loan in the amount not to exceed \$620,000 (NSP funded). Both loans were provided to rehabilitate the apartment complex. In exchange for the land contribution, AMCAL would secure 66 affordable units (one reserved for management) for a period of 55 years.

In December 2017, CHAS Board of Directors approved the execution of an Assignment and Assumption Agreement (“AAA”) between the County of San Bernardino, AMCAL Hillcrest Court Funds, LP, the Hillcrest Court Apartments, LLC (Hillcrest Court Apartments, LLC is the non-profit the San Bernardino County Housing Authority formed to acquire the apartment complex) and the City of Victorville acting as the Successor for the acquisition of the Hillcrest Court Apartments by the Housing Authority. Because AMCAL had previously assumed all the debt obligations associated with the apartment complex, the Housing Authority would be required to assume the County and RDA loans. The approved AHA memorized the assignment and assumption of all RDA obligations previously required by AMCAL to the Housing Authority’s non-profit.

Subsequently, in February 2018 the County Board of Supervisors approved the AAA for the transfer of the apartment complex. This approval was accompanied by a resolution of the Housing Authority authorizing the formation of the LLC to serve as the ownership entity of the Hillcrest Court Apartments and approval of a Purchase and Sale Agreement (“PSA”) and Joint Escrow Instructions by and between the Housing Authority’s non-profit (the “Buyer”) and AMCAL Hillcrest Court Fund, L.P. (the “Seller”). Pursuant to the PSA, and as consideration for the transfer of the apartment complex, the Buyer agreed to repay the principal and interest balance due to the CHAS (the former RDA loan). The CHAS received \$689,891.74 from the Housing Authority in loan proceeds to pay off the former RDA loan.

### **Casa Bella**

On September 16, 2008, the RDA entered into an agreement for the acquisition of affordability covenants with AMCAL Casa Bella Fund, L.P., a California limited partnership, for development of the Casa Bella Project. The Project includes a total of 288 units, of which 274 units must remain affordable for 55 years. It features both 2 and 3-bedroom units that must be affordable to households earning 60% AMI.

### **Rodeo Drive Meadows**

On August 5, 2008, the RDA entered into an agreement with Pacific West Communities, Inc. to build a 49-unit project referred to as Rodeo Drive Meadows. The Project features 16 2-bedroom units, 24 3-bedroom units, and 8 4-bedroom units restricted to households earning 60% AMI that must remain affordable for 90 years.

## **OUTSTANDING OBLIGATIONS**

---

SB 341 requires housing successors to describe (A) any outstanding obligations that were supposed to be transfer to the housing successor at the time of dissolution, (B) the housing

successor's progress in meeting those obligations, and (C) the housing successor's plans to meet unmet obligations.

According to the most recent Affordable Housing Compliance Plan completed by the former Redevelopment Agency, the Successor did not have any outstanding inclusionary or replacement housing obligations at the time of dissolution.

## PROPORTIONALITY REQUIREMENTS FOR INCOME GROUPS

---

SB 341 limits Housing Asset Fund expenditures to lower income households earning 80% or less of the AMI. At least 30% of funds must be spent on rental housing for households earning 30% or less of the AMI and not more than 20% of the expenditures can be spent on households earning between 60% and 80% of the AMI. Failure to comply with the extremely low-income requirement in any five-year reporting period will result in the Successor having to allocate 50% of its remaining funds to extremely low-income rental units until its expenditures comply with proportionality limits. If, at the end of any five-year period, the Successor exceeds its spending limit for households earning between 60% and 80% of the AMI, it will not be able to spend additional funds on these income groups until its expenditures comply with proportionality limits.

As shown in Table 4, the Successor's expenditures in FY 2020-2021 fall within the limits of administrative costs. The \$49,153 was spent towards predevelopment expenses and is currently classified as an administrative expense. This amount will be allocated to an income category once the AMI breakdown is determined. Since the dissolution of redevelopment agencies, the Housing Successor's affordable housing activities have been minimal. With no other qualifying expenditures to report, the Housing Successor is, by default, compliant with the proportionality requirements of SB 341.

## SENIOR HOUSING

---

SB 341 requires housing successors to report the percentage units of deed-restricted rental housing restricted to seniors and assisted individually or jointly by the Successor, its RDA, and its host jurisdiction within the previous ten years in relation to the aggregate number of units of deed-restricted rental housing assisted individually or jointly by the Housing Successor, its former RDA and its host jurisdiction within the same period. For this report, the ten-year period reviewed is July 1, 2008 through June 30, 2018. Pursuant to HSC 34176.1, the percentage of affordable housing units for seniors shall not exceed 50% of the total number of affordable housing units.

Over the last ten years, no affordable senior rental units were constructed. The percentage of affordable rental units developed for seniors is therefore 0%. By default, the Successor has not exceeded the 50% threshold.

## EXCESS SURPLUS

Housing successors are required to report (A) the amount of any excess surplus, (B) the amount of time that the successor agency has had the excess surplus, and (C) the housing successor’s plan for eliminating the excess surplus. Excess surplus is defined by HSC Section 34176.1(d) as “an unencumbered amount in the account that exceeds the greater of one million dollars, or the aggregate amount deposited into the account during the housing successor’s preceding four fiscal years, whichever is greater.”

Excess surplus calculations were once performed by redevelopment agencies on an annual basis and were intended to ensure that funds are expended to benefit low-income households in a timely manner. SB 341 reinstates this calculation for housing successors. Since Fiscal Year 2014-15 through 2018-19, the Housing Successor Agency has had an aggregate deposit amount totaling \$1,514,465. Based on a five-year analysis, the Housing Successor Agency appears to have \$1,375,476 deficit (Table 5) therefore, no excess surplus is calculated this year.

**Table 5. Deposit Data from Surplus Calculation**

<b>City as Housing Assets Successor</b>						
<b>Fiscal Year</b>	<b>2015-16</b>	<b>2016-17</b>	<b>2017-18</b>	<b>18-19</b>	<b>19-20</b>	<b>2020-2021</b>
Deposits	\$90,301	\$689,189	\$662,235	\$72,740	\$62,162	\$ 12,429
Committed Funds						\$ 10,000

## INVENTORY OF HOMEOWNERSHIP UNITS

---

Assembly Bill 1793 (“AB 1793”), added requirements to the SB 341 Report, requires the annual reporting of any homeownership units assisted by the Successor that require restrictions, covenants, or an adopted program that protects Housing Asset Fund monies.

Of the 166 units listed on the Successor’s Housing Asset Transfer Form, 9 homeownership units remain as First Time Homebuyer loans. The property description, remaining loan term and amount, affordability period and covenant expiration are attached as Appendix C. The loans not listed have been removed due to the Homeowner satisfying the term, loan payoff, or loan default.

**APPENDIX A**
